FIELD MADE BRIGHT

Lights, Band and a Large Crowd Contribute to Successful Event.

With a band playing, horses prancing, footmen in livery strolling about the ring and a gaily dressed audience, the annual commencement horse show opened last night on Rotunda Field. It was the crown of Columbia's large social event of the spring. Those who knew horses and those who did not know them sat side by side in the stands.

The events turned into a competition between Columbia owned horses and the outside world, with Miss Loula Long of Kansas City, Joseph T. Harris and E. D. Moore of Columbia leading in percentages. Miss Long's horses took three first prizes, and one third. Mr. Harris won one first, one second and one third. Mr. Moore came in for three firsts, one second and two thirds. Blades & Holman of Holliday, Mo., also ranked high in the averages.

The work of the Dink L. Parrish high school horse, Belle Beach, ridden by Tom Bass, the well-known negro trainer of Mexico, Mo., brought much applause from the audience. The horse went through the high school stunts in great style.

The sensation of the evening's show horses, when Miss Loula Long of Kansas City, the only entrant, drove into the ring in a light phaeton with her footman in livery perched upon a monkey seat in the rear of the vehicle. To complete the picture, a small bulldog rode in the seat with Miss Long.

READY FOR A BIG DAY

M.U. Alumni Will Come Into Own on Tomorrow's Program.

Alumni from far and near—alumni from the eighties and probably earlier to the present class of '16—will come into their own at their Alma Mater, Old Missouri, tomorrow, when the annual reunion of graduates will be held.

The third day of the seventy-fourth annual commencement week is practically given over to the alumni program. At 10 a. m. the annual alumni address will be given by Forrest Donnell, A. B. '94, U. S. B. '07 in the University Auditorium. The title of his address will be "The University."

At 11 a. m. the annual business meeting of the Alumni Association will be held, also in the auditorium. At that time definite action will be taken by the association relative to the proposed Student-Alumni Union plan.

Alumni whose efforts were rewarded by election to Phi Beta Kappa will gather at the Virginia Tea Room at 12:30 o'clock for the annual luncheon. After the luncheon a series of informal talks will be given, with President Walter Miller presiding.

The first effort in recent years to organize the various classes for cooperation in various undertakings of the Alumni Association will be made at 2:30 p. m., when the classes represented at the morning session will meet in separate rooms in Academic Hall to effect organizations.

"The suggestion of the association office is that each class elect a secretary, who will be responsible for keeping records of the class, and a business agent, who will be the man to go to with class matters," said Secretary H. H. Kinyon this afternoon. "That is the plan followed by eastern universities. Then, when a special fund by classes is wanted to further such a plan as the Student Union now before us, co-operation among the members can be obtained."

The University Cadet Corps will give a special dress parade on the West Campus at 4 p. m.
