#### W. F. M. S. Meeting

The Woman's Foreign Missionary Society held its regular November meeting at the home of Mrs. P. F. Weaver. Despite the inclemency of the weather a large number were present.

The program consisted of readings by Mrs. H. Landree and Mrs. H. D. Hall, instrumental solos by Miss Ellen Garside, and W. H. Layton gave the lesson from the Missionary Study, "Women Workers of the Orient" and "Work within the Home," describing it in a most interesting manner.

We are now in our new study. Let the members attend regularly and take part and make this year's work the best ever. The public is invited to attend these meetings. Come: you are always welcome.

#### Another Husking Bee

I wish to express my sincere thanks to the good people who assisted in gathering my corn last Thursday, while I am confined to my home. I also thank those who donated toward the dinner which was served at the home of Mrs. Thos. Gardner. Those taking part in the husking were John Ritebey, Jacob Boesiger, Jay Stark, Harry Gloyer, Clyde Gardner, Chas. H. Frazier, Robert Farrar, Dave E. Stark, Mack Farrar, Lee Herring, Ben Murrain, A. H. Farrar, W. R. Peacher, Roy O. Bailey and Frank Brooks. JAMES OGLE.

#### L. C. N. Club

The L. C. N. club met with the Misses Mahurin on Thursday. A large number were present and all enjoyed the lovely dinner. The day was spent in the usual work, the conversation being very "warlike." The guests of the day were Mrs. Effie Diesner and Mrs. Erma Brott and son Orland, of Brookfield. The club was glad to have the following former members with them: Mrs. Dowell and daughter, Miss Fay, of Meadville, Mrs. Nannie Powers and Mrs. Leota Lloyd of Montana. The club will meet with Mrs. Wm. Matthes, December 12.

#### Tax Notice

The tax books of Jefferson township are now open for collections at the store of E. Thurman. Pay as early as possible and avoid the rush that usually comes at the close of the year.

C. F. SAYLES, Collector.

#### Special Notice

I am removing this week to Kansas and as I have not sold my business Billy Robbins will be left in charge of the coal, feed and transfer business. The insurance business will be left in the hands of a capable insurance man and practically the same business standard will be maintained.

I wish to thank each and every customer for his business given me in the past and courteously solicit a portion in the future. In changing my place of residence it is my present earnest desire and my zealous hope to spend my last days in old Missouri, near my childhood home and amid boyhood friends and companions. However, I desire any and all my Missouri friends to remember that at all times "the latch string is out" to them at "The Camp," Russell Springs, Kansas. Good bye, and God bless you.

J. PAUL JONES.

#### District Conference

At the M. E. district conference held here last week the district service flag was displayed in the church. It is 12 feet long and 6 wide and contains over 600 stars and in the center is a large star for General Pershing who united with the Methodist Episcopal church in 1872 on the very ground where the conference was held and his name is still on the church records. A photograph and slide of the flag has been made and is being used by the missionary society in its work throughout the country.

In attendance at the conference were four former pastors of the Laclède church, namely: Rev. E. L. Robison and Rev. J. D. Mendenhall of Brookfield, Rev. T. J. Enyeart of Linneus and Rev. Dr. Sisson. Rev. Layton, the present pastor, took an active part in carrying out the program and seeing that the visiting preachers were well cared for.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is cataract. Cataract being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Cataract Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Cataract Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, etc.
