**NEWTON & LEONARD,**  
MARSHALL, MISSOURI.

**Mrs. J. J. Smith**  
died at her home at Sharon Monday at 1.45 a. m., aged 32 years, of strangulation. Mrs. Smith had been afflicted with a goitre for several years but was enjoying good health and attended services at Bethel church the night before. She got up just before her death and went to the porch in order to get more air when she fell dead into her husband's arms. She was a member of Bethel church and was an earnest christian worker.

She leaves a husband and four children aged from 2 to 10 years. Also five brothers and one sister as follows: Robt., Richard and J. Will Allen, of Slater, L. A. Allen, of Malta Bend, Rev. A. S. Allen, of Bristow, I. T.; Miss Myrtle Allen, of Slater. Funeral services were conducted at the residence of J. Will Allen at Slater at 3 p. m. Tuesday afternoon.

**Mrs. R. A. Kirby**  
nee Stipes, died suddenly at her home, 6 miles northeast of Gilliam, at 10 p. m. Saturday night, of a ruptured blood vessel.

She had been well up to within a few days of her death when she was taken with severe coughing spells. Saturday night she said she felt one of the spells coming on and took some medicine the doctor left her. When she went to coughing a blood vessel was ruptured and she fell over dead. This is a very sad death as her departure leaves eleven children motherless, aged from 5 to 25 years.

She also leaves to mourn her departure, a husband and five brothers—Lee Stipes, Fayette; H. P. and B. F. Stipes; Slater; W. D. Stipes, Childress, Texas; J. H. Stipes, Marshall; and a sister, Mrs. W. C. Stipes, of Carroll county.

The funeral services were held at the Gilliam Methodist church at 10 a. m. Monday, conducted by Rev. Wolfe. Burial in Gilliam cemetery.

**John Colson**  
who formerly resided in Salt Pond township, died suddenly of heart failure Sunday, June 9th, at his home near Dunkburg. He died very similar to John VanBuskirk, reported last week, seated in his chair. He was 69 years old and leaves a wife and eight children.

**David E. Wade**  
died at his home on West...

33 years, of heart failure and dropsy.

Mr. Wade married Miss Marie Osborne, of this city, in 1895 and together they went to New York City to reside. His health failing they returned to Marshall a little more than a year ago and engaged in the photograph business over Gill's book store, but owing to Mr. Wade's poor health they had to give that up also. He had since then been sinking gradually. The funeral took place Friday afternoon at the residence and burial at Ridge Park cemetery.

**Frank L. Woodson**  
a former Marshall citizen, died at his home in Armstrong on June 12th, aged 84 years.

**Mrs. Ella Brown**  
relict of Henry J. Brown, died at her home near Fairville Friday night of cancer and a complication of ailments aged 63 years. She was born and raised in Saline and is said to have been a most excellent lady. Four children survive the mother. Funeral services were held at Mt. Carmel Sunday at 10 a. m.

**In Memoriam**  
John VanBuskirk was born in Hardy county, Virginia, December 22, 1837, died near Cretcher, June 11, 1907. He was the son of Mr. and Mrs. Henry VanBuskirk. Out of a large family only two survive, Mrs. E. J. Cretcher and Edward VanBuskirk, of near here. Mr. VanBuskirk leaves a wife and an adopted daughter, Mrs. Edgar King, of North Dakota, and the brother and sister above mentioned. As a neighbor no better one could be found and he was a Christian and a good man, loved by all who knew him.

Mr. VanBuskirk had been ill for a month or so but able to be up as he fed his team on the morn'g of his death, and then went into the kitchen and sat down and in a moment or so fell out of his chair dead. We all miss our friend and neighbor who has gone on before and we extend sympathy to the bereaved. The funeral was preached by Rev. Carter at Antioch June 11, 1907, after which the remains were laid to rest in the cemetery. People came for miles and the house would not hold all the people. "Nearer my God to Thee," "Valley of Eden," "Jesus Lover of my Soul," "All the Way my Saviour Leads," "Some day the Silver Cord will break," and "Home Over There," were the songs that were sung.

**John Baker**  
died in New York City on June 13th as the result of an accident. His remains were brought to Marshall and after funeral services at Walker's Undertaking parlors and at Ridge Park cemetery, conducted by Dr. W. H. Black, were laid to rest at the latter place. He was 74 years old. As he had no regular place of abode and his son is a M. V. C. graduate it was decided to bring him here.

**Picnic at Little Rock**  
Ehler Bros. are arranging for their annual picnic and the date will be announced soon. This picnic is one of Saline's big events.

## TWO CENT FARE

### Went Into Effect Wednesday morning

The 2-cent passenger fare law and the maximum freight rate law became effective Wednesday and will continue for ninety days. Federal Judge McPherson so ruled in United States circuit court Monday afternoon. He also announced the federal court had jurisdiction in the matter and would retain that jurisdiction. He further announced that until the ninety days are up the injunction which he granted the railroads restraining the state from putting the two laws into effect will not be effective. After ninety days each side will have figures from the practical test on which to base arguments.

The court did not criticize Attorney General Hadley for applying to the state courts for a restraining order, and did not comment on that feature, which greatly disconcerted the railroad attorneys when they were ready to ask the court to be allowed to file a supplementary bill last Friday. After ninety days argument will be made in the federal court, if the railroads persist in applying for an injunction, to have the two laws set aside.

Herbert S. Hadley, attorney general, said regarding the 2-cent bill:

"If at the end of three months the railroads want to litigate the reasonableness of these rates, the question of the jurisdiction of the state and federal courts to determine the question will be fought out and the state has lost none of its rights or advantages.

"The injunction suits I have brought against the railroad companies on the passenger rates in the state court will stand.

"As the reasonableness of the state law can be more speedily heard and determined by the federal court, on account of the fact that practically all the testimony necessary to the determination has been already taken there, it will be heard and decided in that court.

"The state is in the better position to win the case under the act of 1907 than it was under the law of 1905. I feel that the order made is both a moral and a substantial victory for the state."

## A CONVICTING SILENCE

### The Republican Wins all Four Challenges

We last week made four challenges, backed up by a cash forfeit, as follows: (1) That the Marshall Republican has more subscribers than any other weekly paper in Saline; (2) That it has more than twice as many as the Citizen (3) or Progress, (4) That the letter published by the Progress two weeks ago was not genuine. Crushing as these statements seemed to the uninformed, they have not been challenged. We were positive that we had nothing to fear, yet desired that these facts be publicly admitted. This paper deserves first place in the matter of circulation and we're going to see that it gets that place or know the reason why.

### Williams-Petry

Cards are out announcing the coming marriage of Franklin P. Williams, of Gilliam, and Miss Viola Petry, of Marshall, on Tuesday evening June 25th, at the residence of the bride's parents.

### Bought a Farm

H. B. Bristow, the well known Marshall decorator, Tuesday bought the James Herndon farm in the Mt. Olive neighborhood through Fisher & Gaunt. There are 534 acres and the price paid was \$3250, which included the crops. Mrs. Herndon's health makes it necessary for them to go south immediately and Mr. Bristow and family will take possession of the farm in about a month.

### The Locusts

In spite of the fact that many newspapers poke fun at the locusts for not appearing they are to be found in large numbers in the wooded places. They are busy little bodies. While one half are giving their concert, which by the way is a continual performance the other half are doing mischief to the young trees by laying their eggs in the limbs. Persons taking in the concerts are requested to keep their mouths closed, as they would as soon fly into one's mouth as eyes. They seem very stupid. We noticed one settle within two inches of a bird's head. The bird didn't seem very hungry but after considering a few seconds "fell to" without even saying grace. Let the editor who doesn't believe in locusts get a divorce from his office chair and take to the woods awhile and we'll soon have tales of pests like unto the plagues of the Egyptians.

### The Lowest Yet

The lowest price we have yet been able to make for a good daily we announce in this issue—The Daily St. Louis Republic and the Marshall Republican, together for \$2.50 per year. This gives you a good ten-page daily (Sunday excepted) and the best local county paper for a very small price. We can only make this offer to out-of-town people, and for a short time, so send in your names and cash quickly.

## CHATAUQUA ASSURED

### A Splendid Program Arranged for August 4th to Sept. 1st.

While Marshall People have been talking chatauqua for some years yet they have done nothing.

We can now definitely state that we will have a first-class chatauqua here from August 24th to September 1st, inclusive, consisting of 27 lectures, entertainments, concerts, etc.

At a meeting held at Murphy-Mills store Monday morning, composed of 18 or 20 men selected by the Commercial Club for this purpose it was decided to accept J. R. Howey's proposition to furnish talent for the chatauqua. His plans suited the committee well.

The meetings are to be held under a large tent that will comfortably seat 4,000 persons which will be located on the Eagle's ground just north of the square, and will be illuminated by electric lights.

The program will be varied and arranged to entertain, please and instruct all classes. It will consist of moving pictures, great lectures, music and mirth.

The Advisory Board is as follows: Dr. D. C. Gore, president; Rev. O. S. Russell, vice-president; Dr. G. E. C. Sharp, secretary; Geo. H. Althouse, treasurer; P. H. Rea, J. A. Walker, J. R. Phillips, Prof. E. J. Scott, J. W. Lacy, B. F. Taylor, Will Meschede, J. C. Paterson, J. J. Witt, C. D. Newton, R. S. Sandidge, G. G. Robertson, J. B. D. Garmis, C. M. Buckner, L. F. Leyhe, Chas. Potter.

The program has been selected and will be published as soon as definitely arranged. We will keep our readers well informed in this matter, and hope all Saline countians will arrange to take in at least the big events.

"Nearly two years ago I accepted a position as secretary and treasurer with one of the leading dry goods establishments of Galveston, Tex.

"The sudden change from a high and dry attitude to sea level proved too much for me and I became afflicted with catarrh and cold in the head, and general debility to such an extent as to almost incapacitate me for attending to my duties.
