Why Believe in Nuxated Iron A Strength-Builder for the Nation By E. Sauer, M. D. Probably no remedy has ever met with such phenomenal success as has Nuxated Iron. It is conservatively estimated that over three million people annually are taking it in this country alone. It has been highly endorsed and used by former United States Senators and Members of Congress. Physicians who have been connected with well-known hospitals have prescribed and recommended it. Monseigneur Nannini, a prominent Catholic Clergyman, recommends it to all members of the Catholic Church. Former Health Commissioner Wm. R. Kerr, of Chicago, says it ought to be used in every hospital and prescribed by every physician. Sarah Bernhardt, "the Diva of the World," the world's most noted actress, has ordered a large quantity sent to the French soldiers to help give them strength, power and endurance.

Dr. A. J. Newman, late Police Surgeon of the City of Chicago, and former House Surgeon Jefferson Park, Chicago, says Nuxated Iron has proven through his own use to be of great value in the treatment of the nerves, strengthening the muscles and correcting digestive disorders.

Dr. H. E. Vall, formerly Physician in the Baltimore Hospital and a Medical Examiner, says that time and again he has prescribed Nuxated Iron and surprised patients at the rapidity with which the weakness and general debility were relieved by a renewed feeling of strength and vitality.

If you are not strong or well, you owe it to yourself to make the following test: See how long you can work, make them three times per day after meals for two weeks. Then test your strength again and see how much you have gained.

NOTE—Nuxated Iron, which has been used by former Members of the United States Senate and House of Representatives, and other prominent people with such surprising results, and which is prescribed and recommended above by physicians in the most varied variety of cases, is not a patent medicine, nor secret remedy, but one which is well known to druggists and whose ingredients are widely prescribed by eminent physicians everywhere. Unlike the older iron compounds, it is easily assimilated, does not injure the bowels, makes the stomach up to the stomach; on the contrary it is a most potent remedy in nearly all forms of indigestion, and makes the stomach down conditions. The manufacturer, through great confidence in Nuxated Iron, that they offer to furnish any quantity of Nuxated Iron, if they cannot take any man of woman under 60 who lacks iron and increases weight,
