EIGHTH YEAR

COLUMBIA, MISSOURI, FRIDAY, JUNE 30, 1916

NUMBER 260

MANY CELEBRATIONS PLANNED THE FOURTH

Prairie Grove, Mexico and Centralia Will Have All-Day Affairs.

COLUMBIA TO REST

\$10 Prize to First Couple Marrying at Ashland on Public Platform.

Because Columbia will have no official celebration on the Fourth, citizens and students need not fear a lack of festivities. Some of the smaller towns within reasonable short distance of Columbia have arranged for various entertainments, most of which will be all-day programs.

Columbia's activities will be limited. The faculty has declared the Fourth to be a holiday. Classes, however, will be held as usual on the preceding Monday. No one will be excused without "good reason" and any "cutting" Monday will result in negative credit. This rule is in effect also during the regular session.

The celebration here will really begin July 3, with the showing of the Government's "Safety First" special train, which will be parked on the tracks at the M. K. & T. depot on Monday and will be exhibited free to the public between 1 p. m. and 9 p. m.

For the Fourth, numerous picnics, hikes, tours and dances have been arranged.

Golf Play to Be Held Here.

On the golf links handicap golf matches will be held in the afternoon. Each player will be given a definite number of handicap strokes with which to beat bogey. Eighteen holes will be played. Prizes will be awarded.

Prairie Grove, eight miles northeast of Columbia, is making preparations for a fish fry. Athletic contests and speaking will be features. A ball game will be played between Millersburg and Prairie Grove.

At Centralia "big doin's" will be held. Athletic contests, declarations and other activities are planned. The big event, however, will be the baseball game in the afternoon between Mexico and Centralia. This will be a regular league contest. Mexico is close on the heels of Moberly, the leader, while Centralia is right behind Mexico.

Mexico Will Celebrate.

Mexico will also entertain on the Fourth. The Catholic Church will have charge of the festivities in the afternoon, while the Elks will manage the entertainment at night. Races of all kinds—of mules, bicycles, automobiles and human beings—will be held. A ball game between the Elks and the Catholics will be played in the afternoon. There will be fireworks and a dance in the evening.

A balloon ascension and a flower parade will be features of the celebration at Ashland. Racing and speaking will form part of the day's pleasure. The climax, however, will be a public wedding. The committee in charge of arrangements has announced that it will award a prize of \$10 to any couple who will be married between speeches on the speaker's platform.

ENROLLMENT STILL CLIMBING

1,302 Students Are Now Attending the M. U. Summer Session.

Today is the twentieth day of the Summer Session, and students are still entering, even though the Fourth of July is so near and the much-to-be-desired Monday holiday is lost.

John Calvin Wright, a former student of the University, registered today, bringing up the total enrollment to 1,302. J. M. Frost of Weaubleau registered yesterday, making 1,301. Frost was graduated from the Warrsburg Normal School in 1908. Both men are entered in the School of Education.

Two Attend Sorority Convention.

Misses Grace Pearce and Jessie Hill are in Ithaca, N. Y., this week attending the national convention of the Kappa Kappa Gamma sorority. The convention will end Monday.

THE WEATHER

For Columbia and Vicinity: Generally fair and continued warm tonight and Saturday; with day temperature ninety or higher.

For Missouri: Generally fair and continued warm tonight and Saturday.

Weather Conditions.
There has been no material shift in the general arrangement of atmospheric pressure within the confines of our reports; and consequently there have been no changes in the weather.

Typical mid-summer weather prevails in practically all of the country east of the Rocky Mountains. Yesterday, with temperatures ranging between 90 and 100 degrees, was the warmest day thus far of the season in all of the principal grain and cotton states.

Local showers occurred in the West Gulf, and East Atlantic states; and they were more or less general in the Canadian border states from Michigan to the Pacific Coast.

Fair and warm weather will likely continue in Missouri over Saturday.

Local Data.
The highest temperature in Columbia yesterday was 91 and the lowest last night was 72; precipitation .00; relative humidity 72 p. m. yesterday 43 per cent. A year ago yesterday the highest temperature was 83 and the lowest 63; precipitation .90 inch.

The Temperatures Today.

2 INJURED AT NEVADA

J. O. Rankin's Leg Broken, J. S. Rollins' Ankle Hurt by Motor Cycles.

J. F. Barham, University photographer, and F. B. Rollins received telegrams this morning from Camp Clark, Nevada, Mo., which said that J. O. Rankin's leg was broken and J. S. Rollins' ankle was fractured last night in motor cycle accidents.

Mr. Rankin was knocked off his motor cycle by an automobile last night. J. S. Rollins ran into a hole with his motor cycle, fracturing his ankle, but is not seriously injured. He will remain at the camp until he will be able to join his company.

FIRST REGIMENT IS ENTRAINING

Officers Expect 1,200 Missourians to Leave for Texas Today.

NEVADA, Mo., June 30.—The First Regiment of the Missouri National Guard broke camp today and began entraining. Officers expect the first detachment, 1,200 strong, will start for Laredo, Tex., late this afternoon.

Columbians Fail to Pass Test.

NEVADA, Mo., June 30.—Captain Major has reported that the following members of the Columbia Machine Gun Company did not pass the physical examination: Corporal G. C. Breckenridge; privates G. W. Cable, G. K. Phillips, W. W. Hocker, H. A. Hulen, W. R. Glendye and J. O. Rankin.

BOY SAVES FRIEND FROM CREEK

Arthur Burgess Pulls Joe Logan Out on Third Sinking.

Arthur Burgess, son of Dr. and Mrs. R. M. Burgess, saved his friend, Joe Logan, from drowning in the creek on Miller's farm Wednesday.

Several small boys had gone out for a picnic. When they were in the creek, Logan, who could not swim, went beyond his depth and came near drowning. Burgess saw him and pulled him out as he was going under for the third time.

The boys used artificial respiration to revive him, and he soon recovered.

27 MARRIAGE LICENSES IN JUNE

This Is Largest Number Issued in a Month, So Far This Year.

Twenty-seven marriage licenses were issued during June, according to figures from the county recorder's office. Only seventeen were granted during the same month last year. During the first six months of last year, 116 licenses were issued. The number issued this year is 129, a gain of 13.

ALUMNI UNION BOARD WILL DISCUSS PLANS

Directors to Start Machinery for Organization Tomorrow.

MAY RENT BUILDING

Membership Campaign Will Begin—Will Use Educational Plan.

The directors of the Missouri Student Alumni Union will start the machinery of the organization when they meet at 2:30 o'clock tomorrow afternoon in the Alumni Room, Academic Hall.

The directors will make plans for securing the membership of those who are eligible to join the organization. The question of renting temporary quarters to start the Union, the forms for life certificates, dues and an educational plan to explain the purposes of such a Union to alumni will be among the subjects considered at the meeting.

According to the provisions of the constitution adopted May 31, "Any person who is, or has been, a student in the University, a member of the faculty or officer of the University may become an active member upon payment of the annual dues."

The purpose of such a Union and a building is to bring the alumni closer to the welfare of the University and to provide a clubhouse for alumni when they visit the University. The Union idea will also provide a central meeting place for the students, where the democratic spirit will be fostered.

The following men were elected directors of the Union on May 31: alumni members—Gardner Lathrop, Chicago; E. W. Stephens, Columbia; C. B. Rollins, Columbia; T. T. Crittenden, Kansas City; G. H. Moore, St. Louis; F. C. Donnell, St. Louis; R. B. Caldwell, Kansas City; Judge C. B. Faris, Jefferson City; Mrs. E. F. Nelson, Jefferson City; faculty members—President Hill and Prof. George Lefevre; student members—law, Carson Cowherd; agriculture, H. B. Wait; engineering, George Duren; medicine, Glenn Johnson; commerce, D. J. Owen; journalism, Don Patterson; education, Paul Lomax; graduate, D. H. Holloway; arts and sciences, Ray E. Miller.

The officers, who were chosen by the Board of Directors, are: President, R. B. Caldwell; vice-president, Ray E. Miller; recording secretary, Don Patterson; corresponding secretary, H. H. Kinyon; treasurer, S. F. Conley. The office of manager will not be filled until a building is rented.

J. S. Brown, L.L.B. '91, a Chicago lawyer, has already paid \$100 for a life membership. C. B. Rollins of Columbia has pledged \$1,000.

WAR BENEFIT HERE NETS \$50

Dancing, Refreshments and Raffle Popular at Sigma Chi House.

The Junior Red Cross society gave a benefit at the Sigma Chi house from 7:30 to 12 o'clock last night. The lawn was decorated with Japanese lanterns of many colors. There the ice cream and cake was served at small tables by girls wearing nurses' uniforms. Caddy and punch were served in booths.

Just before the dancing, which began at 9 o'clock, there was a raffle. Miss Mary Susan Estes won the prize, a frying-size chicken.

About \$50 was cleared. This will be used for troops in the field if necessary. Otherwise it will be turned over to the National Red Cross organization.

Students at Y. M. C. A. Plan Party.

Summer Session students at the Y. M. C. A. Building will give a party to the students of the University Monday evening, July 10. This is an annual affair for the dormitory students. T. W. Jackson is chairman of the general committee to arrange the party; J. C. Harmon, of the entertainment committee, and F. S. Voss, of the refreshment committee.

Visits Father, Who Is Ill.

Henry R. Rusk, associate professor of animal husbandry in the University of Illinois, is in Columbia to visit his father, who is ill at the Parker Memorial Hospital. Mr. Rusk's parents live at 27 West Broadway. Mr. Rusk received his B. S. in Ag. from the University in 1908.

MEXICO GETS 1 HIT; BROWNS WIN 4 TO 0

Aided by Air-Tight Support, Manager Taylor Pitches Team to Victory.

FIRST SCORE EARLY

Dobyns, Former M. U. Student, Serves on Mound for Opponents.

Manager George Taylor demonstrated to his help yesterday just how ball games should be won. He let Mexico down with one hit, and that one came when J. Roberts, a left-handed batter, poked the ball down the left foul line, just over the infield.

George's "spitter" was breaking low and clipping the corners. His hired hands gave him errorless support and came through with ten hits. No Mexico athlete got farther than second base, and only one reached that station. They took the count, 4 to 0.

Joseph R. Dobyns, a former student in the School of Engineering, was on the mound for Mexico. He was steady in the pinches and caused seven Brownies to die on bases.

The Browns started right after the game in the first inning. Leegan popped to short. Foster lined a single over second base and went to third on the center fielder's error. Vogt, with his single through short, brought in the tally.

Columbia collected two more after two were out in the third. Dippold singled through the third baseman. Mason slammed one to right field for three bases, scoring Dippold. Mason later scored on a passed ball, and the count stood 3 to 1 against Mexico.

Columbia's last scoring was done in the seventh. Lansing, the first man up, was hit by a pitched ball. Two Brownies went out, and Foster brought Lansing in with a three-bagger that went over the right field fence. It was Foster's third hit for the afternoon.

E. B. CAUTHORN RECEIVES GIFT

Former C. H. S. Principal Gets Traveling Bag From Church.

A resolution commending E. B. Cauthorn, former principal of the Columbia High School, for his work here was passed at the regular weekly prayer meeting of the First Christian Church Wednesday night.

The Rev. M. A. Hart, representing the board of officers of the church, presented Mr. Cauthorn with a traveling bag.

First Carload of Melons Arrives.

Columbia received its first carload of watermelons yesterday. The melons were the big, red-meat kind; the railroad men cut the first melons and declared they had never tasted any better in their life. The carload was distributed among the merchants of the town.

Son of William Forbis Dies.

The funeral services for Joseph Morris Forbis, the 10-months-old son of William Forbis, 808 Pannell street, who died yesterday afternoon, were held at the home this morning at 9 o'clock. The burial was this afternoon in the Rock Fork Cemetery at Hinton.

SEEN FROM THE SIDELINES

Next Sunday the Browns will meet the Centralia Braves at Centralia.

Dippold turned his ankle chasing a long foul in right field in the ninth inning and limped to the sidelines, giving Rutledge, former Tiger quarterback, a chance to show. Nothing came his way, however.

"Hannibal got the wrong man" is the way one spectator summed up Taylor's pitching exhibition. George had pitched a wonderful game, and nothing bore the semblance of a hit except the one scratch in the fourth frame.

Five men laid down their bats after swinging at the third one in the first two innings. Two whiffed in the first and three in the second.

The absence of Ed Hill behind the bat doesn't seem to weaken the team any. In Harry Lansing the fans have all that could be wished for. Lansing is letting none of the shoots go by, and he performs on bases with the best of them.

Foster, the second-sacker, had a good day with the stick yesterday. He amassed a total of three hits, one sailing out of the park for three bases.

Mason's triple came in the third inning. It was a screaming drive to right field.

Mexico nipped a Brown rally in the sixth with a pretty double play. It bore the Dobyns-to-Roberts-to-Morrill label.

Price, a Summer Session student with catching experience, saw his first action with the Browns in center field. He was shoved in to bat for Duff in the sixth inning.

Davis and Lansing pulled a double steal in the fourth. Davis was on second, coaxed a throw out of Dobyns and started for third. Lansing left first base for second, and both were safe. The pilfering peaved Dobyns, however, and he struck out the next two men.

TO MOVE HERE AFTER A VISIT

G. P. Bauer of Greenville, Ill., Will Come to Columbia to Live.

A visit to Columbia a few months ago by one of the carpenters who helped build Academic Hall is to result in another family moving to Columbia.

George P. Bauer, until a short time ago a merchant at Greenville, Ill., will move to Columbia next fall to take advantage of the opportunities offered his two children by the University. He has rented the house at 1111 Price avenue from Mrs. Estelle Vivian.

Mr. Bauer's father-in-law came to Columbia recently to visit Academic Hall, which he helped to build. He was so well pleased with the changes since he lived here that he urged Mr. Bauer to bring his family to Columbia. Mr. and Mrs. Bauer made three visits to Columbia before finally deciding to locate here.

DRY AMENDMENT IS SOUGHT

25,148 Signatures Filed Yesterday—None From St. Louis.

JEFFERSON CITY, June 30.—Petitions with 25,148 signatures were filed here yesterday for the submission of an amendment to the state constitution at the general election in November to prohibit the manufacture and sale of intoxicating liquors in Missouri.

The filing was made by Charles E. Stokes, executive secretary of the Missouri Dry Federation, and H. P. Harris of Clinton.

PRESIDENT HILL GETS LL. D.

The monthly report of the State Board of Agriculture will be issued tomorrow. W. L. Nelson, assistant secretary of the board, says that the last few days have been excellent for harvesting. Practically all the wheat in Southern Missouri has been cut.

REPORT PUTS VILLA AND 100 FOLLOWERS WITH CARRANZISTAS

Mexican Living in Texas Brings Story From Torreon, Claiming That Mistake in Identification Is Impossible.

FUNSTON IN DENIAL OF FURTHER FIGHTS

Lansing Demands of Arredondo That Carranza's Reply Be Speeded Up—Last of Americans Are Warned.

BULLETIN
By United Press.

MEXICO CITY, June 30.—The foreign office this afternoon issued a statement concerning Mexico's reply to Secretary Lansing's note. The statement contains a strenuous denial of many of the charges made by the communication and makes counter charges against the United States. The note does not contain a repetition of the demands for the withdrawal of the American troops.

SAN ANTONIO, June 30.—General Funston this afternoon denied reports that Carranzistas at Ojinaga had fired on Americans at Presidio, Tex. He also said that General Pershing's communication lines were not cut.

Jose Rodriguez, a Mexican living in Texas, who returned from Torreon this afternoon, said that Villa was with the Carranzistas with a hundred followers.

Rodriguez knows Villa well and says he could not have been mistaken in regard to the identity.

WASHINGTON, June 30.—Secretary Lansing this afternoon asked Arredondo to speed up Carranza's answer to President Wilson's note asking the future attitude of Mexico toward the United States.

Lansing said the President's patience was exhausted, and he demanded action.

The reason given for the delay is that Carranza is waiting for the excitement to subside so he can frame an answer satisfactory to this country.

All Americans in Mexico have been given a final warning to get out.

25 FIVE TRAINS FROM THE EAST EXPECTED THROUGH McBAINE.

The Seventh Infantry, New York National Guard, composed of 1,250 soldiers, two freight cars of munitions, twenty-six wagons and one automobile truck passed through McBaine yesterday and last night. The boys left Jersey City at 1:30 o'clock Tuesday afternoon.

The munition train was the first to go through. It carried two passenger coaches and a caboose. On it were fifty soldiers in uniform as guards.

On the smoke stack of the engine floated the American flag. Banners and cartoons were tied and drawn on the sides of the coaches. One was a large picture labeled "Villa," under which was the inscription, "We are after him," printed in big letters.

These trains are running on a schedule of forty miles an hour and side track for nothing but the United States mail trains.

Two trains of twenty-five coaches each are necessary to carry the men. Pullman service is furnished throughout the entire journey. The service was highly praised by the soldiers, although they unanimously conceded the trip to be fatiguing.

At Mokane yesterday afternoon they were given a two-hour hike. From the number engaged in letter writing, mothers, sisters, wives and sweethearts may all soon receive letters.

Mr. and Mrs. J. Ray Cable Visit Here.

J. Ray Cable, assistant cashier of the Interstate Bank of Dexter, Mo., and Mrs. Cable are now visiting Dr. and Mrs. Herman Schindt. Mr. Cable received his degree of A. B., and B. S. in Ed. from the University in 1913. Mrs. Cable, who was Miss Alma Steele, received her A. B. degree the same year. She was assistant in chemistry in 1913. Both are well known in Columbia.
