

NEW FALL MERCHANDISE

More than six months ago we began laying plans for the season which is now upon us and for the past two weeks these purchases have been arriving and placed in stock, and it is now that we wish to announce to the trade that we are splendidly prepared to show you one of the largest and best selected stocks of

Dry Goods, Men's, Women's and Children's Furnishings

in North Missouri. Please accept this as an invitation to one and all to call and inspect the many new things which we are now showing for the first time.

You will find this store fairly alive with all that is new and wanted.

Ladies', Misses' and Children's COATS

We wish to announce the installation of a new department with us this season. We are now showing for the first time a very complete line of

Ladies', Misses and Childrens' Coats

The materials, style and workmanship in these garments are of the very best, and you will be agreeably surprised at the moderate price we ask. We will be pleased to show you this line at your earliest convenience.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. - Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

COAL

Good coal is cheaper than poor coal, even though it costs more per-ton, because a ton of good coal will make a great deal more heat, besides doing away with three-fourths of the dirt and all the clinkers.

I have made arrangements to handle the best soft coal sold in this country—

SUNNYSIDE ILLINOIS COAL

Thoroughly Washed and Screened

and will sell for cash at the lowest price possible to make on this quality at the car or delivered in town.

Don't order your winter's coal until you see this at my new building south of the depot. When you see this you won't want any other kind at any price.

Sand and Crushed Rock

for building purposes and sidewalks always on hand. Let me figure with you on your concrete work.
