"HESPIE" BRINGS HOUSE ALONG

Boston Screwtail Will Spend School Year With Mistress.

When most of us move, if only from one part of town to another, the approved process is merely to gather up our belongings and vacate. Not so with Hespano Sousa; he takes his house with him. "Hespie" is a pure bred Boston screwtail, the property of Miss Constance Voss of St. James, Minn. He came to Columbia from St. James to be with Miss Voss during the school year. His red-roofed kennel was shipped here to house him during his stay.

On the way from St. James to Columbia "Hespie" caused considerable trouble for trainmen. Three times he broke out of his crate. Finally they wired him with several layers of chicken wire. Since arriving here, he has made many friends, particularly with taxi-drivers. He waits at the office until he sees a car start out on a call, then he jumps in to go along.

"Hespie" is about 3 years old, but has been in the possession of Miss Voss only a short time. About six months ago a closed car drove through St. James and left the dog at the roadside just at the edge of town. Miss Voss cared for him while search for the owners was being made. When no claim was made the dog was given to her.

After every game we invite the Tiger Team to come down here and be our guests. We want to show our appreciation to you for the splendid work you are doing. The drinks will be on us and every Tiger that plays in a game will be more than welcome at "Jimmies" and he will receive without cost to himself any drink that he desires. We have reserved a special table for all Tiger Men and you can use this if you like. The Missouri coaches are also extended the same invitation. Come in any time. You are always welcome.
