Hibbard's Strengthening and Rheumatic Plasters.

ARE A REVELATION TO THE WORLD, AND ARE THE ONLY GENUINE RHEUMATIC PLASTERS.

Nine-tenths of all troubles which require the aid of plasters are rheumatic in their nature. A change of weather or sudden draft causes a cold which develops into muscular and that into inflammatory rheumatism. And yet there has never been such a thing as a distinctly rheumatic and strengthening plaster, and hundreds have died suddenly where rheumatism has attacked the heart, whose lives might have been saved had this plaster been applied in season. They are constructed on purely scientific principles and are purely vegetable. Prepared by Rheumatic Syrup Co., Jack, Mich.

Obituary.

Ransley Miller was born in Granby county, Feb. 9th 1806. He came with his parents when a youth to Hudson, Summit Co., Ohio, where he resided until about the year 1850; from thence he moved to Iowa and in 1854 he came to Adair Co. Mo., has resided in the county ever since, making Kirksville his home the greater part of the time, where he died Jan. 30th 1890. He married Abba Darrow in Sept. 1830. She passed from labor to reward about 13 years ago. He leaves three sons and two daughters to mourn. They were all at the funeral except the son who resides in Topeka Kan. was hindered by sickness. They have sympathy and prayers of their many friends. Brother Miller professed faith in Christ over 50 years ago and united with the M. E. Church of which he remained a member until called home to rest. He was always quiet and unassuming, manifesting in his life the christian spirit. For some years dullness of hearing and other infirmities prevented him from taking an active part in church work. He rests (we trust) where the infirmities of age never come. E. B. CARTER.
