Some Biscuit and Cake

are light, sweet and wholesome, while others are sour, heavy, bitter, unpalatable. The same flour, butter, eggs and sugar are used; what makes the difference?

It's all in the baking powder

DR. PRICE'S CREAM BAKING POWDER can be depended upon always to make the food light, sweet, delicious and wholesome. This is because it is scientifically and accurately combined and contains the purest grape cream of tartar, the most healthful of all fruit acids, used for a hundred years in the finest leavening preparations.
