The entire amount was obtained a few days ago, and the note was paid. John N. Taylor and E. W. Stephens each gave \$200 toward the payment of the note. The remainder was obtained in small subscriptions.

The Rev. T. W. Young, pastor of the church, made a brief statement regarding the note and the way it was paid. W. H. Guitler, chairman of the trustees of the church, then got a dish for the note, and Mrs. E. W. Stephens, president of the Ladies' Aid Society, laid the note on it. E. E. Higbee 1, Centralia 0.

## NEXT SUNDAY'S GAMES

Columbia at Mexico.  
Centralia at Moberly.  
Higbee at Paris.

The Columbia Browns got their heavy artillery in action for just one big inning yesterday afternoon, and the Moberly Athletics, Central Missouri League leaders, were defeated. The score was 6 to 5.

McCamley, a right-handed hurler, former member of the pitching staff of the St. Louis Browns, was the Moberly sacrifice to Columbia's slugging. The second session was the fateful one.

Moberly had gathered two runs when Columbia assumed the offensive. Taylor, the first man up, walked. Mason hit to left, putting George at second. McClish duplicated Mason's act, and the manager came home. Blake, shortstopping for Moberly, scooped up Ding Davis' ground-er and chucked it high over first, and Mason trotted in, Davis going to second.

## Bryant Brings in Two.

Ed Hill lifted one to Nichols for the first out of the inning. Bryant then dropped a Texas leaguer behind second, tallying McClish and Davis. Foster hit a double over the right field fence, scoring Bryant, but was out trying to reach third. Dippold followed with a two-base hit, but Vogt lined to Van Studdiford, stopping the carnage.

Columbia had the best of the argument from then on until the fifth, when Moberly counted three more, and the game was in a knot. Three hits, one a three-bagger, and an error were the ingredients.

It was anybody's game then. Both sides took the count in the one-two-three order until the eighth. In the home half of the seventh, Nichols, who plays right field for Moberly, made a catch that should have a place in the archives of Central Missouri League history. Foster had sent one high and wide into right field. Nichols, misjudging the ball, hurled the fence, turned, reached back over the fence and caught the ball with his gloved hand about six inches from the turf.

## Browns Win in Eighth.

Dippold was safe when Hasler missed his hot grounder in the home half of the eighth. Vogt laid down a perfect sacrifice bunt, advancing the slugging German to second. Manager Taylor then lifted the game from the fire by doubling down the left foul line. Mason hit one to left that bounced off of C. Williams' glove. At this juncture, McCamley, who had suffered much during the afternoon, was taken from the mound and Duvenic was sent to the firing line. He held them safe, causing both McClish and Davis to ground straight into his mitt: The box score follows:

## THE WEATHER

For Columbia and vicinity: Unsettled weather tonight and Tuesday, with showers; not much change in temperature. For Missouri: Unsettled weather tonight and Tuesday, with showers; not much change in temperature.

## Weather Conditions.

The atmospheric pressure this morning throughout the United States and Southern Canada is arranged in a series of moderately high and low pressure waves; consequently there is no fixed, or generally fair weather, type. On the other hand, the tendency is rather more to unsettled conditions than otherwise, although up to 7 a. m. there had been no general rains.

The precipitation of the last twenty-four hours fell in a comparatively narrow strip beginning on the North Pacific Coast, crossing the mountains and thence following the general trend of the Missouri to the Mississippi. From there it followed the Ohio and St. Lawrence valleys to the Atlantic. Moderate to heavy local showers also fell in Florida. Temperatures continue below the seasonal average in all districts.

Unsettled and showery weather will probably prevail in Columbia for the next thirty-six hours or more.

## Local Data.

The highest temperature in Columbia yesterday was 79, and the lowest last night was 58; precipitation, 0.0; relative humidity 2 p. m., yesterday, 52 per cent. A year ago yesterday the highest temperature was 78, and the lowest 58; precipitation, .75.

## BAKER TAKES STEPS TO SEND OUT MILITIA

Congress Acting on Bill to Make Entrance Into Mexico Legal.

## NEW NOTE IS READY

Will Refuse Carranza's Demand That the U.S. Troops Withdraw.

By United Press. WASHINGTON, June 19.—Secretary of War Newton D. Baker took steps this afternoon to make possible the entrance of the militia into Mexico.

The special resolution which was introduced into Congress, if acted upon favorably, will make effective that section of the new law which gives the Government the authority to order state militia into foreign territory immediately.

Secretary Lansing admitted this afternoon that the conditions, the excitement and the irritation are greater in Mexico today than ever before. This is considered the most significant statement in weeks.

Consul Silliman and other Americans in Mexico are hurrying from the interior to the border. The note refusing Carranza's request for the withdrawal of the American troops will be forwarded this evening. It is thought that this will bring about a clash between the two nations.

Government officials are pleased with the favorable reports from the mobilizing of militia throughout the country.

The railroads have agreed to furnish all the trains necessary for the transportation of troops and supplies, regardless of conditions.
