## DEATHS

**ABRAHAM RUMMANS**, who has been an invalid at his home on West Boyd for years, succumbed to his ailment Thursday morning, Nov. 2d, about 9 o'clock.

While Mr. Rummans knew and said he would never be able to be up again, he was resigned to his fate and we always found him cheerful. He was one of the Republican's oldest readers and best friends and we feel his loss keenly. Although a great care, his good wife did all in her power to make his last years comfortable and pleasant.

Mr. Rummans was first married to Miss Emily Ward of this city in 1865 as he returned from the war, Father Nordyke officiating. To this union the following children were born: Mrs. Margaret Burch, Mrs. Olive Bolan, Robt. L. Rummans who died seven months ago, all of Kansas City.

The surviving widow was his second wife. By the second marriage he is survived by Mrs. Chas. Small, Misses Nannie and Mabel, Thomas and Turley, all of Marshall.

Mr. Rummans enlisted in the Union Army during the civil war and was commissioned a lieutenant, serving with honor to himself and country. He drove a stage coach on the Santa Fe trail before and after the war driving mainly to Arrow Rock, but sometimes to Sweet Springs.

Funeral services were conducted at the residence Friday at 2 p. m. by Elder Wharton after which the remains were laid to rest in Ridge Park cemetery.

The pall bearers were Grand Army veterans and comrades of deceased—J. D. Harre, Jacob Fink, J. D. Billingsley, M. C. Chaffee, J. D. Sanger and J. S. Coffman.

**JOHN PONCE JOHNSTON**, second son of Mr. and Mrs. O. W. Johnston, died at their home on South Jefferson at 2 a. m. Sunday after a three week's illness of typhoid fever.

John Ponce was born in Caldwell, Texas, Oct. 22, 1892, and he came with his parents to Marshall in 1897. He was a bright and manly young fellow and has many friends. While it was known he was very sick his death came as a great surprise.

He spent last year in a big hardware store in Chicago and on his return assisted at his father's store until school when he enrolled at M. V. C. He was a member of the Houxonian Literary Society and of the Y. M. C. A. He was steady and faithful as well as industrious and much liked.

Funeral services were conducted at the residence at 2:30 p. m. Tuesday by Rev. A. H. Stephens, assisted by Dr. W. H. Black after which the remains were taken to Ridge Park cemetery for burial. The funeral was largely attended.

Death is sad under all conditions but the taking away of a young life like this is unusually so and the family has the heartfelt sympathy of the community.

**THOMAS C. DOAK** an old and well known Saline county citizen, died at his home at Norton Wednesday after a short illness of paralysis. He was 80 years old and a bachelor. He was born in Howard county, but has resided in Saline most of his life. He came to Marshall regularly and was well known here. While a little eccentric, he was well liked and always pleasant. He is survived by two sisters—Mrs. Anna Duggins and Mrs. Blanchard. Rev. Paris conducted funeral services at Norton Thurs-

day after which the remains were laid to rest in Ridge Park cemetery.

**MRS. C. C. BARNETT** died at her home, three miles southeast of Marshall, at 1:30 a. m. Tuesday Nov. 7th of paralysis.

She had been sick several years but was bedfast only about four weeks. Funeral services were conducted yesterday at 10 a. m. at the residence by Rev. B. T. Wharton after which the remains were taken to Smith Chapel for burial. We will give a more extended notice next week.

**WM. RAYLE** died at his home in Sweet Springs on Friday, Oct. 27, 1911. He was born in 1817 and was twice married. He was the father of eight children. He and his wife had lived in this city only since last August, coming here from Morgan county during that month. He had been a sufferer for some time with dropsy. One of his children had recently come home to wait on him. Saturday afternoon the remains were buried in Fairview cemetery.—Sweet Springs Herald.

**FLORENCE BANGLE**, a little daughter of Mr. and Mrs. John Bangle of near the Mo. Pac. depot died on Nov. 1st of typhoid fever. The remains were sent to Gilliam Thursday and interred in Fish Creek cemetery. Several others of the Bangle children are sick.

**MRS. MARTHA ELIZABETH HARVEY** died at her home in Pueblo, Colo., recently at the age of 88 years. She was a prominent church worker and well known here, having resided here. She was the mother of Mrs. Jesse Marr of this city.

**REV. CHAS. W. WRIGHT**, col. led at his home in Napton at 1 p. m. last Saturday, Nov. 4th of Bright's disease, aged about 65 years. He had been suffering a long time and was confined to his room quite a while. Mr. Wright was a Free Will Baptist preacher and a splendid citizen. He was also a member of the U. B. F. lodge which had charge of the funeral which occurred Sunday at the Camp Creek cemetery. He is survived by a wife and number of children.

**RICHARD RHOADES**, col. died at the county farm Monday aged about 85, although he claimed to be over 100 years old. His remains were laid to rest that afternoon in the potter's field.

### Maine Stays Dry.

Augusta, Me., Nov. 6.—Maine retains constitutional prohibition. Governor Plaisted and his council late tonight decided to accept the corrections in the vote of four towns, cast in the special election in September, thus reversing the result as indicated on the face of the first official returns.

Returns on election day, September 11, indicated a majority of about three hundred against the repeal of the prohibitory amendment, but later the official count showed a majority of twenty-six for repeal. The announcement tonight was that Maine retained constitutional prohibition by 758 votes.

Governor Plaisted at the end of the meeting said that at an early date, probably in February, he would call a special session of the legislature to "submit an amendment to the constitution which will permit the enactment of laws concerning the liquor traffic which are capable of honest enforcement because sustained by the sentiment of the several communities to which they will be applied."

## Shot While Hunting Rabbits

### Former Saline Citizen Meets Sudden Death.

While his wife was preparing breakfast last Friday morning S. T. Little was shot and killed at his farm 2 miles from Miami station.

Mr. Little told his wife he would take his rifle and go see if he could shoot some of the rabbits infesting his orchard. But in one short hour he met with a fatal accident. After Mrs. Little had got breakfast prepared she and son and daughter became uneasy at the prolonged absence of their husband and father who was so punctual to his meals and when they investigated they found their loved one lifeless with his rifle near him. He was lying near the fence and in getting over the rifle was discharged as only one place on the temple indicated the cause of death and all are confident it was purely accidental.

No one but those who have had such a sad misfortune can fathom the depth of sorrow of those when they found the husband and father silent in death.

And the family know he never had another thought than of returning to them for the early meal.

Mr. Little was born in 1852 in St. Louis county and was married to Miss Annie Waldon, May 1876. He came to Saline county when quite young and was in business in Saline county. He was druggist in Grand Pass in 1888 to 1895 he then moved to Malta Bend, then to Carrollton, and was in the druggist business until two years ago when he and family went on their farm.

Mr. and Mrs. Little's home was blessed with twelve children. Six have gone before six still here. One of their daughters, Miss Emola died just five months ago. He leaves two brothers and two sisters.

He was buried in Prairie Ridge cemetery. His funeral was preached in the Christian church at Miami station Sunday. Beautiful floral offerings were brought for a last tribute.

Mr. Little was upright in business, good to his family and the bereaved wife and children have the sympathy of their friends. It is not all of life to live, nor all of death to die.

And as the years go by, God expects all to be ready to meet His summons.

Be steadfast and abound in faith and love to God

And some day the mists will clear away, And God will reveal why loved ones are called.

Brothers and sisters.

### Accidentally Shot

While out hunting Wednesday afternoon Fireman V. V. Griggs, was accidentally shot by W. M. Johnson, about sixty bird shot striking him on the legs between the knees and ankles. He was brought home immediately and Drs. Caldwell and Jarvis called to see him. Some of the shot lodged just under the skin but many of them entered the flesh to a considerable depth and the physicians think the wound serious, but not dangerous unless inflammation should set up.

Griggs, Johnson, George Roller, and Dr. A. R. Shoemaker were hunting together in a corn field when the accident happened. Johnson shot at a rabbit running between two rows of corn and just as he pulled the trigger, Griggs who was standing in an adjoining row and not seen by Johnson, kicked at the rabbit. About forty shot hit on the right leg and about twenty on the left.—Slater Rustler.

### Walking to California

We noticed an unusually large family on our streets last Thursday and learned that it was Chas. Cousins and family of St. Louis who are on their way overland to San Diego, Cal., seeking a more congenial climate. Mrs. Cousins died recently of consumption and the others fearing a like fate are going west. They go mostly afoot although they have a covered wagon and supplies. There were seven children and some of them married, a total of 13 in the group.

Green Mound school, south of Shackelford, will give a box supper Friday night.

### Circuit Court

The following divorce decrees were granted:

Nellie E. Reynolds from Claud B. Reynolds.

Annie L. from Jas. D. Brown.

Josie from Henry Thomas. William from Corneil's Britt. Laura from Wm. Morris.

Henrietta from Earnest Hammer Mary from Daniel G. Finley. Martha J. Brown from Geo. W. Brown (the Browns reside near Blackburn.)

Lillian from Edgar Evans. Ernest from Francis Thomas. In the divorce case of Jessie Madison vs. Roy Madison, withdrawn by plaintiff.

Wm. Armstrong also dismissed suit against his wife Zola. Iva J. Noel also dismissed her divorce suit against Dr. J. A. Noel.

The Blackburn Mercantile Co. was granted a decree of dissolution.

### Court News

In the divorce case from Sweet Springs of Stallings vs. Stallings, Judge Davis refused a divorce to Mr. Stallings and also threw out Mrs. Stallings crossbill.

Sylvester Crutchfield and Essie Mason, col., were fined \$300 on a plea of guilty before Squire Ferrill. Being unable to pay they will serve a six months term in the county jail. It would be a fine chance to get the read between Marshall and Sweet Springs in good shape—it would take them about that long to do the job, and it would help along on their board bill.

City Marshal Butts, of Slater Saturday brought up Theodore Lewis col., whom he arrested on a charge of bootlegging the night before. Failing to furnish bond he was placed in jail.

Check forgers have been having a hard row of late. John Willis about a week ago passed a worthless check on the New York Racket for \$25, with the signature of Claud Drew attached. Willis was arrested at Slater Saturday and is the third of a trio boarding with the county on the same charge.

County court is in session this week.

### Around Town

FOR SALE—Electric fan, new Panama straw hat, fancy summer suit, at a bargain, or will trade for overcoat or coal stove and a ton of coal. John Hardup, anywhere, U. S. A.

W. F. Boyd, who told us about John Hyatt's poor steers last week, is sorry now. He says he tried to butcher one of the steers. After shooting it, he cut its throat and then it ran him up a tree until he was nearly frozen. He thinks it was a case of revenge!

People who do not train their children have the satisfaction of knowing that they will sooner or later be disgraced by them. The biggest scape-goats in our high school are the boys who are coddled and humored at home and who, like their parents, feel they own the earth. The boys, fortunately few in number, will make a failure in school and be stumbling block to the others. They will go on bluffing their way through life but you can't fool the people.

W. W. Haines Friday went a rabbit hunting. He usually does things up right so he did the same that day—took his horse and buggy and the dogs along. He came home tired that evening with a lone rabbit and admitted the dogs had caught it!

### Births

A fine daughter was born to Mr. and Mrs. Joseph Martin of 470 Miami Ave., Friday, Nov. 3d. They named the little girl Bess. She was born on Mrs. Martin's 30th birthday anniversary, and on their daughter's ninth birthday, making the day one of triple importance.

A daughter was born to Mr. and Mrs. Geo. Weber of Sweet Springs on Tuesday of last week.

A son was born to Mr. and Mrs. J. B. Coyle of South Ellsworth, on Thursday, Nov. 2d.

The first concert at M. V. C. will be given in Stewart Chapel this afternoon at 3:30.

### Rodgers Completes Flight

Pasadena, Cal., November 5.—Aviator Galbraith P. Rodgers, approaching a successful completion of his forty-nine day ocean to ocean "jaunt" across the American Continent, soared into Pasadena today at a mile a minute clip on the last spurt of thirty miles from Pomona and dropped from an altitude of several thousand feet to a graceful landing in Tournament Park.

Official figures of Rodgers flight given by his manager total the distance at 4231 miles and the flying time at 424 minutes or eighty two hours in the air. He started from New York September 17.

Rodgers appeared on the eastern sky line shortly after 3 o'clock. He was sighted by telescopes from the solar observatory on Mount Wilson, and word flashed down the mountain by telephone brought 20,000 persons to Tournament Park.

Rodgers hovered over Pasadena a few minutes, then circled in a wide spiral and alighted on the greensward. His landing was a signal for a rush and Rodgers was mobbed. The aviator says his ribs surely will manifest black and blue marks.

It is a courtesy to your guests to see that their names appear in the local newspaper. It is due your friends and yourself that when visiting you their names would appear in the paper. Some one in the family should inform the paper of sickness in the home. Remember that the newspaper is made by human hands and brains and is the item concerning yourself or your friend does not appear, it is largely your fault, so always phone No. 2.

Mrs. A. C. Potter returned from a visit to her daughter, Mrs. O. H. Madorie, at Kansas City Saturday morning. Mr. Potter, who had been making the best of things in her absence was so happy on her return that he came near handing us a \$5 bill.

F. W. Miles, one of our leading grocers, last week leased the Gen. W. Brown stand and will move into same about Dec. 1st. He is closing out some of his lines as advertised in this paper.

### Curtius-Maddox

Benjamin L. Curtius, son of Mr. and Mrs. L. B. Curtius, and Miss Frances Maddox, daughter of Mr. and Mrs. W. T. Maddox, of Blackburn, were married at the bride's home, Saturday, Oct. 28th. Rev. M. Larkin, the bride's uncle, officiating. The young folks are prominent in the community and the wedding attracted much interest. After a visit to friends in Illinois, they will return to Blackburn to reside. We join in extending best wishes.

### Irvine-Young

A wedding which has been rumored about for some time occurred Thursday evening when John W. Irvine and Miss Nadine Young were married at the home of the bride's mother on Eastwood by Rev. A. R. Paris. The wedding was quite a social event, the
