

WOULD PLAY THE BROWNS

Many Teams Write to Manager Taylor for Games with Columbia.

Teams from all over the State are trying to book games with the Columbia Browns. Manager Taylor has received several letters this week from baseball managers asking for a game. Taylor says, "It will be impossible to play all of these teams, but some of the best teams will be played and most of the games will be played here. The arrangements of the future games will be far better than when we were in the league."

A hard battle is expected here Sunday between Centralia and the Browns. According to the dope Centralia would be holding first place and the Browns second place, if the league had not disbanded. Centralia won both games last Sunday with Moberly and has been playing excellent ball throughout the season.

Batteries for Sunday's game are: Columbia, Taylor and Winegar and Lansing; Centralia, Haskemp, Lancaster and O'Brien.

The game will be called at 3 o'clock.

Border Is Quiet, Is Report.

G. A. R. CAMP MAY BE THE LAST

Veterans of Civil War to Meet in Kansas City August 29.

KANSAS CITY, Mo., Aug. 2.—Twenty-thousand veterans of the Grand Army of the Republic will mobilize here August 29 for the fiftieth national encampment. The fact that this will be the golden jubilee reunion, that it may be the last great encampment and that it will be the first in this section of the country in many years may send the crowd of visitors to 125,000.

While the young blood of the country is mobilized on the Mexican border, the "boys of '61" who fought to save the Union will gather here for what promises to be the final review.

When the grey-haired and stooped veterans pass in review, few are expected to march. With the armies of today thoroughly motorized, the old men who wear the bronze button will not feel that it is a disgrace to pass in review in automobiles. Kansas City will furnish the motor cars.

FICKLIN QUILTS FORCE

Night Policeman Out, and Council Postpones Choice of Successor.

After only a little more than two months of service, Thomas Ficklin last night handed in his resignation as a member of the night police force. The City Council accepted it.

Ficklin was put on the force last May after D. H. Rowland and Charles Mitchell had been let out because of trouble between the police force and the council. The mayor wanted Rowland reappointed last May, but several of the councilmen objected. Finally Ficklin was chosen.

At the council meeting last night, immediately after Ficklin's resignation had been announced, the mayor suggested the reappointment of D. H. ("Deck") Rowland. Councilmen Klass who was opposed to Mitchell and Rowland when the question of their reappointment came up last May, held off the voting with a motion that the matter be deferred until all the members were present. Klass' motion carried.

Though some persons have strenuously opposed Ficklin, Mayor Battersby said last night that the reason for the policeman's resignation was that he found better pay in other work and that he did not want work that kept him away from home at night. The mayor was confident that Rowland would be appointed to take Ficklin's place. The matter will come up at a special meeting of the council Friday night.

A bill for \$4,097.58 to be taken from the water and light fund for the payment of salaries and incidental expenses of that department was allowed by the council.

Another bill for \$27.70 to be taken from the county poor fund for the payment of accounts was also allowed.

A bill for \$1,784.10 to be taken from the general revenue fund for the payment of salaries and accounts of the council was allowed.

An ordinance was passed ordering the grade of the west end of Conley avenue from Fourth to Eighth street. Citizens living in the vicinity of Ann and Amelia streets appeared before the council last night and asked that sewer connections be made in that section. After considerable discussion the council ordered that the matter be left to the attention of City Attorney Starrett for legal advice.

Councilman Kellogg asked that the City clerk draw a resolution before the next meeting of the council ordering the construction of a sewer on Oak street from Hill to Worley streets. Slater Logan, a negro living in this part of the city, appeared before the council to represent the residents in regard to the sewer proposition.
