The Communion Service last Sunday morning was very marked as a spiritual feat, and the presence of the Lord was very graciously felt. This is as it should be. There should be nothing formal or cold when partaking of the elements representing the broken body and shed blood of our Lord and Savior.

We were glad to have parties from Linneus worship with us Sunday morning. They were good listeners and seem to have enjoyed the service.

Next Sunday morning Miss Elizabeth Wells of India will speak. This will be the regular Thank Offering of the W. F. M. Society. We ask that Miss Wells be given a good hearing.

The Ladies Aid will give a chicken pie dinner at the Rest Room on Saturday of this week. Every one is invited to this fine repast. The fact that the Aid has the matter in hand is guarantee sufficient that you will have good service.

Sunday evening the pastor will occupy the pulpit and will bring a message, we hope, of interest and vital importance to all who may attend. And you are invited to worship with us. Have you a church home in Laclede? If not, you are welcome to make yourself at home with us.

The Ladies Aid Society had an all day meeting Monday at the home of Mrs. J. E. Marsh, bringing their dinners, and a fine spread was the result, beside their busy fingers quilting all day. During the gathering a business meeting was held and it was voted to put a fine Monarch range in the parsonage which was installed by Howard C. Carothers the same evening. No use to say how happily surprised the pastor's family is. Thanks, ladies! It was fine in you to do such a fine thing.
