"CIDER BUST" FOR NEW GIRLS

One Hundred Freshmen Turn Out for Party in Orchard.

The Woman's Athletic Association gave a "cider bust" Tuesday evening for the freshmen and other new girls. The party started from the women's gymnasium at 5 o'clock and walked to an orchard two miles out the rock quarry road. About 100 attended. Unique steps were taken for getting the girls acquainted. Two lines were formed, one of the new and the other of old girls. A whistle was blown every ten minutes and partners were exchanged, the old girl at the front of the line going to the back and the others each moving up one place. The first thing the girls saw when they arrived at the orchard was a huge sign bearing the frank request "Don't be a pig," the last word represented by a picture. In spite of the warning, however, large quantities of buns, weiners, bacon, cider, doughnuts and marshmallows disappeared. The affair was under the supervision of Miss Helen Gath, Miss Dorothy Mumford and Miss Florence Smith.

Mr. Black has made application to several officers' training schools and will try to get an appointment to the next school for artillery officers, or will take an examination for the marines.

COUNCIL OUSTS W. F. SAUNDERS

Election of Successor Ends Trouble Over Primary.

Frank M. Robinson, former manager of the St. Louis Coliseum, and previously manager of the Kansas City Convention Hall, was elected secretary of the Missouri Council of Defense yesterday to succeed William F. Saunders. There has been discord in the council since Mr. Saunders signing himself as secretary of the council sent out a letter attacking Joseph W. Folk a short time before the primary last month.

At the meeting of the council at Sedalia yesterday, L. B. Dunlap of Kansas City made a motion to oust Saunders. Mayor James Cowgill of Kansas City seconded Dunlap's motion. When the vote was taken, no "noes" were recorded.

Saunders sent a letter last Saturday to Dean F. B. Mumford of Columbia, chairman of the council, in which he told all the circumstances connected with the letter which he wrote attacking Folk. Saunders said at the council meeting yesterday that every word of the letter to Mr. Mumford was true. He offered his services without salary to the new secretary for thirty days.

STILL MORE CLOTHING SOUGHT

Tomorrow Marks Close of Belgian Relief Campaign.

Tomorrow marks the closing day of the campaign for old clothing for Belgian relief, which was launched here last Monday under the direction of H. O. Severance.

Through the work of committees working systematically, great bundles of clothing have been gathered together at the headquarters in the store building near Broadway and Tenth streets, formerly occupied by Koepfen's floral shop.

Response of the citizens of Columbia has been very satisfactory. Mr. Severance said this morning, but they need not fear of getting a surplus. Extra effort will be made tomorrow on the closing day to gather up all the remaining acceptable pieces.

If it is not convenient for persons to bring the clothing to the downtown headquarters, he said, they should call 1385 Black and a messenger will be sent.

Brothers Released on \$500 Bond Each.

John, Frank and Martin Steckdaub, brothers who live out in the country a short distance from Columbia, were brought before J. S. Bicknell, justice of the peace, this morning on a charge of exhibiting weapons in a dangerous manner. They entered a plea of not guilty and were released under a bond of \$500 each. They will appear for trial before Mr. Bicknell October 5.

W. P. Hay a Captain Now.

Lieutenant Wendell P. Hay of the 354th Infantry, a former student in the University, has been promoted to captain, according to a letter just received from him. Captain Hay is in France. He is a cousin of Mrs. E. R. Childers of Columbia.

REPORTS ON SUFFRAGE MEETING

Mrs. W. E. Harshe Tells Local Organization About State Board Plans.

"A man who opposes woman suffrage is out of tune with the spirit of the times," Mrs. Rosa Ingels said last night at the meeting of the Columbia Equal Suffrage Association. "We must not be blamed for the picketing of the White House. All laboring people are not to blame for the I. W. W. There are anarchists in all great movements," said Mrs. Ingels.

The association met at the home of Mrs. W. E. Harshe, 400 South Sixth street. Mrs. Harshe gave a report of a recent meeting in St. Louis of the state board of the Missouri Woman's Suffrage Association to which she was a delegate. She reported that the board was composed of an efficient body of suffrage women, and gave an account of the personal appearance and attitude of several of the delegates.

Four hundred thousand signatures on suffrage petitions are sought in Missouri for use in the State Legislature at its next meeting. The petitions must be signed by November 23.

The state board voted that \$30,000 be raised for state expenses. Mrs. George Venable and Mrs. L. W. St. Clair-Moss were appointed as a committee to plan ways for raising Columbia's part of the fund. Part of this money is to be used in maintaining suffrage headquarters in Jefferson City during the next session of the Legislature.

TELL QUESTIONNAIRE INCIDENTS

Helpers at Courthouse Relate Stories About Registered Men.

The men who are at the Boone County Courthouse to help registered men fill out their questionnaires tell some amusing stories of incidents in connection with their work. L. M. Switzer tells of a negro who came in to get help with his questionnaire. Mr. Switzer asked him what branch of the service he wished to enter. "Regular old gun totin'," was the reply. He was listed for the infantry.

One man who had registered from Oklahoma telephoned to N. T. Gentry that his sister's baby, who was at his house, had torn up his questionnaire and thrown the pieces into an open grate. A new questionnaire was issued to him.

One man was about to mail his questionnaire to Washington but was stopped in time.

The board decided to start the work of collecting the dues at once. Mr. Stephens said that there is a debt of \$1,000 that will have to be met.
