

HIGH SCHOOL ECHOES

Prepared Weekly by the English Literature Class

Mrs. Harry Hall and Mrs. Lee Hamilton were visitors of the music classes last Friday morning.

Miss Lois Gould, a member of the senior class, was absent from school Monday on account of illness.

The members of the art class have been busy making baskets, and painting designs on scarfs, sofa pillows, etc., to be given as Christmas gifts.

The physical geography class are now having special reports on the study of rivers.

Miss Hazel Slusher will leave Friday afternoon for Odessa, where she will spend the Xmas holidays with her parents.

Miss Lucile Havens was absent from school last Monday.

Several former L. H. S. students, who are now attending school away from here, are home for the Xmas vacation.

The Parent-Teacher Association met in the high school assembly hall Wednesday afternoon. More patrons should show interest in their children by attending these meetings. There is a meeting held every month at 3:00 p. m. Come.

Miss Merle Myers will leave Saturday morning for Gower to spend the vacation with her parents.

The boys basket ball team played a game with the Brookfield team on the latter's court last Friday evening. The score was 27-11 in favor of Brookfield. The boys expect to play a game with the same team on the home court Friday night. Come out and yell for our team. "United we stand, divided we fall."

"Three cheers for the ice and the snow(?). There wasn't enough snow for sled rides, but there's plenty of ice, and many students are enjoying the fine skating. Make time count in the eight periods of the school day in order not to stay the ninth period, and come enjoy forty more minutes of fun.

Miss Allene Byrd, a senior of '21-'22, was a visitor in the art class Monday morning.

The Laclede Public Schools have been granted a week for Christmas vacation. So all "us kids" are free from Friday until January 1. Hurrah for Xmas!

An officer was showing an old lady over the battleship "This," said he, pointing to an inscribed plate on the deck, "is where our gallant captain fell."

"No wonder", replied the old lady, "I nearly slipped on it myself."

Miss Trippier will spend the Christmas holidays at her home in Linneus.

served on Saturday evening, December 23, at 7:30. This is the first time that we have observed White Christmas and we are sure that everyone will enjoy it.

The week December 31 to January 1, is to be observed as a week of prayer by all our churches of the southern Baptist convention. Our Womans missionary society is observing the week.

All services as usual next Sunday.
Let us keep our plan before us constantly.

Careful, Now!

During December and January the United States government is to pay back to the people of this country millions of dollars in redemption of War Saving Stamps bought five years ago. Several thousand dollars of the general sum will come into Laclede and vicinity.

Those millions represent a considerable part of the savings of our people, and as savings should be carefully guarded. The money paid by the govern-

ment should be immediately re-invested where it will start working again to bring in dividends to the investor. And, for the very reason that most of the holders of War Saving Stamps will re-invest their money in some other dividend paying proposition, their money is in danger.

For, already, dishonest promoters are at work getting ready to harvest their crop of suckers from among those to whom the government is making payments. All sorts of fake stocks and bonds, promising big returns, will soon flood the market, and worthless, although pretty paper will be foisted upon an unsuspecting public.

So, be careful how you re-invest your money. Don't expect to find a safe investment that will pay you extra large interest returns, for you can't get something for nothing in this old world, you know. Better take less interest and keep your capital than take promises of getting rich quick and lose your all. If you are in doubt about the value

of making an investment ask any banker and take his advice. For we are sure he will advise you right.

It has also been our observation that the man who takes his own time never has any left over.
