

AUTO ACCIDENT RESULTS IN DEATH

Miss Tessie Chaffee, of Kansas City, Victim—Other Deaths.

Our people were saddened last Saturday afternoon by the news of the death of Miss Tessie I. Chaffee, the handsome daughter of L. S. Chaffee, of Kansas City, who was here visiting among her many relatives and friends.

Miss Chaffee was the guest of her cousin, Miss Nell Darling, several days and Saturday Miss Darling invited her to take an auto ride with herself, her friend Emilin Kelly and Mr. Kelly's cousin, Forest Kelly, both of Independence, who had that day come down in their car. They had come over the Santa Fe Trail and in order to see more of it before returning home decided to take a run towards Arrow Rock. They left here in the best of spirits at two o'clock. At 2:30 they were out about four miles and were making the turn near the H. H. Harris place when the auto plunged into a fifteen foot ditch killing Miss Chaffee almost instantly by breaking her neck. In making the turn the driver did not notice the deep ditch on account of the weeds and when he did see it, it was too late. One front wheel of the auto went over the end of the culvert at the corner and the machine turned over into the ditch. This is a very dangerous point and one that should be protected with a guard or warning of some kind. A wooden culvert near by is also badly in need of repair and should be attended to.

Miss Chaffee, the unfortunate young lady was born in Waco, Texas, on August 1st, 1891 and came to Marshall with her parents in 1898. She completed a course in our public school and attended the high school two years. During the last two years of her stay here she made some with her uncle, M. Chaffee, Jr. She was a very handsome and lovely young lady and had many friends. Her death came as a sad blow to her father, who it will be remembered lost his wife also in an unusual manner five years ago. She had a tooth pulled which caused her to bleed to death.

The young men in the car are not being blamed, as it is considered an accident which under the circumstances could not be avoided.

The funeral was held at the M. E. Church, South, at 3 p. m. Monday, Rev. A. R. Faris conducting same. There was a very large attendance and many beautiful floral offerings from friends here and distant places. After the services her remains were laid to rest in the family lot in Ridge Park beside her mother, and brother, Roy. The L. O. O. F. lodge furnished the pall bearers.

Among those present from a distance were Mr. and Mrs. L. S. Chaffee and family of Kansas City, Clark Berry, of Kansas City; E. L. Kelly, of Independence; Ernest Ashley, an uncle of the girl; Carl Ashley, a cousin; Mrs. Hastings, an aunt, and her son, all of Kansas City; Myron Meier, a cousin, of East St. Louis; Mrs. Anna Ashley, her grand-mother, of Springfield, Ill. We join in extending heart-felt sympathy.

MRS. ALEXANDER HINTON

died at her home near the Christian church Wednesday morning, August 28, 1912, at 3.30. She had been sick a long time and her death was not unexpected.

Mrs. Hinton was an active member of the Christian church and will be greatly missed. She was president of the Ladies Aid, active in the C. W. B. M. and other branches of the church work. Her greatest pleasure was in church work and doing good.

She was born near Malta Bend on May 8, 1866, being 46 years old. She was the daughter of Jerry K. Miller who died about eight years ago. She is survived by the husband, three sisters and two brothers.

The funeral is set for this afternoon Friday, at 2:30 at the Christian church.

ROY LEE GARRISON

oldest son of Mrs. Ida Garrison, 281 Park Ave., Kansas City, Kansas, died August

30th, 1912, of typhoid fever, aged 20 years and 3 months. His remains were interred at Sweet Springs August 21st. Deceased was a grand-son of Louis Cook of near Sweet Springs. He is survived by his mother, three brothers, one sister, two grand-fathers, two grand-mothers and a host of friends to mourn his death.

MRS. SARAH C. CAMPBELL

died at the home of her son, Mr. Robt. W. Campbell, on West Washington, Monday August 26th, at 10 p. m. after an illness commencing last winter.

Mrs. Campbell was a faithful member of the First Presbyterian church and a splendid lady. At the age of 33 she was left a widow with seven children and it meant a struggle to bring them up properly, but she met the situation bravely and had the satisfaction of knowing that her duty was well done, as her family have succeeded well in life.

Mrs. Campbell was born in Kentucky in 1843 and moved to Marshall 33 years ago with her children. She is survived by six children—Dr. N. W. Campbell of Abilene, Kas., Robt. Campbell, Marshall; Mrs. B. E. Houghton, J. W. Campbell and Mrs. Nat Anderson, of Dallas, Texas; Mrs. J. W. Horner of Alma.

Dr. W. H. Black conducted funeral services at the First Presbyterian church yesterday afternoon at three o'clock.

Stepped on Chicken Bone, Dead

A very sad and unusual death occurred Sunday at 5 p. m., when Mabel Hamilton, the 8-year-old daughter of Mr. and Mrs. Thos. H. Hamilton, of Blackwater, passed to the better world. She stepped on a chicken bone a short time ago and received a slight wound. She was taken sick Friday evening with blood poisoning followed by meningitis, or tetanus.

She was a very nice little girl and the pride of her father, who is heart-broken and confined to his home. The remains were laid to rest in the Nelson cemetery on Monday evening.

Another Auto Accident

William Bagnell, of St. Louis, and brother of Thomas Bagnell, of this city and Robt. Bagnell, of Nelson, was killed in an auto accident near Colorado Springs. It was difficult to get full particulars before going to press, but it seems the auto plunged off of some trese work Tuesday night and injured Mr. Bagnell and others in the car. Mr. Bagnell died Wednesday morning. His brother, Tom, is also out in Colorado and they expected to meet in Denver Wednesday.

Deceased is owner of an automobile business in St. Louis and was in Marshall only two weeks ago visiting his brother. A Mr. Beck, here with him at the time, is also badly injured.

Saline Horses Win

Chas. Gorrell returned Saturday morning from Fayette where he and his son, Garnett, entered their horses, Brown Walnut and Little Harry, in the races, and carried off the honors. Brown Walnut, by Walnut Bay, won first money in the 30 pace Wednesday and the same in 20 pace Thursday. Little Harry, by Harry Axtell, won first Wednesday in the 25 pace and second in the 18 pace Friday. Both these horses were raised by Mr. Gorrell and raced by Garnett. Mr. Gorrell is very much pleased by his success.

PROGRESSIVES HAVE ORGANIZED

Saline County in Line With a Complete Organization.

About thirty-five delegates from various townships of the county met in the circuit court room on Monday at 11 a. m. with R. P. Gwinn, chairman and Dr. A. H. Snoddy temporary secretary. They were made permanent officers after the appointment of committees adjournment was taken to 1:30 p. m.

The committee appointed to suggest names for delegates to the state convention in St. Louis on Sept. 3d reported as follows:

Delegates—W. J. Brown, E. R. Crockett, Otto Ruppert, A. H. Snoddy, T. J. Claycomb, C. F. Elsner, Dan Ehlers, B. H. Steele, J. M. Ansell, J. S. B'shop.

Alternates—W. S. Newell, R. P. Gwinn, J. H. Allen, A. C. Gwinn, J. M. Terrell, J. T. McAllister, T. F. Hupp, John Boggs, M. O'Hearn, W. E. A. Zink.

The committee's names were accepted and delegates given authority to cast the ballots of absentees at the state convention.

C. F. Elsner requested the convention to join Pettis county in an invitation to Col. Roosevelt to visit the State Fair, which was done.

C. F. Elsner, John Boggs and J. T. McAllister, the committee named by the chair to suggest delegates to the congressional and senatorial conventions, reported as follows: Congressional, C. U. Hall, with J. L. Pritchard as alternate. R. P. Gwinn with Dr. R. H. Nuckles, alternate.

Senatorial, John B'shop and G. L. Browning.

Following this a complete county ticket was named:

J. T. McAllister, representative.

E. R. Crockett, county judge, first district.

J. H. Coulter, county judge, second district.

O. H. Leimbrock, prosecuting attorney.

W. D. Haas, sheriff.

R. N. Taylor, assessor.

L. D. Montgomery, treasurer.

John Dean, surveyor.

R. P. Gwinn, public administrator.

Dr. J. D. Jackson, coroner.

A resolution was passed endorsing the Progressive platform and national candidates.

Dr. A. H. Snoddy, of Slater, was first nominated for coroner but declined and gave as a reason that he had a natural dread of corpses. C. F. Elsner then suggested naming a doctor who isn't afraid of his patients after they are dead. This "brought down the house" and the doctor will no doubt hear of it many times before the joke is worn out.

J. M. Ansell was named provisional county chairman and R. P. Gwinn secretary.

Organized Charities

Through the personal efforts of Miss Frances Napton, a move has been started for the organization of a system of charities for this city. Miss Napton is doing her work out of an unselfish desire to benefit the city and is not receiving pay. She has secured the signatures and co-operation of all the business men and many citizens.

Daily solicitations from all kinds of people for aid forces the community to protect itself.

A few benefits from organized charities, managed on business principles, are

- 1—Prevents vagrancy and house to house begging.
- 2—The temporary needy from coming pauperized down-and-out loafers.
- 3—Moving beggars who make systematic trips on charity.
- 4—Diseases may be scattered by traveling beggars.

To provide proper care in the way of food, clothes, rest, medical and other attention for those who need help and ask for means to earn a living.

To promote a united effort for all interested in their neighbor's welfare, to act wisely and justly in handling all applicants.

Co-operation by all organizations giving to charity, means that none will be swindled.

The expenses of it is sufficient reason for organizing a system of charities.

Church Notes

The Mt. Horeb Missionary Society gave a basket dinner and picnic at Sulphur Springs on Thursday, August 22d, which was well attended and a most enjoyable occasion. This day was the regular monthly meeting day but following the custom begun several years ago they make one day each summer serve as a day of rest and enjoyment.

William Booth, general and commander-in-chief of the Salvation Army, died in London on Aug. 26th, at the age of 83 years. He was the founder of the organization which has been a wonderful power for good among the poorer classes in the cities. He was succeeded by his son, Bramwell Booth.

Dr. E. M. Thompson, of Fort Worth, Texas, will address the union meeting on the First Presbyterian church lawn Sunday evening on "The Sunday Question a World Problem." All welcome.

The ladies of Harmony church will give an ice cream social Saturday evening to which all are invited.

Rev. Clarence Hodge has returned from his vacation with the quiet resolve that he will make his sermons short and if possible right to the point. He was highly entertained on a Sunday morning while away by watching a man pound out a sermon one hour in length. He determined that he would nevermore exceed the time limit. "Short Sermons" is his motto from now on. Next Sunday morning he will speak in the basement of the First Baptist church where it is cool and pleasant. His subject will be, "The Gardens of God." The sermon will illustrate the likeness of flowers to folks, closing with the passion flower which is like its Lord. You are kindly asked to come.

Rev. R. C. McAdie, the new pastor of the First Presbyterian church, will be here in time to preach Sunday, Sept. 15th.

Reva. Faris and Hodge have returned from their vacations and resumed their church duties.

Rev. Thomas, of Fort Worth, Texas, will speak at the M. E. Church, South Sunday morning on Sunday observance.

Under the new law, it is not permissible at first and second class post offices to make delivery of mail on Sundays in any form, with the exception of mail bearing special delivery stamps, which will be delivered by messenger as usual.

The Deal Off

It is generally reported that the Republican had purchased the M. E. Church building burned. We had reached an agreement with several of the trustees but the quarterly conference at Malta Bend Monday set the price \$500 higher. It was planned to rebuild the structure so that it could be used by the Republican and Democrat. News, but there is no truth in the report that the papers could combine.

Why Not Missouri Valley College?

Missouri Valley College is an endowed institution, located right at your door, where you have the advantage of small college life within a few hours of your home.

It is unnecessary to enumerate the advantages of life in a small college as compared with university life. The collegian in the small college takes more active part in the college activities, social, dramatic, literary, athletic. He knows the instructors, and the instructors know him and take a personal interest in his welfare.

Graduates have been successful in active life. They have gone into Eastern schools, like Columbia, Cornell and Harvard with full credit for all work done at M. V. C. Opportunities for the two years re-professional college work now required by most universities are exceptional. After the completion of the Bachelor's degree, including pedagogical studies, a three-years certificate is granted by the state to those wishing to teach. Upon the completion of two successful years of teaching within the three-year period, a life certificate is granted. This is the highest certificate obtainable in Missouri. No man graduating from M. V. C. this year receives less than eighty dollars per month in educational work. The Dean served for several years in the office of the Superintendent of Public Schools, and is a practical school man. He has been very successful in placing graduates.

The faculty of M. V. C. includes graduates and post-graduates of H. BLACK, D. D., LL. D. Marshall Mo., or Dean ISAAC NEWTON EVARD, M. A. Marshall, Mo.

Among the Teachers

Miss Esther Heilert, of Warren-ton, spent a day this week with her uncle, J. J. Witt and family, on her way to Higginsville, where she will teach German and Latin in the High School.

W. B. Cowgill, a graduate of M. V. C., has completed three years abroad traveling and studying. He won a \$1500 traveling scholarship at McCormick Theological Seminary in Chicago and he spent his first year in Norway the second and third in Germany. He wrote to Geo. H. Althouse that he would shortly return to the states.

Miss Erdice Grube left Monday for Wellsville to teach Latin and German. Miss Bessie Grube will teach at Butler and Wallace at Webster Groves.

Miss Maud England, who spent six weeks pleasantly at the home of Mrs. Mollie Minor west of town is the guest of Misses Ruby and Pearl Scott this week. She expects to leave today for Macon where she will teach mathematics in the high school. She has a nice position.

Miss Grace Rolofson leaves today for Kingston, Okla., where she will teach Latin and English in the High School.

Miss Anna Hoy will teach Forest Grove school near Arrow Rock.

Miss Mary Slater requests us to announce that she will open Fair Play school near Wanamaker Monday, Sept. 2d.

Some Strange Sights

Miss Lillian Durrough, of Montreal, Canada, and Louis Clairmont of Aurora, Ill., returned home Friday after a two weeks visit to Wm. Weirich's, north of town. Miss Durrough says she saw her first mule after reaching Saline and that she hadn't seen a Negro in 15 years till she took this trip.

(Scotland) Columbia University. N. Y., John Hopkins, Leipzig and Berlin, Germany and Princeton. They are men and women of wide experience as well.

The new Domestic Science Department will be in charge of a Knox College and Johns Hopkins University graduate—you know what that means. Athletics will be in charge of Steward W. Gieriel, of the University of Pennsylvania. The Music School will be stronger than ever under Claude L. Fitchorn of Philadelphia and Miss Lillian M. Kreiser, of Kansas City.

Expenses are lower than in the Universities and in most Missouri towns. This year a new boarding house for girls, with every modern convenience, will be opened. Meals and room range from \$1 to \$4.50 per week. Room rent in the men's dormitory, equipped with electric light and steam heat, baths, is one dollar per week. Good meals can be obtained for \$3. Many students spend less than \$300 for the nine months' schooling, several work their way.

Missouri Valley is favored in being in an ideal college town, where the cost of living is low. It is a college of acknowledged high standing. She offers a wide curriculum with exceptional opportunities to those preparing to enter professional schools and to teachers.

Missouri Valley College Wants you and will welcome you heartily. Full information may be obtained by addressing the President, WM. H. BLACK, D. D., LL. D. Marshall Mo., or Dean ISAAC NEWTON EVARD, M. A. Marshall, Mo.
