

# July Clearance Sale

## A Decisive Drop-down of Prices on all Summer Goods To Force a Quick, Positive and Final Clearance

THIS JULY CLEARANCE SALE is the supreme money-saving event in a decade. And when we make this broad, sweeping claim we speak from our extensive knowledge of goods, prices and former special sales held in this store and elsewhere. It is a stock-reducing event of gigantic proportions and will be bound to interest every person within hundreds of miles of this store. In the volume of faultless and desirable merchandise embraced, in its reckless disregard for former prices, real values and possible profits, this July Clearance Sale will surpass any ever attempted. With over three months of hot weather before you, we have set aside this particular time for adjusting our stocks and completely clearing out all summer goods. And in order to accomplish our object as quickly as possible we offer you values that speak more convincingly than any words we might use of how deep we have sent the price knife into former costs. Your opportunities to profit are practically without limit, as every department offers hundreds upon hundreds of bargains that are absolutely without parallel. Don't miss this clearance event.

Sale Begins Tuesday Morning, July 11, at 9:00 O'Clock, and Ends Saturday Evening, July 22
