MARSHALL, SALINE COUNTY, MISSOURI, JANUARY 27, 1911.

## DEATHS

**MRS. SARAH J. BLACKBURN**, died at the home of her son, Emmett Blackburn, at Beggs, Okla., on Friday, Jan. 20th after a severe illness of pneumonia. She was the widow of the late Wm. Blackburn. Her remains were brought to Marshall and taken in charge by Undertaker Walker and at 2 p. m. Saturday. Services were held at the Baptist church after which the remains were laid to rest in Ridge Park cemetery.

Deceased was married twice—in 1861 to Jesse Wood, to which union one son was born—Samuel Wood—who survives. After Mr. Wood's death she was married to William Blackburn and of this union four children survive—Emmett and Frank Blackburn and Mesdames Elizabeth Phillips of Beggs, Okla., and Dollie Allenburg of Oklahoma, City. Four sisters and two brothers also survive; Mrs. Jas. Cunningham of Mayview; Amanda Blackburn, Miami; Mrs. Kieth, Mayview; Mrs. Deal, north of town; Hayden and Henry Colvert.

Mrs. Blackburn was a splendid lady and had many friends here who are mourning her death.

**J. F. CROSS** mayor of Gilliam, and one of its old citizens passed to his reward last Friday, Jan. 20 after a short illness of pneumonia, aged 74 years and 5 months. Mr. Cross was born in Roxbury, Va.

He is survived by his wife and six children—Andrew, John F., William and Mrs. Lawrence Richardson of Gilliam, Harry Cross, of Marshall, Miss Georgia Cross, of Gilliam. Also 22 grand children.

He was a veteran of the Civil War on the union side and a staunch Republican, but not offensive, as no one had more friends than this splendid citizen. He was a man of kind disposition and always could be counted on as a friend. He was also industrious and steady and his word could be relied upon. He was a member of the Odd Fellows lodge.

His funeral occurred Sunday conducted by Rev. Wynn, pastor of the Baptist church. His life was full and well spent and his many friends mourn the loss of a truly good man.

**SAMUEL H. KENNEDY**, a former prominent citizen of Napton, died at his home in St. Louis Sunday, January 22d, aged 91 years.

Mr. Kennedy was married twice—first to Miss Rebecca A. Wilburn in 1852. Of this union eight children survive, Mrs. T. E. Crutcher, Mrs. James Thorp and Mrs. L. Stouffer, Napton; Stonewall, Samuel H. and Leslie, of St. Louis; William and Alonzo. The first wife died in 1866 and he later married Mrs. Hicks of Kentucky. Four children with the wife survive this union. Mr. Kennedy has for a number of years been a reader of the Republican and we had the pleasure of meeting him, being much impressed with him as a gentleman and have often heard him highly spoken of. He visited Napton and Marshall nearly every summer and was a welcome visitor to his relatives and many friends. He was a member of the Baptist church and lived a consistent Christian life. His funeral occurred at the Napton Baptist church Monday at 2 p. m.

**MRS. ELIZA DAWES** one of Saline's pioneer citizens, passed away at her home near Slater on Wednesday, Jan. 18th, at the age of 81 years. Death resulted from old age and pneumonia. Mrs. Dawes and her husband, the late I. M. Dawes, came to Saline in 1853.

Mrs. Dawes is survived by eight children—Edgar and Eugene Dawes twins; Hamilton, of New York City, Charles, I. M., Miss Martha, Mrs. Ida Miller and Mrs. Mollie Sterling, of Lemont. She was a splendid lady and consistent Christian. Funeral services were held Friday at 10 a. m. and burial in Orearville cemetery.

**MRS. MARY DANIEL** died at her home in Slater Tuesday noon of grip, aged 76 years. She is survived by the following children: Mrs. Jennie Hughes, Clinton, Kansas; Geo. E. Daniel, Slater; James E. Daniel, Portland, Oregon; J. A. Daniel, Kansas City. Funeral services were held at Highland Allen's Wednesday afternoon and burial in city cemetery.

**JOHN M. NULL**, who for many years has faithfully looked after the Miami postoffice died Sunday morning, January 22d, at the age of about 70 years, after a five or six weeks' illness.

Mr. Null was a splendid gentleman, kind and true, and while not an active working Christian, lived a consistent Christian life, being reared in the Methodist faith. He was in good financial circumstances.

He and Mrs. Null the surviving widow, had both been married before and have children of their own but none were born to this union. The widow has also been quite sick and her friends are doing all that they can to comfort and cheer her.

Mr. Null served in the Union army during the war and has been an active Republican worker during his life.

Funeral services were conducted Monday afternoon by Revs. Powell Jones and Saylor after which his remains were laid to rest in the Miami cemetery.

**THOMAS CHISWELL** died at Miami Wednesday after a week's illness of pneumonia, aged about 60 years. He is survived by several brothers and sisters, but was never married. His funeral occurred at Miami yesterday.

**W. E. WALLACE**, a former Saline Countian, died at the home of his daughter, Mrs. C. T. Lewis, in Kansas City Sunday, Jan. 22d, as the result of a fall on the slick ice on Jan. 15th. He formerly lived in the Napton vicinity but of late has been a resident of Dallas, Tex being on a visit to his daughter in Kansas City when the accident happened.

**MRS. OVERTON LEWIS**, who died in a Kansas City hospital on Tuesday from the result of an operation was the daughter-in-law of Add Lewis of this city. She was formerly Miss May Robertson of Kansas City. The remains were brought to Marshall and laid to rest in Ridge Park cemetery yesterday.

**MILDRED ACORD**—In last week's issue we reported the death of Ruth Acord of LaJunta, Colo. The father on his return home from the funeral here found Mildred very ill of scarlet fever and she died last Friday, Jan. 20th, aged three years. Their baby also has scarlet fever.

**ARTHUR EDWARDS**, a former Saline county young man, died at Charleston, Mo., several weeks ago at the age of 44 years. He was a jeweler by trade.

**SUSIE TAYLOR**, col., died at Slater Friday, Jan. 20th, aged about 50 years. Her remains were taken to Jas. Carter's private cemetery near Orearville for interment.

## Magazine Writer Shot

New York, Jan. 24.—David Graham Phillips has lost his brave fight for life. He died in Bellevue hospital late tonight, a victim of Fitzhugh Coyle Goldsborough, an eccentric and emotional musician, who, although of refined tastes and aristocratic Southern stock, shot the novelist down yesterday for a fancied grudge, then killed himself. Phillips fought valiantly to live, but six bullet holes were too much, even for his grit and sturdy constitution, and when 11.11 o'clock came he died.

He was conscious up to within a quarter of an hour of his death. At the bedside were his sister, Mrs. Carolyn Prevert; his brother Harrison W. Phillips his personal physician, Dr. Eugene Fuller and Dr. Donovan of Bellevue.

The immediate cause was hemorrhage of the right lung, which had been pierced by one of the steel-clad bullets from Goldsborough's automatic pistol.

## Births

**PUTSCH**—Mr. and Mrs. Wm. Putsch announce the arrival of a daughter on Jan. 23rd.

**HOWARD**—An eleven pound daughter was born to Mr. and Mrs. Clarence Howard, Sunday, Jan. 22d.

Mr. and Mrs. Jim Cunningham and two children of Mayview were in Marshall Saturday to attend the funeral of Mrs. Cunningham's sister, Mrs. Sarah Blackburn. Mrs. Jennie Keith of Mayview was also here.

## Special Car Attracts Many.

### Northern Pacific Educating Thousands.

The Northern Pacific Railway's special car, with an agricultural display from the northwestern states, in charge of District Passenger Agent D. B. Gardner of St. Louis, and John M. Fox and H. D. Bryning, immigration agents, was a big drawing card here Wednesday. The car was sidetracked on the C. & A. track near the Mose Land mill and was visited by hundreds of people, in fact they were kept busy all day showing the wonders of the great Northwest.

A great many of our people have been going to Texas and the Southwest of late, and the Northwest with just as good land, just as cheap, with a fine climate and its many opportunities is being overlooked. The railroad company is trying to divert this southwest movement into a northwestern one by educating the public with exhibits and the distribution of literature.

There are over 40,000,000 acres of the best Government lands in America located in the extremely fertile regions in Minnesota, North Dakota, Montana, Northern Idaho, Washington and Oregon, and traversed by the Northern Pacific railway, open for occupancy by actual settlers. The laws of the United States provide that citizens of the United States or persons who have declared their intention to become such can obtain lands.

The climate in the northern coast states is mild and uniform, no doubt a more delightful one than can be found in any other part of the country.

We hope the gentlemen will return.

## Osteopathic Operation

Rufus Clark, of south of town, who was hurt in a runaway last summer, will be operated on by an osteopathic surgeon today at his home. Dr. Still, of Kirksville, will be assisted by Drs. Nuckles of this city and a trained nurse from Kansas City. It is earnestly hoped that he will be benefitted although his case is considered very critical.

## Church News

The churches will be quick to welcome the head men of our new shoe factory, but how about the common workman? Will he be invited? Will he be welcome if he dares intrude? It all depends on the amount of genuine religion in our churches. We know there have been many telephone workmen in our city for months and they haven't been going to church and as far as we know haven't been asked to do so.

The Ellen Bowen Missionary Society of the First Presbyterian church entertained the ladies of the church at their annual Praise Meeting Tuesday afternoon at the home of Mrs. B. M. Spotts. A pleasing program and dainty refreshments were features of the afternoon. These annual occasions are a source of pleasure to the ladies of the church as well as a means of income to the society, the thank offering amounting to \$16.50.

Rev. E. F. Abbott, of Boonville, is the guest of his brother, J. E. Abbott and will preach at the First Presbyterian church next Sunday morning.

Regular services next Sunday by Cumberland Presbyterians at the hall, preaching morning and evening. Sunday school at 9.30 Christian Endeavor at 6.30 p. m.

## Didn't Like the Indians

J. P. Fulkerson, of Mt. Leonard Mo., a wealthy farmer of Saline county, who brought 3 carloads of feeders here this week, related some of his cattle experience: "In 1872," he explained, "I drove cattle from Texas up across the Indian territory to Winfield, Kansas. On one trip the Indians came upon us and after parleying around a while, they shot and killed 10 of our best cattle, and feasted on their carcasses right before our eyes. They cut off the raw meat after removing the skins, and ate it with an apparent relish. Near Pond Creek they killed and scalped a white man, I saw the man soon after the killing. That ended my Wild West deals in cattle and I went back and settled down in the garden spot of Missouri, where I have been farming and feeding cattle ever since. But I have been down across that country since, and found towns and cities where there was not a white man in a day's travel in 1872."—Drover's Telegram.

## Dividing Line of Republicanism

Washington, Jan. 24.—The future dividing line in the Republican party was indicated in the senate today in speeches by Senator Smoot of Utah and Senator Cummins of Iowa, and the fact of this division was pointed out by the latter.

Closing a speech in opposition to the Cummins joint resolution for the amending of congressional rules regarding amendments to schedule tariff bills, the Utah senator took a position squarely against schedule revision.

"I accept the challenge," said Mr. Cummins, "and am prepared to say that I believe that the division here outlined will constitute the issue of the future."

Referring to the fear expressed by some senators that the interests of the farmers would be imperiled by piece-meal legislation, Mr. Cummins said the time never could come when agriculture would not be the dominant interest in a majority of states, rendering it certain that agricultural products never would be discriminated against in the matter of legislation in the senate.
