

THE DAILY MISSOURIAN

NINTH YEAR

COLUMBIA, MISSOURI, THURSDAY EVENING, SEPTEMBER 13, 1917.

NUMBER 318

OLD TRAILS MEETING HERE ON OCTOBER 6

Committee Arranges Date
After Talking With Judge
J. M. Lowe.

AT THE NEW TAVERN

Question of Improving the
Cross-State Highway the
Chief Topic.

Saturday, October 6, has been definitely selected as the day when the Missouri Old Trails Association will meet in Columbia to discuss the question of improving the Old Trails Highway through Missouri. Following a telephone conversation with J. M. Lowe of Kansas City, president of the National Old Trails Association, the committee appointed at the good roads meeting here yesterday afternoon, changed the date from October 4.

The state highways commission has promised to attend the state gathering in Columbia. Efforts are being made to have members of the national commission also be present. Mr. Lowe has signified his intention to attend and will be the principal speaker. Letters are being sent today by E. S. Stephens and Dr. W. P. Dysart, the committee appointed yesterday, urging all good roads boosters in Missouri to attend the meeting here.

The leading topic for discussion at the meeting will be the "50-50" plan of dividing the expense of improving the Old Trails Highway equally between the state and the counties. The state in turn will receive federal aid, making it possible to put up dollar-for-dollar in the various counties. This is known as the federal aid plan which applies only to cross-state highways.

Several hundred good roads boosters are expected to attend the meeting in Columbia. A luncheon will be given in the new Daniel Boone Tavern.

ANOTHER COUNTY FAIR PREMIUM

To Make Awards For Best Collection
of Pictures—Catalog Out.

The premium list for the Boone County Fair, October 9 to 12 inclusive, has been increased by the addition of cash premiums for the best collection of photographs consisting of animals, farm crops exhibits and groups of people taken at the fair during the week. The premiums for first, second and third prizes are \$5, \$3 and \$2 respectively.

The size of the photographs, according to R. L. Hill, secretary of the fair association, should be 3 1/4 by 4 1/4 inches. The association reserves the right to have a copy of any or all of the photographs for future publication in the catalog.

The catalog for the fair is now ready for distribution and anyone desiring copies can obtain them by writing to the secretary at Columbia.

APPOINTED AS ARMY CHAPLAIN

The Rev. J. K. O'Heeron Goes To Take
Physical Examination.

The Rev. J. K. O'Heeron left this morning for Jefferson Barracks at St. Louis to take the physical examination for chaplain in the new National Army. The Reverend O'Heeron was formerly pastor of the Christian Church at Montgomery City. He came here to attend the University Summer Session and was recently appointed director of athletics at the Columbia High School. He received his appointment as chaplain in the new National Army last week.

TO FORT SILL AFTER SEPT. 21

Company F. Will Not Leave Nevada
Until Then.

Missouri National Guard regiments will not be moved to Fort Sill until after September 24, according to word from Camp Doniphan at that place yesterday. This is the result of the War Department order for the movement of regular troops to various training camps during the week of September 17-24.

This change means that Company F, Fourth Infantry, of Columbia will be stationed at the mobilization camp at Nevada until September 24 or later.

To Dissolve Old Corporations.

A petition has been filed in the Circuit Court to dissolve the McAllester Lumber Company, a corporation, which was changed to the Bowling Lumber Company about two years ago. Another petition filed asks for the dissolution of the Columbia Planning Mill Company. This concern has been out of business several years.

\$1,000 A DAY FROM OIL

Omar D. Gray, In Columbia Today,
Tells of State Receipts.

Omar D. Gray, state oil inspector, who was in Columbia for a short time today, said that his department was taking in more than \$1,000 a day in revenues. Mr. Gray has been in office twenty-seven days and in that time has collected \$29,000. This is an increase of \$6,400 over the collections for the same period last year.

Mr. Gray asserts the increased collections are not due to greater efficiency of his administration, but to the fact that more coal oil and gasoline are being used. Missouri now has more motorists, who buy gasoline, than ever before and more persons are using coal oil stoves for cooking during the summer months.

Mr. Gray has eight inspectors at work in the state all of the time. In four years, he believes, he will collect one million dollars. He figures the expenses of his department for that time will be \$160,000, this netting the state \$840,000.

ARTILLERY IN FRANCE

Arrival of United States
Gunners Is Announced for
the First Time.

By Associated Press
AMERICAN TRAINING CAMP IN FRANCE, Sept. 13.—A contingent of American artillery has joined the expeditionary force in France and is well along in its intensive training under French instruction.

Hitherto the arrival of artillery troops has been carefully guarded and no permission to mention the fact was given.

The American artillerymen are using the latest models of the famous French 75's and also 6-inch howitzers.

SEPARATE UNITS FOR NEGROES

Will Get Same Treatment as in Regular Army.

Secretary Baker has announced that negro troops drafted into the National Army will receive the same consideration and treatment heretofore given them under the rules of the army, says a dispatch from Washington. Those negro troops drafted in states having cantonment camps of their own will be trained in them. Units from other states will be assembled and trained with their state troops as separate organizations, the same as is now done in the regular army. Mr. Baker said:

"The rule of the regular army in the matter of the training of negro troops as separate organizations will be adhered to. The call for negro men will be postponed until one of the later calls, so that they will be called at a separate time, thereby giving an opportunity to the officers at the camps to assemble the organization of which they are parts substantially all at one time. They will not be called last, but they will be called separately.

"All negro men called in a state which has a cantonment in it will be organized and trained there. Provisions will be made for the assembly of troops from those states which have no cantonments. It has not yet been made. An opportunity will be given to both white and negro men among the selected forces to volunteer service and training in certain lines of communication organizations, which it is necessary to organize, and it is hoped that an adequate number will volunteer for this military but non-combatant service, but there will be both combatant and non-combatant organizations, just as there are white organizations."

KANSAS CITY WITHOUT MILK

Freight Handlers' Strike Stops Deliveries There.

By Associated Press
KANSAS CITY, Sept. 13.—The strike situation in greater Kansas City assumed serious proportions today when several of the largest dairies, with a combined daily capacity of 40,000 quarts, stopped all deliveries because of the interference of the striking freight handlers, according to dairymen.

GEORGE BRADFIELD IS DEAD

Brother of Mrs. Ed Mosely of Stephens
to be Buried Tomorrow.

Ahe body of George Bradfield, 28 years old, a brother of Mrs. Ed. Mosely of Stephens, was received here today and will be sent either to Oakland or Prairie Grove tomorrow for burial.

Bradfield died Monday night in the Kansas City general hospital. His family had not heard from him for six years.

DRAFT APPEAL GIVEN BY DISTRICT BOARD

Case of Ward T. Darnell Is
Reopened — Wife Now
Ill in Hospital.

OTHERS ASK CHANGE

Local Board Informed to
Extend Appeal Time of
Certain Persons.

The local draft board today received authority from the district appeal board at Joplin to reopen the case of Ward T. Darnell, R. F. D. 2, Hallsville, who was denied a discharge by the local board. The local board received evidence after they had passed on the case that Darnell's wife was in the hospital in a critical condition and that she was solely dependent on him for support. The reopening of the case will enable the district board to act.

Others who will appeal to the district board after being denied discharge by the local board are: John William Cole, Ashland; Joseph W. Crane, Jr., R. F. D. 5, Columbia; Earnest D. Maze, R. F. W. 2, Ashland, and Benjamin A. Berry, Hallsville.

The board has received two letters from Adjutant General McCord, one stating that men appealing for discharge or exemption on occupational or industrial grounds must file all affidavits and evidence with the district board and must not send such directly to the President, the Provost Marshall General or a member of Congress. Evidence not considered by the district board will not be considered in the appeals. There can be no appeals to the President from cases passed on by the local boards.

The other letter said that where a person has lost the right to appeal by reason of ignorance or misunderstanding of the law, a local board may in its discretion extend the time for appeal. Sheriff Whitesides said that this was applicable to the case of Frank King, now in Tokio, Japan, as King failed to appear for examination and the news of his certification did not reach him until it was too late to appeal.

M. C. MAN IN SCOTT'S PLACE

State Position Is Given To Judge
Louis Ratliff.

Judge Louis Ratliff of Moberly, an alumnus of the University of Missouri, has been appointed to succeed John W. Scott, a commissioner, who was removed by the State Board of Permanent Seat of Government because of alleged irregularities in state coal transactions.

Circuit Judge State of Jefferson City has called a special jury to investigate the coal charges. He took this action after Attorney General McAlester and his assistant, S. P. Howell, had paid him an official visit and advised him as to the situation.

The state officials who are commissioners for the capitol building comprise Governor Gardner, Attorney General McAlester, Secretary of State Sullivan, State Auditor Hackman and State Treasurer Middlekamp. After they had removed Scott by an unanimous vote they adopted a resolution directing the attorney general to lay such evidence as he has obtained regarding the coal transaction before the judge, and if he believes the state lost money through the transaction of Scott to institute suit on his official bond in the name of the state to recover all moneys lost. The attorney general will also be in charge of prison investigation.

Meantime, the state prison board has been conducting an investigation of its own for the last two months to ascertain if the state has lost money in the purchase of cement and other building materials, or through the purchase of food and other supplies or the loss of property during the last state administration. This testimony will also be turned over to the judge.

According to the auditor's records the state had paid for all the coal it obtained by the West Virginia Coal Company of St. Louis, and it was coal that the department heads and clerks and outsiders drew upon through Scott, according to their own admissions and the admissions of Scott. The retail price of this kind of coal in Jefferson City at this time was \$5 a ton, but the lucky ones paid only \$2.90 a ton, the price the state was paying.

BATTLE ON ITALIAN 'FRONT STILL RAGES

Austrian Attempts to Dis-
lodge Foe at Monte San
Gabriel Fail.

LOSSES ARE HEAVY

Portugal Reported in State
of Siege as Result of Gen-
eral Strike.

By Associated Press
ROME, Sept. 13.—The battle between the Austrian and Italian armies for possession of Monte San Gabriele is raging furiously, according to the official statement today by the Italian war office.

New Austrian forces yesterday renewed their attempts to dislodge the Italians from the slopes of the height but, after advancing at a few points, were stopped by the main Italian line of occupation.

Vienna Says Italians Lose Many.

By Associated Press
VIENNA, Sept. 13, (via London, British Admiralty).—"The Italian losses in the eleventh Isonzo battle," says the official Austrian war office statement today, "have reached almost a quarter of a million."

Portugal in State of Siege.

By Associated Press
MADRID, Spain, Sept. 13.—Portugal has been declared in a state of siege, according to a telegraphic dispatch from Lisbon, on account of a general strike. All establishments in the Portuguese capital have been closed. Several persons, including a number of soldiers, have been wounded by the explosion of bombs.

BANDITS GET \$2,400

Daring Raid at Sullivan
Made by Four Robbers in
a Motor Car.

By Associated Press
ST. LOUIS, Sept. 13.—Four automobile bandits drove into Sullivan, Mo., 68 miles southwest of here, this morning, bound the railway telegraph operator, the night telephone operator and his son, threw them into a car, then blew the safe of the People's Bank. They also robbed the railway station.

After binding and gagging the men, the bandits cut the telegraph and telephone wires leading out of the town. News of the bandits was telephoned to St. Louis from Union and Newburg, nearby towns. The bandits escaped and are supposed to have headed towards St. Louis. They obtained \$2,400 from the bank and \$40 from the depot. After the bandits left Sullivan, Cashier Hollow of the bank went to Newburg and telephoned to the sheriff at Union the news of the raid.

Others telephoned to the sheriff that a party of tourists from Chicago met the automobile bearing the bandits going at a high speed at a point north of Death Hollow near the St. Louis County-Franklin County line.

NEW STUDENTS LEARN YELLS

First Open House Held at Y. M. C. A.
Last Night.

The Y. M. C. A. held its first open house last night for men students. Between twenty-five and thirty new students were present. They were instructed in the Missouri songs and yells. Each evening this week the Y. M. C. A. will entertain for the students who are here, and next week there will be a special reception for foreign students to give them a chance to become better acquainted with other students.

E. T. THOMAS GETS OFFICE

State Elks Elect Columbia Man
Sergeant-at-Arms.

E. T. Thomas, secretary of the Columbia Elks Lodge, was elected sergeant-at-arms at the annual state convention of the Missouri Association of Elks at Jefferson City yesterday. Hamp Rothwell, a former Columbian now living in St. Louis, was elected trustee. About 100 delegates attended the convention.

Daughter For Mr. and Mrs. Daniel.

A daughter, weighing eight pounds, was born to Mr. and Mrs. T. C. Daniel, 403 Mathews street, this morning. She has been named Virginia Frances. Mr. Daniel is employed at the Boone County National Bank.

THE WEATHER

For Columbia and Vicinity: Unsettled and probably showers this afternoon or tonight, Friday partly cloudy weather. Not much change in temperature.

For Missouri: Partly cloudy tonight and Friday, probably showers east portions tonight; not much change in temperature.

Weather Conditions.

Light rains have fallen in Missouri and Iowa, an heavy rains in Minnesota; showers also have been general in Oregon and Washington. At seven o'clock this morning rain was falling on South Atlantic coast from Key West to Charleston, the result of an approaching tropical storm that apparently is central off eastern Cuba.

Nearly normal temperatures obtain from Iowa southward, but in the remainder of the country east of the Rocky Mountains the weather is rather cool for rapid ripening of grain. There was heavy frost in Wyoming last night.

In Columbia partly cloudy and somewhat unsettled weather will prevail during the next thirty-six hours, probably with showers during the first half.

Local Data.

The highest temperature in Columbia yesterday was 75 degrees and the lowest last night was 52; precipitation .001; relative humidity 2 p. m. yesterday 42 per cent. A year ago yesterday the highest temperature was 79 and the lowest 61; precipitation .009 inch.

The Almanac.

Sun rises today, 5:49 a. m. Sun sets, 7:21 p. m.

Moon rises 3:12 a. m.

The Temperatures of Today.

7 a. m.	62	11 a. m.	68
8 a. m.	61	12 m.	73
9 a. m.	61	1 p. m.	76
10 a. m.	64	2 p. m.	78

MAYOS GIVE HOSPITAL

Noted Institution Becomes
Property of the University
of Minnesota.

By Associated Press
MINNEAPOLIS, Minn., Sept. 13.—The board of regents of the University of Minnesota today ratified by unanimous vote the agreement making the Mayo Foundation at Rochester the absolute property of the University, to be used perpetually for higher medical educational research and investigation. Securities totaling \$1,650,000, representing the fortunes of Doctors W. J. and C. H. Mayo are turned over to the University.

WANTS NO HAZING THIS YEAR

Morris E. Dry, Student President,
Asks Co-operation of Students.

Morris E. Dry, student president of the University this year, has written several members of the senior class calling for their co-operation in discouraging any thoughts of hazing that might arise among the sophomores this fall. The ban has been placed on hazing by the University authorities, resulting in practically no demonstrations last year.

According to Mr. Dry, the University is before the judgment bar in the eyes of the state this year on the hazing question. Considerable adverse criticism has arisen over this custom in previous years, and the total elimination of chi-chi-ing, the new student president thinks, will do much to strengthen the good will of persons over the state towards the University.

TO TEACH AT KANSAS NORMAL

Position in Pittsburg Accepted By T.
W. Rutherford.

T. W. Rutherford, son of Mrs. Sarah Rutherford, 708 Maryland place, has accepted the position of instructor in political science and history at the state normal school at Pittsburg, Kan. He will leave for Pittsburg next Sunday.

Mr. Rutherford received his A. B. from the University of Missouri in 1913 and his M. A. from Harvard in 1915. He spent the last year at Harvard working for his Ph. D. He has been visiting his mother in Columbia this summer. Prof. A. H. R. Fairchild of the English department of the University is his brother.

H. L. Shrader Joins Air Service.

Harlan L. Shrader of Kansas City, B. S. in Ag., 14, has written to Prof. H. L. Kempster of the poultry department of the University that he has been accepted for the aviation service in the army. The letter did not say to what camp he had been assigned. Since graduation Mr. Shrader has been in the United States Bureau of Chemistry, food research division. His headquarters have been at Indianapolis.

THIRTY OUT FOR C. H. S. TEAM

Football Practice Started Yesterday—
Expect a Fast Team.

Football practice started yesterday at Columbia High School. Thirty reported for practice and Coach J. K. O'Heeron, judging from the first workout, says he expects an unusually fast team.

RUSSIAN REBELLION PROVES A FAILURE

Soldiers Tell Government
Officers They Were Given
Wrong Impression.

KERENSKY IS CHIEF

Premier Named Commander
of Entire Russian Army
—Confirmed by Cabinet.

By Associated Press
PETROGRAD, Sept. 13.—The minister of labor of the Kerensky cabinet and the members of the Council of Workmen and Soldiers' Delegates announced to the Russian official news agency today that General Korniloff's rebellion had collapsed and the army at his headquarters had surrendered.

By Associated Press

PETROGRAD, Sept. 13.—Numerous delegations from General Korniloff's army are arriving at the staff office of the Petrograd military district in a penitent mood, the Associated Press has been informed by Premier Kerensky's secretary. The soldiers declare they have been deceived as to the aims of General Korniloff's rebellion.

General Palehmsky, second in command to the commander of the Petrograd district, declared the revolution may now be considered a final failure. He says the question of Korniloff's surrender is now a matter of secondary importance.

Premier Kerensky's appointment as commander-in-chief of all the Russian armies has been confirmed officially by the cabinet. General Alexieff has been confirmed as chief of staff. Vice-Premier Nekrasoff announces that General Alexieff has sent a telegram to General Korniloff demanding his immediate surrender.

According to official statements, the so-called "savage" division, composed of Georgian and Caucasus troops, is the only unit of troops sent against Petrograd which remains solid for General Korniloff. That body is now at Tsarkoe-Selo.

It appears to be undoubted that the "savage" division which is so devoted to General Korniloff has no idea of their destination or of Korniloff's aims. The division consists of eight regiments of fierce Caucasus cavalry and contains a few Tartars. Almost all are Mohammedans and among them are many princes.

The submission of the "savage" division to Korniloff was brought about through the devotion of a group of their co-religionists. The tribesmen do not speak Russian, suspect and dread Christians and, when approached by the government Russian emissaries, refuse to listen to them and threaten them with arrest.

FACULTY MEETINGS SATURDAY

Session of All Members Will Be Held
at 10:30 o'clock.

There will be a meeting of the University Faculty in the faculty room of the University Library at 10:30 o'clock Saturday morning. The faculty of the College of Arts and Science will meet at 10 o'clock and the faculty of the College of Agriculture at 11 o'clock in the same room. Plans for registration will be among the things discussed at the University Faculty meeting.

A. H. WELCH ON YEAR'S LEAVE

University Man Accepts Position At
Texarkana, Tex.

Austin H. Welch, instructor in architecture in the University has accepted a position with the Henry Shreve Lumber Company of Texarkana, Tex., as architectural engineer. Mr. Welch is on a year's leave of absence from the University and will return to Columbia next fall to take up his work. He will leave with his family in about two weeks.

SUFFRAGE VOTE IN DECEMBER

Senate Committee Reports Favorably
on Constitutional Amendment.

By Associated Press
WASHINGTON, Sept. 13.—The Susan B. Anthony resolution for nationwide suffrage by constitutional amendment was favorably reported today by the Senate Suffrage Committee and will take a place on the calendar for a vote at the December session of the Senate.
