### DEATHS.

**HATTIE ROSENBERG CHAFFEE** wife of Miron C. Chaffee, died at her home on West Eastwood, Marshall, Saturday evening at 8:30, of a complication of ailments. She was born in Tuskaroy county, Ohio, on Nov. 11th, 1845. She moved with her parents to Mobile county, Ind., when 2 years of age.

She was married to her now bereaved husband, M. C. Chaffee, on the 1st day of January, 1866. Together they came to Missouri the March following and settled in this city. Seven children were born, six of whom were present at the funeral, one dying in infancy.

She united with the M. E. Church in Marshall in 1869, and remained faithful member to the day of her death.

She had reached the ripe age of 60 years, 3 months and 5 days. She rests from care and responsibility and her work of love and mercy will follow her.

Mrs. Chaffee had been ailing for several years, but was able to be up, and she attended the double funeral at Malta Bend several weeks ago. She was complaining at the time, and grew worse immediately after, possibly having exposed herself too much.

The surviving children are: Mrs. Belle Meier, of Clarks-ville, Ark.; Mrs. Hattie McRoberts, Malta Bend; Scott Chaffee, Sedalia; Norman, Charles and Joseph, Marshall.

O. H. Rosenberg, of Carrollton, is a surviving brother, who attended the funeral with his son.

Funeral services were held at the First M. E. Church Monday afternoon at 1:30, conducted by Rev. J. M. Carter, of Malta Bend, who preached a very comforting and helpful sermon. The remains were laid to rest in Ridge Park cemetery.

A striking feature of the funeral was the large attendance of Marshall's leading citizens and the many beautiful floral offerings, showing the high esteem in which this good lady was held. Many kindly deeds are credited to her during her many years of residence in this city.

To the sorrowing husband and family we extend our deepest sympathy.

### A. SCARBOROUGH

died at his home in East Marshall Sunday morning, aged about 75 years, of old age. He had been ill about a month. He is survived by

his wife and a cousin, S. R. Scarborough, of Salt Springs. His remains were laid to rest in Ridge Park cemetery Monday afternoon after services at the First Presbyterian Church, conducted by Rev. J. E. Abbott.

Probably few knew Mr. Scarborough better than the writer. When able, he was a regular caller at our office for his daily reading matter. He said little to anyone it seems, but he several times related us small bits of his interesting life history. He and colored neighbors to whom he owed much in his last days. Among those who kindly ministered to him were: Chas. Henschen, Jas. Whitney, Tom and Edw. Fowler.

When his serious illness became known a number of Marshall's prominent citizens came to his relief and did all could for the old gentleman, prominent among whom being Dr. M. T. Chastain.

### T. F. PAYNE

whose death we mentioned last week, died on February, 14th, aged 45 years, of pneumonia, at his home in Kansas City, Kansas. He was raised in the Salt Springs neighborhood and was familiarly known as "Pink" Payne. His funeral took place at the M. E. Church at Malta Bend on Friday afternoon, February 16th, conducted by Rev. J. M. Carter. There was a very large attendance.

### MISS MAY CHAPMAN

died at her home in Slater, Tuesday of inflammation of the bowels, aged 17 years. She was the daughter of Mrs. J. M. Chapman. Her father preceded her in death on Dec. 6, 1903. After funeral services in Slater, her remains were laid to rest in Ridge Park cemetery yesterday.

### JAS. CARROLL

died at his home in the extreme southeast corner of Saline Sunday evening, Feb. 18th, of dropsy, aged 87 years. He received a paralytic stroke two years ago. His remains were interred in the family burying ground near by. He was a prominent and highly respected citizen.

### J. B. WEST

of Orearville, aged 83 years, died on February, 19. Deceased had been sick about two weeks and was surrounded at his death by his wife and six children, who are, Henry and Edward West, of California; Mesdames R. M. and Simeon Brown, Millard Allen and A. West, all of the county. The funeral took

## LIVE STOCK MARKET.

National Stock Yards, Ill.  
Feb. 21, 1906.

A good moderate run of cattle early this week net with a slightly lessened demand as compared with a week ago. Beef and butcher cattle are selling slow to a dime lower. Outside of one 6-cent bunch there has been nothing good in the beef steer line. We sold several bunches of 100-day fed Kansas steers weighing 1277 to 1303 at \$5.10 to \$5.45, also a good many good quality light weights and plain quality heavy weight natives, at \$4.75 to 5.00. Best heifers brought \$4.65, prices ranging down to \$3.00 to \$3.75 for commoner lots. Best cows \$4.50; bulk \$3.50 to 4.00. Killers are strong competitors for all pretty good weight feeding steers that show any flesh. Not enough stockers and feeders coming to supply the demand.

Our bullish views on hogs are reflected in a 75 cent advance since Feb. 1st. The fancy price \$6.30 was paid here Monday and Tuesday; \$6.25 sales being pretty plentiful and the bulk of the packing grades going at \$6.10 to \$6.20.

Sheep values practically unchanged; lambs a quarter lower. A fair grade of stockers selling \$4.00 to \$4.35 and western lambs around \$6.65. Very few native sheep coming.

Any reader of the Republican is welcome to write us for more specific information than can be given in our space here. Evans-Snyder-Buel Co.

place from the Christian church at this place on Wednesday afternoon.

### HIRAM HORNER

aged 87 years, died at the home of his son, Albert Horner, who lives about 8 miles north of Slater, Wednesday morning. His funeral took place yesterday from the residence to Good Hope, where his remains were laid to rest.

The deceased was one of the pioneer citizens of the county, and has lived in the neighborhood where he died for many years. Six children survive. They are Albert and John Horner, Mrs. Nannie Wilks, of Gilliam, Mrs. Ella Wilks, of Cole Camp Mo., and Mrs. Alice Favors, of Marshall-Slater Rustler.

### MRS. SUSAN CROCKETT

died at the home of her stepson, J. F. Crockett, near this city, on Monday, Feb. 12th, 1906, at 10 o'clock a.m., aged about 85 years. She has been ill for some time. Mrs. Crockett was the widow of the late Rev. Robert Crockett, who was an old settler in this community. The funeral was conducted by Eld. C. Q. Shouse at Salt Fork church on Tuesday afternoon at 2 o'clock.—Nelson Time Card.

For Sale—125 head of good native yearling steers, coming two year olds. Will sell all or in lots. Come and see, or call me over the Saline county phone 44 on 704.

## BIG FIRE

### Colvert Bros. Big Barn Burned.

At 12:30 Thursday morning (yesterday) the big barn owned by Colvert Bros., near the C. & A. depot, was found to be on fire and an alarm given. The fire department found they could do nothing towards putting it out and so devoted their energies to surrounding property. They were kept busy till 7 in the morning. The loss is estimated at between \$4000 and \$5000 with insurance of only \$1400. The barn contained eleven horses, used in the drayage business and valued at about \$150 each, which were all burned to death, and also contained much baled hay, street sprinklers, etc. One of the horses belonged to W. J. Finley.

The origin of the fire is unknown and is supposed to have been caused by electric wires.

The firm consists of W. H. and Henry S. Colvert, who have the sympathy of the public in their loss.

### Shortage

There was quite an excitement in Marshall last week when the news was spread that a shortage had been found in one of the banks. The young man, whose name we are asked to withhold out of consideration for his family and relatives, had charge of the books and had for years been manipulating the figures so that his stealings were not detected. He was on a salary of \$90 per month and got behind with the bank to the amount of \$4800, which was made good by his relatives. He is not under arrest, but is out of a job.

He was under bond, so that the bank was in no danger of a heavy loss.

### A Mystery Solved

"How to keep off periodic attacks of biliousness and habitual constipation was a mystery that Dr. King's New Life Pills solved for me," writes John N. Pleasant, of Magnolia, Ind. The most common cause of eye troubles is a defect in the curvature of the eye ball which causes light to focus either in front or back of the retina.

To overcome a defect of this kind, one has to strain the muscles of the eye, which causes headaches, nervousness, etc.

## DIED FOR FRIEND

### Fatal Accident at West Glasgow Sunday.

In saving her friend from being crushed under the wheels of a freight engine, Miss Annie May Digges, of Glasgow, lost her own life.

The tragedy occurred on the west approach of the Chicago & Alton bridge. Miss Digges, Miss Louise Arthur, and two other young women of Glasgow had walked across the bridge, and were nearing the end of the west approach, when they heard a train behind them.

All four ran and three got safely off the embankment, but Miss Arthur stumbled and fell on the track in front of the rapidly approaching train.

Miss Digges seeing the peril of her chum ran to her, and exerting all her girlish strength, threw her bodily from the tracks.

At the same instant, the pilot of the locomotive struck the heroic rescuer.

Miss Digges was instantly killed. Her chest was crushed in and she was thrown twenty feet from the track.

Miss Arthur escaped with slight bruises. The other two young women were not harmed, but the shock of seeing their friend killed, has prosprated them both and they are unable to give a coherent account of the accident.

Conductor Joe Smith, who was in charge of the freight train said:

"We were running on a down-grade, with a heavy coal

train. When we saw the young women on the track it was too late to stop the train before we reached them. They heard the engineer's warning whistle and had plenty of time to get out of danger, and would have done so had not one of the young women stumbled. It was a most deplorable accident, but I do not see how it could have been avoided.

"The young woman who lost her life was a true heroine. I never heard of a more sublime example of self-forgetfulness than her action in running back into danger to save her fallen friend."

Miss Digges was one of the most popular and attractive girls of Glasgow, and the entire town is mourning her death.
