A. will be given at 8 o'clock tomorrow night.

Refreshments will be served. All University men are invited. **War Aids Tinplate Industry.** By Associated Press SWANSEA, WALES, Sept. 28.—The Welsh tinplate trade, which the late Mr. Joseph Chamberlain once described as a "decaying" industry, and which received a severe setback by the McKinley tariff in 1891, is enjoying a

prosperity which only the necessary war restrictions are curtailing. Prices have more than trebled during the war despite the shortage of labor and restriction of supplies of steel bars, and practically every firm is paying or will pay excess profits. Before

the war the basic price of tinplates was twelve shillings and sixpence per box, now as much as fifty shillings is being obtained for "unrestricted" plates but these rates will cease with the introduction of the government price of thirty shillings.
