Westwood Autumn Sale

Believing there are many people who would like to buy a lot now and do their house planning through the winter, I have decided to on

MONDAY, OCTOBER 30TH, 1916

sell without reserve or by-bid (20) twenty of the finest and most beautiful building lots ever sold in Columbia. They are the very cream of beautiful Westwood and are located on Broadway, Glenwood Avenue and Stewart Road. I will also include in this sale two splendid, modern, well built residences, one a new black brick facing east on Glenwood Avenue which has large living room 16x30 feet, dining room, sun-parlor enclosed with glass and kitchen below, four nice bed rooms, bath and sleeping porch above, oak floors with white enameled woodwork and mahogany doors; modern in every respect with hot water heat; lot 80 by 286 feet. This house is just being completed.

The second house faces Stewart Road and practically the same description as the other except it is frame and has living porch in front instead of sun-parlor on the side. Lot 70 by 270. Both are elegant homes. This house is occupied by Mr. Miller Maughs.

I am aware of the fact that I am likely to take much less for these houses and lots than they are actually worth, but if you will use your good judgment and attend this sale my loss will be your gain. I say without the slightest hesitation that this is the best property ever offered in Columbia for whatever you see fit to give for it.

On account of the short afternoon the sale will begin promptly at 1 o'clock at the corner of Broadway and Glenwood Ave.
