

## M. U. AWAITS VISITORS ON HOMECOMING DAY

Many Festivities, Including Parade, Are Planned for Returning Grads.

### UNION TO BE CENTER

Schulte and Klein to Address Mass Meeting—Hawaiians to Give Play.

#### HOMECOMING PROGRAM

- Friday.**
- 7:15 p. m.—Homecoming Mass Meeting, University Auditorium.
  - 8:30 p. m.—Reunion of Students and Alumni, Men and Women, Union Building.
- Saturday.**
- 10 a. m.—Automobile Trip for Alumnae, Starting from Academic Hall.
  - 10 a. m.—Parade of Alumni and Students by Classes, Starting from Rothwell Gymnasium.
  - 11 a. m.—Dedication of the Union Building.
  - 12 m.—Luncheon for Alumnae by Mrs. Walter Miller and Miss Eva Johnston.
  - 2:30 p. m.—Football, Texas vs. Missouri, Rollins Field.
  - 6:30 p. m.—M Men's Get-Together Feed, Virginia Grill.
  - 7:30 p. m.—Open House to All, With Football Returns, Smokes and Eats, Union Building.

They'll be home tomorrow. Tonight and tomorrow morning the "old grads" will be coming in for their annual visit to the University. It will be the first homecoming of the Missouri Union and the dedication of the organization which is to bring the alumni, former students and the student body into a unit.

And the University hasn't been leisurely in preparing for their reception. Tonight will begin the round of festivities. The center of the entire program will be the Union building, and each alumnus will be made to feel that at last he has a place in the life of the school and a place to meet the men whom he knew in his college days. The classes will form together again in a parade.

H. H. Kinyon, secretary of the Union, has received many letters from alumni and former students saying they will be here to watch the Tigers and Longhorns mix in their first gridiron contest since 1907. Besides the many rosters, several former Tiger football stars will be on hand to see if Schulte's men are as good as the teams of other days.

**Committees Will Meet Today.**  
All trains will be met by a reception committee, and the women will be escorted to the Women's Parlors in Academic Hall, where they will register. The men will be conducted to the Union Building to place their names on the list. The first service that the Union will render will be to arrange for rooms.

"Kealoha Malihini," a play by the Hawaiian students of the University, will be a feature of the big mass meeting at the University Auditorium at 7:15 o'clock tonight. Coach H. F. Schulte will be present and will be called on to give a short talk. The team will also attend in a body. Eddie Klein of St. Louis, quarterback on the famous "Bill" Roper team of 1909, will be on hand. E. D. ("General") Smith of Lexington, '01, Carl L. ("Curly") Ristine, '09, Lester Wycokoff, known as one of the hardest line-batters that ever wore the Old Gold and Black, and Lloyd Slusher, another former Tiger player, will all be present at the mass meeting. It is also probable that a representative of the Longhorn team, possibly "Liz" Clay, captain of the Tigers in 1914, will make himself known.

Immediately after the mass meeting the doors of the Union will be thrown open to all graduates, former students and students. Old times will be discussed.

**Women to Take Part.**  
The old saying that the women have no part in activities will be refuted by the program of the first Homecoming Day. An automobile drive around Columbia has been arranged for tomorrow morning. Mrs. Walter Miller, president of the Central Branch of the Association of Colum-

bia Alumnae, and Miss Eva Johnston, adviser of women at the University, later will entertain the visiting women with a progressive luncheon.

Tomorrow morning the annual Homecoming parade will be held, starting from Rothwell Gymnasium at 10 o'clock. The route of the parade is as follows: From the gymnasium, west on Rollins to Missouri, north to Conley, east to Ninth, north to University, east to Hitt north to Broadway, west to Ninth, south to the Missouri Union Building.

**Band to Lead Alumni Parade.**  
The band will lead the parade and will be followed by the University cadets. The alumni will be next, marching under banners of their respective years. Following the alumni will come the students of the University according to classes.

The marshals of the parade are: Bernard Hurwitz, John Collins, Garland Black, Paul Barnes, Flak Marbut, Willis Yale, D. J. Holloway and Ralph Fischer.

The committee on arrangements is as follows: H. E. Lyle, chairman, Donald Chapman, George Catts, George Irion, F. T. Satterlee, Joe Greshon, J. H. A. Peck, A. C. Bayless and Linwood Taft and Misses Carrie Crane, Helen Hunsate and Gladys Udell.

Sam Sparrow, L. L. B. '33, a member of the Board of Curators, will preside at the dedication ceremonies of the new Union Building. R. B. Caldwell, '03, who was originally selected to deliver the dedicatory ceremonies, will be unable to attend. E. W. Stephens, '67, a member of the board of directors, will give the dedicatory address. The program will be held in front of the Union Building, and Mr. Stephens will speak from the steps.

The biggest event of the day will be the contest between Missouri and Texas on Rollins Field at 2:30 o'clock. The field will be decorated in the colors of both Missouri and Texas.

The M men will hold their Get-Together dinner at the Virginia Grill at 6:30 p. m., meeting at the Union Building before going to the banquet. The affair, which will be attended by about sixty men, alumni and students, will be informal. Talks will be made by members, but no definite program has been arranged.

**Union to Hold Open House.**  
The first open house of the homecoming program will be at the Union Building at 7:30 o'clock tomorrow night. The returns of the many gridiron battles throughout the country will be received, and smokes and eats will be served.

The entertainment for the visiting alumni is not confined to the Homecoming program alone. Many dances, banquet, smokes and other parties will be featured by the fraternities and sororities, as well as the other similar organizations of the University.

Saturday noon Q. E. B. H., a senior honorary society, will give a banquet for the old members.

### TO DISCUSS THE ROAD DISTRICT

Both Sides Will Be Taken Up at Meeting Tomorrow.

The attempt to repeal the Columbia Special Road District will be thoroughly discussed by the advocates of both sides of the question, at a meeting in the circuit court room of the courthouse at 1:30 o'clock tomorrow afternoon.

"I think that there will be very little opposition," said Victor Jones, secretary of the Commercial Club. "In my opinion it was foolish to bring the subject to a vote again. Tomorrow's meeting will show the consensus of opinion on the subject."

### Sacred Heart Services Tonight.

Services will be held at the Sacred Heart Catholic Church at 7:30 o'clock tonight, in honor of the Sacred Heart, it being the first Friday of the month.

## TEXANS IN BOONVILLE PREPARE FOR TIGERS

Van Gent's Men Take Light Workout—Arrive Here Tomorrow.

### AVERAGE 165 POUNDS

Longhorn Coach Says He Plans to Use Captain Dittmar and Carlton.

Coach Gene Van Gent and his Texans, twenty-one strong, arrived at Boonville this morning where the team took a light workout this afternoon. Van Gent himself arrived here this afternoon. The Longhorns will reach Columbia tomorrow morning and may take a light workout on Rollins Field.

The Texans are all ready to play, though a few are handicapped by slight injuries, according to Van Gent. Carlton, the big guard is reported to be a little out of shape but should be able to get in the game.

"I think the Tigers have the edge on us, but with an even break in the luck Texas will win," said Van Gent this afternoon.

The team will average about 165 pounds, the backfield being light and fast. The line averages 172 while the backfield men will not tip the scales at more than 155.

The practice at Boonville was light this morning, the men being given a chance to limber-up after their long trip from the land of cactus. The feature of the morning practice was the passing of Hedick. He used the short fast pass and is an artist in the line. The two ends, who are also baseball men, pulled the passes out of the air at some very difficult angles. The team will go through a light workout this afternoon, and will arrive in Columbia tomorrow morning on an early train. The team is in excellent spirits and seem to feel that victory is a certainty.

"Dittmar and Carlton will be in the Texas line-up tomorrow," said Van Gent this afternoon. "Carlton was injured in the Baylor game," continued the former Missouri basketball coach, "and may not be able to play, but Dittmar will."

C. L. Brewer, director of athletics, said this afternoon that he had nothing more to say in regard to Dittmar and Carlton. The game, he said, was scheduled under Missouri Valley Conference rules.

Here is the probable line-up:

Position	Name	Weight
Center	Dittmar (Capt.)	185
H. G.	Harwell	165
R. T.	Johnson	199
R. E.	Dolan or Blaine	225
L. G.	Cosley	240
L. T.	Carlton or Boynton	190-195
L. E.	Hart	150
F. B.	Watts or Hedick	190-195
H. B.	Lang or Sens	145-145
H. B.	Murray or Moore	145-145
Q. B.	Trabue or Hagan	145-150

### RICHMOND 26, C. H. S. 0; MALE

Visitors Score After 8 Minutes Play at Fairgrounds.

Using forward passes and varied shifts entirely, the Richmond High School eleven today got the jump on the Columbia High School team and rolled up twenty points to their opponents nothing. The first touchdown came three minutes after the game started and another followed in a few minutes. The Richmond boys also added another in the second quarter.

The Columbia team started the game with two of its stars missing. Henderson took Captain Petty's place at quarter, and Woods was moved from center to fullback to fill the vacancy caused by an injury to Reid.

### MISSOURI TROOPS TO KANSAS

Will Be Mustered Out at Fort Riley; No Date Given.

By United Press  
FORT RILEY, Kans., Nov. 3.—The Missouri troops remaining on the border and who will be sent home prior to April 1, will be mustered out there, according to orders received by Colonel Rivers, post commander, this morning. No date for the arrival of the Missouri Guard was given.

### Alumni Directory Ready Feb. 1.

The Missouri Union is sending out 5,800 cards to alumni of the University, asking for information to be used in compiling a new alumni directory. The last directory was published in July, 1915, and contained alphabetical, geographical and class lists. The new book, which will be practically the same, will probably be ready February 1.

## GERMANY ONLY NATION U. S. SHOULD FEAR

So Says Dr. H. H. Powers in Fourth of University Assembly Lectures.

### COULD TAKE MANILA

Victory by Teutons in Present War Means World Empire, He Says.

"If Germany wins the great war, the world will no longer be a group of independent nations, but one colossal empire; not in the territorial sense, but in the sense that Teutonic influence will dominate."

So said Dr. H. H. Powers last night in his fourth lecture at the University Auditorium. His subject was: "America and Europe." The speaker dealt only with Continental Europe, and said that Germany was the only nation on the continent the United States has to fear.

"According to a prominent German statesman," said Dr. Powers, "Germany does not want a big empire, but commercial expansion. To have the world's commerce she must have material bases. In this the United States is concerned particularly, for Manila is so situated as to make an excellent base, and then there is the Panama canal. In her struggle for world power, Germany could easily take Manila, having a superior navy, and also establish a base along the Caribbean sea, where she could easily overlook the canal."

### Action Won't Be Taken.

However, the speaker relieved things at the close of his lecture by saying that he did not believe such actions would be taken and he promised to give his reasons in his forthcoming lecture today.

Dr. Powers gave his ideas as to the two situations possible at the close of the war. "First, if Germany wins," he said, "she will have outlets on both seas—the North, Adriatic, Aegean and Black—for she will annex Belgium, Serbia and Rumania. Those allies of Germany, I least envy. For Turkey and the others will be dominated by the Teutons. This will give Germany unlimited commercial opportunities and land of much strategic importance."

### Would Dissolve Great Britain.

"A Teuton victory would make certain the dissolution of the English empire by giving or forcing independence on British colonies, and it would put an end to the balance of power principle in Europe. The United States owes its freedom to this principle."

"If Germany is beaten, she will lose nearly all her colonies and Alsace Lorraine, and will be forced to evacuate all conquered foreign territory. But, don't forget the Kaiser's empire will not be exhausted. It can't be divided, and while the victors are busy celebrating, Germany will build up again, just as Prussia did after the war of 1870."

After the lecture Dr. Powers was entertained by the Faculty Union.

### "GERMANY COULD DEFEAT U. S."

Teutons, If Losers to Allies, Superior to Us, Says Doctor Powers.

"I'm not asking that we should form an Anglo-Saxon union. I'm asking that we should open our eyes to the union that already exists," said Dr. H. H. Powers this afternoon in the last of his series of lectures in the University Auditorium. The subject of the lecture was "America and the Anglo-Saxon."

Continuing his lecture of last night Dr. Powers insisted that we could not defend ourselves from a Germany absolutely victorious in this war. We could defend our ourselves from a beaten but not crushed Germany, according to the lecturer. We could not however do it alone.

"There is a method of defending ourselves from Germany," said Doctor Powers. "We should have to transform our ideals, exalt our officers and the official caste, make our navy the greatest in the world doubling that of Germany, insist on universal military service. In this way we could defend ourselves."

### Columbian Makes Land Exchanges.

A. M. Schwabe has exchanged forty-two acres of land for three houses on North Fourth street belonging to Ned Gordon. S. F. Yeager sold to Robert Carlos forty-nine acres of land for \$2,500. Mr. Yeager sold to Andrew Nichols eighty acres of land for \$4,000. The last two deals also were made through Mr. Schwabe.

### THE WEATHER

For Columbia and Vicinity: Somewhat unsettled but generally fair weather tonight and Saturday; not much change in temperature—a little cooler Saturday. For Missouri: Generally fair tonight and Saturday; cooler Saturday north and west portions and northwest portion tonight.

**Weather Conditions.**  
The high pressure wave, with its accompanying clear skies and pleasant temperatures, covers the eastern half of the country. West of the Mississippi River a low pressure system is in control, and the resulting weather is warmer and more or less unsettled. Thus far, however, there has been no rain in any of the western grain states. Temperatures continue moderate everywhere. Generally fair, moderate weather will likely continue in Columbia during the next thirty-six hours, although it will be slightly unsettled, especially during the first half of the period.

**Local Data.**  
The highest temperature in Columbia yesterday was 69, and the lowest last night was 49; precipitation, 0.00; relative humidity 2 p. m. yesterday 20 per cent. A year ago yesterday the highest temperature was 65, and the lowest 42; precipitation, 0.00.

**The Almanac.**  
Sun rose today, 6:30 a. m. Sun sets, 5:06 p. m. Moon sets north.

**The Temperatures Today.**

Time	Temp.	Time	Temp.
7 a. m.	51	11 a. m.	65
8 a. m.	53	12 m.	64
9 a. m.	56	1 p. m.	72
10 a. m.	62	2 p. m.	72

### MISSOURIAN TO RECEIVE THE ELECTION RETURNS

The Daily Missourian has made arrangements to give the people of Columbia complete election returns next Tuesday night. A direct wire will be run into the Missourian office and the returns will be flashed on a curtain in front of the Hall Theater as soon as received.

### NEW DIME REACHES COLUMBIA

Latest Product of U. S. Mint Shows Some Slight Changes.

No, it's not counterfeit. Don't be alarmed if some one hands you a "phony" looking dime. It is backed by the Government and is real money.

The new coin, which has reached Columbia and is being circulated by the banks here, bears on one side the inscription, "United States of America, One Dime," around the edge. In the center is a Roman fasces entwined with an olive branch. Below at the left is the mint stamp, and at the right are the words, "E Pluribus Unum." On the reverse side is the head of the Goddess of Liberty with new features and wings instead of the customary wreath. Around her head is the word "Liberty." At the left is "In God We Trust." The date is at the bottom, and at the right are the initials of the designer, "W. A."

The dimes which have arrived in Columbia seem to have been struck in San Francisco, according to the small "S" which they bear. It is a question whether the initials of the designer will be allowed to remain. The Lincoln penny and the buffalo nickel first appeared with the initials, but were recalled from circulation. Pennies struck since then do not bear them.

### BOYS ON BORDER HAVE NO VOTE

James Lipscomb, on Furlough May Be Eligible as Judge.

Members of the Columbia Machine Gun Company, who are now doing duty on the border, will not be allowed to vote next Tuesday, said J. E. Boggs, a member of the Democratic State Committee, today. Residents of any state, who are out of the state at the time of the election are not allowed to vote by mail, said Mr. Boggs.

James Lipscomb, a member of the Columbia company, now here on furlough, has been appointed a judge in the coming election. There is some question whether he is eligible to serve. Soldiers in the regular army are not allowed to vote. Mr. Boggs thinks members of the national guards, even though they may be doing regular duty, are not classed as regular soldiers. If this is true, said Mr. Boggs, Mr. Lipscomb will be allowed to serve as a judge.

### Carlson Finishes 975-Mile Flight.

By United Press  
NEW YORK, Nov. 3.—Aviator Carston arrived on Governor's Island at 8:55 o'clock this morning, completing his Chicago-New York flight. He was in the air 8 hours and 37 minutes and made two stops en route. The distance covered was approximately 975 miles, and he averaged 110 miles an hour. Before lighting he circled the skyscrapers in the city.

### No Loss in Recapturing Fort Vaux.

By United Press  
PARIS, Nov. 3.—French troops recaptured Fort Vaux without losing a single man. It was officially announced today.

## SIX PERSONS INJURED IN WABASH ACCIDENT

Engine Starts Itself and Runs Into Train on Siding at Centralia.

### CAB EMPTY AT TIME

Two Columbians Among Those Hurt—Boiler Bursts, Flooding the Track.

Six persons were slightly injured and two Wabash engines were disabled at Centralia at 6:30 o'clock last night, when a loose engine smashed into a standing switch engine.

The injured are: Miss Elizabeth Wood, St. Louis, leg and head bruised; Mrs. O. L. Waincott, Hallsville, nose skinned; C. H. Wilcox, Webster Groves, bruised; C. E. Fox, Columbia, engineer, back sprained; W. J. Marquette, Columbia, fireman, back sprained; E. F. Humphrey, Kansas City, nose skinned.

The accident occurred just after the Kansas City train pulled in. The switch engine had pushed the Columbia cars in front of the station and was standing there with its front end still coupled to the coaches. The regular Columbia engine came tearing down the track loose at a considerable speed and smashed into the tender of the switch engine. No one was on the passenger engine, and it is supposed to have started by itself from a leakage of steam into the throttle while standing just outside of the roundhouse.

The exact damage to the engines is not known, but it is thought to be serious. The boiler of the switch engine burst and flooded the track. The tender was smashed in and two wheels knocked off the rails. The coaches were brought into Columbia at 11 o'clock by an engine from Moberly.

### CO-OP LEAGUE TO ENLARGE

Homecoming Visitors Will Be Enrolled in Organization.

The Missouri Co-operative League met last night at 7:30 at the Elks Club. Plans were formulated for a membership campaign. This campaign will be opened Saturday, Homecoming day, at the Union Building to reach the alumni and former students who are here to attend the Missouri-Texas game. It is the desire of the league to obtain a membership of 5,000. The league was recently organized for the purpose of co-operating with the athletic department of the University by maintaining the present standard of athletics and by obtaining the right kind of publicity which will boost the enrollment of the school with special emphasis on athletics. The membership fee is \$1.00 a year. There are 70 members now, part of whom are out of town people who are loyal to the University. A committee was also appointed to canvass the town. Members of this committee are W. W. Garth, Jr., Harry E. Broadhead and J. E. Somerville.

### WILSON WILL SUM UP ISSUES

Final Speech, Inspired by N. Y. Trip, for New Jersey and Nation.

By United Press  
ASBURY PARK, N. J., Nov. 3.—President Wilson will sum up the issues of the campaign in his last address here tomorrow. Back today from New York by way of the Mayflower to Atlantic Highlands and by motor to Shadow Lawn, he prepared a smashing speech to New Jersey folk and the nation at large in connection with "Old Home Day."

The New York reception seems to have inspired him with a new fire and given him further confidence of victory at the Tuesday election. He plans to go to Princeton to vote and Thursday will leave for Williamstown, Mass., to attend the christening of his youngest granddaughter, the child of Mr. and Mrs. Francis Sayre.

### First-Year Law Class Elects.

M. Warder Rannells was elected president of the first-year law students at the organization of the class this morning. The other officers are: vice-president, Frederick Wolfson; secretary-treasurer, Miss Helen C. Redding; sergeant-at-arms, J. C. King.

### Republicans Contribute \$5,112,535.

By United Press  
WASHINGTON, Nov. 2.—Contributions to the fund of the Republican National Committee for the present campaign reported up today total \$2,112,535.
