The GRAPHIC turns out bills and posters on shortest notice. Call when you want anything in this line.

Cards are out announcing the marriage of Miss Rannie Chappell of this city to Mr. Jesse S. Taylor of Kahoka, Feb. 29th.

Uncle Howard Sheeks, living two miles northwest of town, had a very fine mare stolen from his barn Tuesday night.

Just as we go to press we learn that the horse stolen from Mr. Sheeks has been found at Brashear, and that the thief has been caught at LaPlata.

March 8th, and 9th, "Dixie," M. B. Miller, and wife, assisted by home talent. All for the benefit of Corporal Dix Post no 22. Full particulars next week.

Eld. A. Russell preached at Arbel Wednesday of last week and the following Wednesday evening gave the church at Memphis a talk by special invitation.

Services at the Presbyterian church Sunday morning and evening. Morning subject: "The Presbyterian Centennial, and some facts in regard to Presbyterianism."

Martha Carter and Harriet Eagle, executors of the estate of Jesse Hall, deceased, will have a public sale of the goods and chattels of deceased at Brashear March 3d, 1888.

The building formerly used as a saloon at Greencastle, is now occupied by the Holiness people, who are holding a revival meeting, and Murray of the Independent says they are preaching the true doctrine.

Will F. Sholly "The People's Printer" for the second time during the year has been compelled to seek larger and more commodious quarters, and can now be found in the Kibler Building, south of Pools' Hotel.

F. R. Farrand, pastor of the Presbyterian Church at Kirksville preached in Green City on Thursday night of last week. He made a very plain effective discourse, and we hope he will come and visit us again.—Creamer.

A year ago, but one suit of clothes, the cloth of which was manufactured in this place from wool grown in the county, and made up by home tailors, was worn in our town. Now there are a dozen suits of this kind worn by the business men. The cloth was manufactured by Biggs-by Bros. and is constantly growing in favor. It is business of this kind that makes a town and county prosperous above others.

During his five year's residence in this town Mr. S. J. Miller has labored diligently for the improvement of the horses of Adair County, devoting all his time, energy and a large amount of money to this object. So great has been the appreciation of his efforts that he felt warranted in going to greater expense than ever. He has accordingly, at a cost of \$2,300, brought to our county a magnificent French Coach horse. The beauty of this animal must be seen to be appreciated, and the worth of the animal is best told by the Western Agriculturist, an extract from which will be found in another column.

These warm days remind one that spring is near. There is considerable leisure time on the farm now, more than there will be again soon. A great deal can be done to make the farm attractive and the time never missed. The brush may be cut away from the fences, the trees trimmed, and the rubbish burned. A few more days and the yards and orchards can be made tidy. Do you ever stop to think how much a neat yard and orchard add to the appearance of a home? Another thing, as soon as the weather becomes settled white washing should be done. A log cabin looks much nicer white washed, and if inside as well as out, so much better. If paint is high, lime is cheap, and a few cents worth of lime with salt, milk and water will make a wash that will stay. Try it on the out buildings and the improved appearance of your homes will produce feelings of satisfaction that will never permit you to neglect it again.

Music—vocal quartette—Mr. and Mrs. Brasfield, Miss Gooding and Mr. Wilkes.

All the selections were well rendered, and the guests departed shortly after ten o'clock looking forward with great pleasure to the next social.

Asleep in Jesus.

Miss Della A. Litter of Ralls Co., late a student here in the Normal, departed this life Feb. 9th 1888 in the 23d year of her age, in calm and blessed triumphs, sweetly trusting in the Lord Jesus Christ, whom she confessed to be her Lord and her God. In the daily interviews which I had with her for the four days preceding her departure, she most clearly and steadfastly manifested her acceptance of the blessed Savior as her portion for time and eternity.

"From this bleak hill of storms, To you warm sunny heights, Where love for ever reigneth, Pass over to thy rest— The rest of God."

AN APPALLING CALAMITY.

Mount Vernon, Illinois, Wrecked by a Cyclone.

Mount Vernon, Illinois was visited by a terrible cyclone about 4.30 o'clock Sunday afternoon. It had been thundering and raining for some time, when a low rumbling noise was heard, and a black cloud that seemed to touch the earth swept over the city, and it became very dark. As soon as the cloud passed, however, the sky brightened, and the people realized the shock and loss they had sustained. Hundreds of houses were blown down and many were crushed in the ruins. At least one-half the town is destroyed. The south and east parts of the square were completely destroyed. Five hundred houses are heaps of ruins, and the city in the cyclone district presents a scene of the most horrible desolation and ruin. The town is about two miles long east and west, and the course of the cyclone took in about two-thirds of the east end—the western part of the town escaping. The greater part of the business portion of the city, known as "The Square," is totally destroyed. Out of a row of buildings about 200 feet long, there is not one but is more or less injured.

Thirty-three people have been killed, eight others have been fatally injured, thirty have been injured seriously, but not fatally, and about forty-five others have received minor wounds and bruises, making a total of 116 victims. Over 350 houses have been destroyed, and over 1,000 people left homeless. The total loss of property according to the best estimates will reach fully \$1,000,000.

Remember that C. W. Dunlap is in the hardware business on the east side and that he has a splendid line of heaters and cook-stoves at very reasonable prices.
