

DEATHS

Mrs. Julius Lowenstein died suddenly at 1 p. m. Wednesday of heart failure, aged 74 years. Her death, like many other deaths here lately came as a complete surprise to our people, as she had been enjoying splendid health. She was one of Marshall's old and prominent citizens and had a large family and relationship, as well as many friends who are made sad by her departure. Her husband and ten children survive, as follows: Mrs. F. S. Hoffman, of Quincy, Ill.; Robert Lowenstein, Marshall; Mrs. Jacob Berg and Mrs. Adolph Berg, Marshall; Mrs. S. Wertheimer, St. Louis; Henry Lowenstein, Marshall; Mrs. B. Lesem, St. Louis; Ben and Louis Lowenstein Marshall.

Funeral services and burial will take place at Quincy, Ill., today, at which all the family, including grand-children, will be present.

SHAKE-UP AT COLONY.

Mrs. Osborne, Matron, Resigned Saturday.

As the result of charges preferred against Dr. W. L. Whittington superintendent of the Missouri Colony for Feeble Minded and Epileptics Mrs. Margaret D. Osborne, who has been matron for four years and three months, resigned at the board meeting Saturday, and it is generally understood that there will be other resignations at the next meeting of the board on Aug. 9th. At the board meeting Saturday all the members were present—Mrs. Dora Hall Stegner, of St. Joseph, secretary; Judge Wyatt, Dr. John R. Hall, Thos. W. Lacy, Miss Gordon, of Jefferson City.

The charges preferred against Dr. Whittington, we are told, are without good grounds, but were the cause of friction resulting as above. A number of the persons interested were approached and several were willing to talk but not for publication, but one of them promised a complete story "later on."

Mrs. Mamie Brown, of Fairville, was appointed to fill the vacancy caused by the resignation of Mrs. Osborne. The position pays \$600 and board.

Thos. Nugan, J. H. Hedges and Jas. Irwin took out a new threshing outfit from Marshall Tuesday.

DROWNED IN THE PACIFIC

Capt. C. W. Todd and daughter on Ill Fated Steamer.

Capt. C. W. Todd and daughter, Miss Annie S. Todd who left Marshall several weeks ago for a western trip boarded the steamer Columbia at San Francisco last Saturday. At 12.15 that night while the passengers were asleep, the Columbia collided with the San Pedro, a freight steamer loaded with lumber. Seven minutes later the Columbia sank with a frightful loss of life.

Among the passengers registered on the Columbia were Mr. Todd and daughter. As the rescued persons have been brought to shore their names have been announced to the world, but up to yesterday (five days after the accident) there had been no news from Mr. Todd or his daughter and neither have their bodies been recovered so that it is practically certain that they lie buried in the hull of the sunken ship. More than a hundred persons are unaccounted for and are no doubt lost. As the ships collided there was utter confusion, but by the heroic action of the crew of the Columbia life preserves were quickly strapped onto many of the passengers and by this means hundreds were saved in the few minutes before the boat sank. The life boats on the vessel were also used to the extent that time permitted to get them started.

Mr. Todd has a law office on the south side of the square and was well known in and around Marshall. He and his daughter were members of the Christian church. The daughter, Miss Annie, was one of Marshall's most loved young ladies—handsome, accomplished and popular, and her friends feel her loss keenly.

Mr. Todd also had two sons, one a Christian minister at St. Joseph and the other residing in California whom they were going to visit.

We expect to give a further notice regarding the missing ones next week.

DROWNED WHILE FISHING

Harvey W. King Lost His Life in Salt Fork Thursday.

Harvey King, J. E. Spangler and son, Harley, and O. G. Force drove north to Salt Fork last Thursday evening to fish. Near where the Miami road crosses the creek is a body of water known as Chamberlain Lake, where they changed clothes to go into the water to swim and fish. As they went into the water King went ahead and when it got too deep to wade swam on telling the others to follow but they turned back and went to seining for fish. A few minutes later they called to King but received no reply and after a search concluded he had drowned. They searched the lake but failed to find his body till a boat was sent out from Marshall Friday morning.

Mr. King was 41 years old and resided with his mother, brother, Jerry, and sister, Miss Minnie, on South Elsworth ave. He had been running threshing engines for a number of years and worked as a machinist at other times.

The funeral occurred from the residence Sunday afternoon. The invalid mother and brother and sister have our heartfelt sympathy. Many of our readers will remember his sister, Miss Minnie King, as she was employed in the Republican office as compositor for seven years and recently joined the Democrat News force.

Ran Into Telephone Wire

E. A. Carpenter, the racket store man, met with a painful but fortunately not serious accident Friday morning. He started out to deliver a Singer sewing machine in a two-horse rig. While driving along Grant ave. in the western part of town a sagging telephone wire caught the top of his buggy and tore it off. Mr. Carpenter was thrown to the ground and considerably bruised. The horses ran away and damaged the rig and also the sewing machine which was thrown out.

One of the serious recent railroad wrecks occurred near Detroit, Mich., Saturday when 30 persons were killed and twice as many injured on an excursion train bound for Detroit that ran into a work train. It was caused by the working crew disobeying orders.
