Old People.

J. V. S. is the only Sarsaparilla that old or feeble people should take, as the mineral potato which is in every bottle of Sarsaparilla that we know of, is under certain conditions known to be emulating. J. V. S. on the contrary is purely vegetable and stimulates digestion and creates new blood, the very thing for old, delicate or broken down people. It builds them up and prolongs their lives. A case in point: Mrs. Belden an estimable and elderly lady of 610 Mason St., S. F. was for months declining so rapidly as to seriously alarm her family. It got so bad that she was finally afflicted with fainting spells. She writes: "While in that dangerous condition I saw some of the testimonials concerning J. V. S. and sent for a bottle. That marked the turning point. I regained my lost flesh and strength and have not felt so well in years." That was two years ago and Mrs. Belden is well and hearty to-day, and still taking J. V. S. If you are old and feeble and want to be built up
