Bids for the exclusive programs and souvenir score-card privilege for the 1911 football season, exclusive of the Kansas game, will be received up to June 1. The privilege will go to the highest bidder subject to the conditions named in a contract, copy of which may be had at my office.  
C. L. BREWER.

No use in our talking about the good points of the TAYLOR NURSERY. Just look at the above cut and you will see for yourself. The very thing you need for the good of the infant. And it is a handy thing for the mother, too. It preserves the baby's health as well as the mother's. Is strictly sanitary and a safe place.

EVERY MOTHER SHOULD HAVE ONE

*"Tis BETTER to trade with us than to wish you had."*

# San Antonio

A foreign tour on American soil!

Even Continental Europe cannot show you more interesting ruins and relics of mediaeval times than are here. These splendid old Spanish missions, located within eight miles of the city, offer an incentive for the most delightful rides and drives—if any incentive were needed other than the fine roads, the beautiful scenery and the perfect weather. Come to San Antonio this winter and match your skill against some of the golf enthusiasts that make this city their winter rendezvous. Join in an exhilarating polo game—hunt, fish and follow the hounds—"get into" the dances, balls, banquets and theatre parties. Forget the hard work and the harder weather of the north and give yourself up for a while to this place of summer pleasures.

### The best way to go is by the Katy

—the only line with its own rails from St. Louis or Kansas City to San Antonio; no delays—no missed connections for it is "Katy all the way". It is but a short trip of delightful comfort from either point.

For cost of tickets, schedules, etc., write to  
W. S. GEORGE, General Pass Agent  
Wainwright Bldg., St. Louis, Mo.
