One Doctor—Only One

No sense in running from one doctor to another! Select the best one, then stand by him. No sense either in trying this thing, that thing, for your cough. Carefully, deliberately select the best cough medicine, then take it. Stick to it. Ask your doctor about Ayer's Cherry Pectoral for throat and lung troubles. Sold for nearly seventy years. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Why try this thing, that thing, for your cough? Why not stick to the good old reliable family laxative—Ayer's Pills? Ask your doctor if he approves this advice.
