SPORT NEWS and COMMENT

Swedish Track Team to Come To U. S. Next Summer.

The recent visit of the American track team to Scandinavia is probably only a forerunner of the competitions that will be held between these countries every year. Plans are being made to bring a Swedish track team of twenty men to this country next summer. Already \$44,500 has been subscribed by the patrons of amateur sports in that country. An All-Sweden football team may be an additional attraction.

The gold and silver tankard for Simpson, Murray, Meredith, Ward and Loomis has been turned over to the Amateur Athletic Union, which financed the trip. It is possible that the trophy will be offered as a perpetual prize for international athletics between representative teams of this country and of Scandinavia.

Vogt and Viner Report To Basketball Squad.

The appearance of Vogt and Viner, two first-year men, at Varsity basketball practice last night made the squad look better than at any time this season. Vogt, who showed lack of practice and condition, will have much opposition for a berth at forward. Viner, who has been on the football squad, is trying for guard. Campbell, who played well last year at forward, worked out at guard for the first time and may be kept there, as Coach Miller is having difficulty in finding good guard material. Thirty-five men were out for the Varsity, while thirty freshmen showed up.

Three-Man Nucleus For C. H. S. Basketball Team.

Basketball prospects are bright at Columbia High School, with thirty men out for the team. Captain Rutledge, Roberts and Wayland, members of last year's team, are the veterans of the squad and it is around these men that Coach Durward Schooler hopes to build a winning combination. The Kewpies will open their season December 15, when they journey to Fayette to meet the strong high school quintet there. No complete schedule has been arranged, but Coach Schooler expects to announce one next week.

HOG JUDGING BEAT M. U. TEAM

Past Record Partly Upheld by Individual Score of R. E. Miller.

The inability of the M. U. live stock judging team to place hogs correctly at the International Live Stock Show in Chicago is the reason attributed for Missouri's getting sixth rank, according to members of the animal husbandry department of the College of Agriculture. Although Missouri took first on sheep, third on cattle and fourth on horses, the fact that eleventh place was received on hogs lowered the local team's standing considerably.

R. E. Miller's taking fourth place for the individual judging, however, kept Missouri up to the front, where it has been for several years. M. U. men took first in 1907, 1910 and 1911 and fourth in 1912 and 1913. Because of the foot and mouth disease there were no contests in 1914 and 1915.

The unknown consorts, heirs, devisees, aliens, mesne or remote, or immediate, voluntary or involuntary grantees of Reuben Gentry, deceased; the unknown consorts, heirs, devisees, aliens, mesne or remote, or immediate, voluntary or involuntary grantees of John Tuttle, deceased; THE STATE OF MISSOURI, to the above named unknown defendants, GREETING:

Now on this the 15th day of October, 1916, in session of term time of the Circuit Court of Boone County, Missouri, at the October Term, 1916, of said court, come the plaintiffs, by their attorney, and file their petition in suit herein, duly verified by the affidavit of C. B. Sebastian, agent and attorney for the plaintiffs, and in said petition state that there are persons who are interested in the subject matter of said petition, whose names plaintiffs cannot insert in said petition for the reason that they are wholly unknown to them and whom they cannot further describe than as the unknown consorts, heirs, devisees, aliens, mesne or remote, or immediate, voluntary or involuntary grantees of John Tuttle, deceased; that Richard Gentry acquired title to the real estate hereinafter described in the year 1821, but there does not appear of record any conveyance from said Richard Gentry to any one; that John Tuttle appears to have acquired a tax title to said land on August 1st, 1829 and there does not appear of record any conveyance from said Tuttle to any one.

That those claiming under said Reuben Gentry and John Tuttle would have of record a title to and interest in the real estate hereinafter described under the respective deeds of their ancestors as hereinbefore set forth but in what amount and proportion is wholly unknown to plaintiffs. It is therefore ordered by the Court that the said unknown defendants be notified by publication that the plaintiffs by petition herein filed, of date October 18th, 1916, have commenced against them in the Circuit Court of Boone County, Missouri, an action for the purpose of trying, determining, settling, defining and quieting the title of the plaintiffs in and to the following described real estate, lying, being and situate in Boone County, Missouri, to-wit: Lots numbered Twenty two (22) and forty seven (47) Gutter's Subdivision and Park addition to the City of Columbia, Boone County, Missouri, and by which said action the plaintiffs seek to forever bar and preclude the said defendants and each of them from setting up or claiming any right, title or interest in and to said real estate adversely to said plaintiffs. It is further ordered that said defendants be and appear in this court, on the first day of the next term thereof, to be holden at the Court House in the City of Columbia, Boone County, Missouri, on Monday, January 1st, 1917, to answer or plead said petition, or in default thereof said petition will be taken as confessed, and judgment by default will be rendered against them, in accordance with the prayer of plaintiffs' petition. It is further ordered that a copy hereof be duly published at least once a week for four weeks successively in the Daily Missourian, a daily newspaper printed, published and circulated in said Boone County, and designated by plaintiffs' attorneys as most likely to give notice to said defendants; the last insertion of said order of publication in said newspaper to be at least fifteen days before the first day of said next term of said court.
