

# WANTED--11 MORE PATRIOTS

**In Boone County before March 1, to join the \$1000 Patriotic Club for February.**

**Fifty Members is the mark set by the February Committee, Eleven more members in Two Days is the immediate goal.**

**If your means don't permit a bigger investment, buy a \$5.00 bond. Many more hundreds of the people of Columbia and Boone County must register their patriotism in this way if Boone County comes up to its final expected quota.**

**I**N OFFERING *War Savings Stamps* and *Thrift Stamps* to the public, the United States Government presents to every man, woman and child an opportunity for profitable, simple and secure investment.

War Saving Stamps are "Baby Bonds." Back of them are the entire resources of the Government and people of the United States. They enable you to invest your *surplus savings* in Government Securities paying equivalent to 4% compounded quarterly.

You need not begin with a large amount. You can buy U. S. Government Thrift Stamps at 25c each. When you buy your first Thrift Stamp, you will be given a Thrift Card. Each Thrift Card has spaces for 16 stamps. When you have filled a Thrift Card it may be exchanged for a \$5.00 War Savings Stamp at any Postoffice, Bank or any authorized agency, by adding 13 cents in cash if exchanged prior to March 1st, 1918, and 1c additional each month thereafter. Thus a \$5.00 War Saving Stamp will have cost you \$4.13 (if purchased before March 1st, 1918). On January 1st, 1923, the United States Government will pay you \$5.00 for each War Saving Stamp you own. (Under the law no person may hold such stamps in excess of \$1,000 maturity value).

If you prefer you may buy the \$5.00 War Stamps outright. When you buy your first War

Saving Stamp, you will be given a War Savings Certificate. This has space for 20 stamps. Thus, when full, the certificate will have a cash value of \$100.00 on January 1st, 1923.

The interest paid on War Saving Stamps is equivalent to 4% compounded quarterly, if you keep your stamps for 5 years. If you should need this money before January 1st, 1923, you can get it back on ten days written notice with interest at approximately 3%, by presenting your War Savings Certificate, with stamps attached, at a Money Order Postoffice.

The 25c Thrift Stamps, however, are not redeemable except in exchange for War Saving Stamps.

It is the desire of the Treasury Department of the United States to have every man, woman and child participate in the War Savings Plan by buying Thrift Stamps and War Savings Stamps regularly. Parents are asked to encourage children to save and buy these stamps—to help win the war.

You can order War Savings and Thrift Stamps by mail from your nearest Postoffice—stating the number and kind of stamps you want—and mail it to the nearest Postmaster. Your letter carrier will deliver the stamps and collect the amount. Place your order at once. *Whosaves, Serves!*
