

# THE COLUMBIA EVENING MISSOURIAN

THIRTEENTH YEAR

COLUMBIA, MISSOURI, FRIDAY, OCTOBER 29, 1920

NUMBER 50

## ASSOCIATION OF RETAILERS IS REORGANIZED

### Will Eliminate Useless Advertising, Establish Credit Bureau and Stop Bad Checks.

### PLANS LAID LAST NIGHT

Checks of a Man Owing Six Members of New Club Will Be Refused.

The Retail Merchants Association was organized last night at a meeting held in the Commercial Club Room. The new association will be entirely separated from the Commercial Club. For the present the new association will have its desk in the office of the Commercial Club but will have a separate secretary.

The officers elected are: President, Ben Nowell; vice-president, L. A. Barth; secretary, J. W. Sapp; R. E. Lucas, D. A. Robnett and E. T. Bamford were appointed on a committee to draw up a set of by-laws. A board of directors of five men will be appointed by the president.

The association is organized on four main principles. The first concerns that the merchants term useless advertising. This will be eliminated by submitting a copy of the advertising medium to a board of inspectors for their approval. The following exceptions are made to the rule in the board: newspapers, the National Missouri Almanac, annuals of Christian and Stephens colleges, High School annuals, electric sign boards, painted signs, circulars and pamphlets.

### WILL START CREDIT BUREAU

The second object is in regard to the credit bureau. According to Mr. Nowell it is one of Columbia's greatest needs.

"A year ago wages were good and people met their bills with ease, but in these reconstruction days money will be scarce and people will have to be urged to pay their bills."

The third purpose is to keep a check upon all persons who come to Columbia and upon those who leave. The association will determine the standing of all newcomers.

The fourth purpose of the association is to regulate and stop the passage of bad checks upon Columbia merchants. The merchants will, upon the receipt of a bad check, notify the offender, and if he does not respond readily, the secretary of the association will notify the merchants in the association.

### SUCH AN ORGANIZATION NEEDED

Mr. Nowell, acting chairman, said that in the first year of the old organization \$8,000 worth of useless advertising had been eliminated. The question of re-organization was heartily endorsed by all members.

L. A. Barth said: "I am heartily in favor of the organization of the association. If it is properly managed, it will be the greatest thing which Columbia merchants ever did. Our greatest saving will be the abolition of worthless advertising." "I am always interested in the idea of organization," said D. A. Robnett. "If we get a good start, it will be a good organization. In the old days we had three ratings for people, good, bad and indifferent. I will be glad to join an organization who will refuse a man's checks if he owes more than six members of the association."

### TO PLAN CO-OPERATIVE HOUSE

Applications for Rooms May Be Made Saturday Morning.

An advisory committee consisting of Miss Eva Johnston, Mrs. Margaret Chamberlain, Miss Louise Stanley, Miss Florence Schaper, Miss Margaret Hawkins and Miss Mary Chorn has considered the general plan of reorganizing the Welch Academy, which is to be used during the winter term as a University co-operative house for girls.

Four committees on different divisions of the undertaking, will be requested to present estimates of expenses. No plans for the purchase of new furniture will be considered until these reports are finally accepted.

Miss Schaper will act as business manager, with Miss Eva Johnston as her advisor.

Applications for rooms may be made Saturday morning from 9:30 to 12 in Room 9, basement of the Library Building. The Co-operative House Board, which will have charge of the registration, will be glad to give information during the hours, in addition to renting rooms. The room rent will be \$2 or \$3 a month and the cost of board will be divided among the girls, as it is proposed to make expenses only.

### Streets Cigarettes From Cafe.

A burglar who entered the Gordon Cafe on South Ninth street Tuesday night secured only cigarettes. An entry was made through the back window by cutting screen. Turner S. Gordon, the proprietor, said that the value of the stolen cigarettes did not exceed \$12.

The burglar is believed to have been a boy. No clues to the identity of the robber has been found.

### Vocational Work Is Inspected.

B. M. Mace, J. supervisor of agricultural training for Iowa, Kansas, Nebraska and Missouri, is examining today and tomorrow the work done by the instructors and students in the vocational department of the College of Agriculture.

## THE WEATHER

For Columbia and vicinity: Fair, and warmer tonight and Saturday, probably becoming unsettled Saturday afternoon or night.

Lowest temperature tonight 38.

For Missouri: Fair tonight and probably Saturday; warmer tonight and in the east portion Saturday; colder northwest portion Saturday.

Clear skies obtain in the Plains and Central Valleys, and also over most of the country east of the Mississippi. The apex of the cool wave is traveling southeast and will carry cold weather into Florida. Under the influence of a low pressure system the weather west of the Mississippi is on the turn to warmer, and cloudiness is on the increase along the eastern Rocky Mountain slope.

Killing frost, the first of the season, occurred last night in the lower Missouri Valley.

Under sunshine and wind Missouri roads made marked improvement but they still are rough and in low places muddy.

Fair weather with rising temperature will continue over Saturday but probably cloudiness will be on the increase by Saturday night.

Local Data: The highest temperature in Columbia yesterday was 49 degrees; and the lowest last night was 25 degrees. Precipitation 0.00. A year ago yesterday the highest temperature was 52 degrees and the lowest was 32 degrees. Precipitation 0.98. Noon yesterday: dry bulb, 47 degrees; wet bulb, 40 degrees; relative humidity, 57 per cent. 7 a. m. today: dry bulb, 29 degrees; wet bulb, 26 degrees; relative humidity 45 per cent. Sun rose today 6:33 a. m. Sun set 5:12 p. m. Moon rises 7:33 p. m.

## 2,000 GUESTS VISIT NEFF HALL

### New Building and Equipment Praised by Prominent Visitors.

The faculty and students of the School of Journalism played host to more than 2,000 guests at their housewarming in Jay H. Neff Hall last night. Visitors, including newspapermen, University students and members of the University faculty, came early to make an interested inspection of the new building. An extra edition of the Missouriian published an hour after the opening of the housewarming, was distributed among the visitors. More than 1,200 copies were given out, although hundreds of persons had left before they received their souvenir copy.

Dr. and Mrs. A. Ross Hill were present and expressed their appreciation of the new building.

"I am very much pleased with Jay H. Neff Hall," said Doctor Hill. "In fact it is the most nearly perfect of the University buildings, not only in its general structure but also in its suitability for the purposes it will serve. It is a splendid monument to Ward Neff's generosity and to his father's achievements, and it furnishes a model for future benefactors of higher education in Missouri."

Miss Amy Comstock, assistant editor of the Tipton Tribune, was among the visitors. "The thing that impressed me most about Jay H. Neff Hall is its practicability," she said after having seen the press rooms, news room and other features of the new building of the School of Journalism. "We newspaper folk sometimes ridicule what we term theoretical training, but the work done by this school certainly does not come in that class."

A guest book for the signatures of visitors was signed by 543 persons. There was such a crowd about the book that only a few had an opportunity to get to it.

## CHARGES AGAINST HUSBAND

### Mrs. Mae D. Bass Brings Suit Against James V. Bass.

Mrs. D. Bass, who has filed suit for divorce in the Circuit Court against James V. Bass, charges cruelty, non-support and criminality.

Mrs. Bass alleges that after marrying Bass on September 16 in St. Louis, she moved to Columbia with him so that he might become a vocational student in the University. Instead of entering the University, the laundress, refusing to support her, she says, "he took money and a gold watch which belonged to her, she charges, and later forged her name to a telegram to her parents, in which he asked for \$250. He got the money, she alleges."

After living with her about a week, Bass left. She has received information that he has been put in jail in Springfield on a charge of passing worthless checks, she alleges. She has also heard that he possessed another wife when he married her. Mrs. Bass asked to have her maiden name, Mae D. Jones, restored. The case will be heard in the January term of court.

## CLOSE GAME FOR C. H. S.

### Local Team Leading in Jefferson City Game.

The Columbia High football team led the Jefferson City High team by the narrow margin of 7 to 6 at the end of the first half of their game played on the local gridiron this afternoon. The tally the Columbians chalked up in the first quarter was almost equalled by the visitors in the following period, when a long forward pass put the ball on Columbia's 15-yard line and three line plunges finished the distance to the goal line.

## SOONER SQUAD DUE TO ARRIVE ON 4:20 TRAIN

### Will Take Hike to Limber Up From 18-Hour Trip—Big Oklahoma Hospital List.

### WEATHER TO BE GOOD

### Tigers in Fair Shape After Strenuous Workout During the Week—Expect a Big Crowd.

Special to the Missouriian.

NORMAN, OKLA., Oct. 29.—Ben G. Owen and twenty-two of his Oklahoma cowboy football squad men, accompanied by fifty Sooners, known as Jazz Hounds, the University of Oklahoma R. O. T. C. band and other sport followers left Norman at 10 o'clock last night for Columbia where they will meet the Missouri Tigers Saturday afternoon on Rollins Field.

With the veteran 1919 captain guard, E. E. Deacon, still on the hospital list and a number of other players receiving treatment for ailments, prospects for the Tiger-Sooner battle are more too bright from Oklahoma's standpoint.

Owen's Oklahoma cowboys will arrive in Columbia at 4 o'clock Friday afternoon. They will go immediately for a long cross-country hike to limber up their muscles from the eighteen-hour ride from Norman to Columbia. After the hike will come an early supper and then taps for the newest members of the Missouri Valley Conference.

Arctic skies, and a crisp atmosphere, toned down somewhat by a bright sun, have been promised Columbia's followers of football for Saturday. From all indications the Tigers and Sooners will take the field tomorrow afternoon before an unusually large crowd. Temporary seats to accommodate an extra thousand have been erected.

The Tigers are in better shape than was thought possible at the start of the week. Several men have been removed from the hospital detail and none has been added. The Tiger offense looks good, and the defense as well as could be expected, with the veteran tackle, Herb Hunter, in the hospital. Coaches Miller and Pielan have put the team through the stiffest week of practice drill since the opening of the season.

The Tiger offense has been emphasized and until last evening the Sooner offense was hardly considered. Present indications are that Hardin will be at the center berth with the Missourians take the field, and Bonker at Blumberg's tackle. Shannon and Andrews are the probable starters at guard, Travis at left tackle and Ruth and Geipel at ends. In the backfield Packwood and Lincoln are the only certain starters. Keshaw and Spudler are the probable occupants of the halfback positions.

Captain "Chuck" Lewis will be sent into the game if he is needed and there is every indication that he will be needed.

The Tiger captain is only in fair shape. Should he be on the sidelines at the start of the contest, Ruth will do the kicking. There is a possibility that Fullright may get into the game. Williams, another injured player, is fairly sure of being brought in the lineup but Humes is not so certain of an assignment. The fullback who performed so valiantly against Anes has a bad shoulder and has not put the pads on his shoulders all week.

The Tigers followed an unusual program last evening. Thursday night is usually a practice drill but Coaches Miller and Pielan changed this and the freshmen had the stiffest grid of the fall, battling at the Tiger defense for more than an hour.

The Sooners are confident of a victory over the Tiger, believing that Phil White, Swatek, Davis and Hill can push their way through the Missourians. The Oklahoma eleven is fully as strong as that which held the Tigers to a tie last season.

## MANY STUDENTS CANNOT VOTE

### Non-residents of This State Are Still Excluded.

Students who have not been in Missouri for a year will probably not be permitted to vote, according to Clare Magee, president of the Students' Democratic Club. The club has been seeking and will continue to seek some method for out-of-state people to vote, but to date they have no assurance that they will be successful.

John Collins, LL. B. '18, of St. Louis, spoke to the club last night. He was president of the Democratic Club in 1916 and gave the present organization a comprehensive talk on successful methods of procedure in this campaign.

The club will establish headquarters in the Conley-Meyers Bank on November 2, where any student may receive instructions in voting. These headquarters will be open all the time that the polls are open.

## J. K. O'HEERON TO QUIT

### Y. M. C. A. Secretary Tenders His Resignation Today.

J. K. O'Heeron, general secretary of the Y. M. C. A. will present his resignation to the association board late afternoon at a special board and directed the meeting.

## 1,000 MEGAPHONES FOR ROOTERS

### N. J. Givan Makes Present to the "Howling 500."

The voices of the members of the "Howling 500" are soon to be magnified. One thousand megaphones have been ordered and will probably be here for the Kansas Aggie game. Owing to a misunderstanding in regard to the order they will not arrive in time for the game with Oklahoma Saturday.

N. J. Givan, proprietor of the Jinx, is presenting the loyal band of rooters with the megaphones. They will be trimmed in Gold and Black.

## BOY TO RETURN SCHOOL

### Earl King Will File Application for a Parole.

Earl King was sentenced to three years in the reform school this morning in the Circuit Court. He was allowed to go home with his parents and to remain with them until next week, when his application for parole will be heard.

N. J. Givan, proprietor of the Jinx, is presenting the loyal band of rooters with the megaphones. They will be trimmed in Gold and Black.

## OFFICIAL HERE TO HELP DRIVE

### Capt. A. Shultz Will Lead Efforts in Salvation Army Campaign.

Captain A. Shultz of the Salvation Army arrived in Columbia yesterday. He was sent from the headquarters at St. Louis to stimulate interest in the Salvation Army drive in Boone County. "The workers here in the county have done exceptionally well," said Captain Shultz after talking with the president of the County Advisory Board.

Captain Shultz has also visited the Salvation Army headquarters in Mexico and Centralia. He reports that they are doing good work in their part of the national campaign.

Captain Shultz is at the head of the corps in Canton, Ill. He is subject to call wherever needed in helping the lesser organizations. He has been campaigning since September 1.

"The influence of the Salvation Army is increasing in great leaps," he said. "I have been traveling in all parts of the United States in the interest of the Salvation Army and have seen evidence of a great deal of work that is being done. There are many places where there is a great need for a lack of means."

Before going to his present place in Canton he was at Peoria, Ill. "As an evidence of what can be done through our organization I call attention to what was done in Peoria," he said. "When I went to that town there was only one corps of workers. In a year there were two corps. The regular Sunday School attendance increased 125 in that time. Since I started my work in Canton three months ago the attendance at Sunday School has increased 15 per cent."

## WILFLEY SPEAKS AT Y. M. C. A.

### Says Some of Great Republicans Favor League of Nations.

United States Senator N. P. Wilfley, of St. Louis, in his speech at the Y. M. C. A. Building last night said:

"In both state and national administrations the Democratic party can point with pride to its record of the past. It inaugurated both the income tax and the federal reserve banking system, and these two measures enabled us not only to carry on our part of the war, but to finance the allied armies to the extent of ten billion dollars."

The Democratic ticket, both state and national, will win by a safe majority next Tuesday, former Senator Xenophon P. Wilfley of St. Louis said this morning. Mr. Wilfley is campaigning in Boone County this week. He has visited fifteen counties in the northern and central part of the state during the present campaign.

"The sentiment in the state is strong for the League of Nations," according to Mr. Wilfley. "There are no demands for reservations, but the people are willing to accept any reservation necessary to clarify the League, such, for instance, as the Hitchcock reservation on Article X."

"I think Atkinson has clearly defeated Hyde on every controversy on state issues that has arisen between them. Hyde attempted to exaggerate conditions in Kansas City, but when Atkinson showed the people of Missouri that in the Democratic wards in Kansas City, 10,000 more men registered for military service than he stated, it was perfectly apparent there was no flagrant padding in that city."

Mr. Wilfley said that elections in St. Louis were usually free from fraud, charges of illegal practices always being made at the primaries and not at the regular elections. He said that in the recent Republican primary there was much charge of fraud.

Referring to the situation throughout the Nation, Mr. Wilfley predicted that the election will be comparatively close. "No man can base figures upon facts that will warrant any prediction as to how the Nation is going. There has been an admittedly strong drift to Cox in the last thirty days, and I am of the opinion it is sufficient to elect him. In addition to the solid South he will carry Ohio, Indiana, New Jersey and possibly New York, and will carry sufficient doubtful states to give him a majority of the electoral votes."

(Copyright 1920 by J. H. Donahy)

## STILL MAKER IS ARRESTED

### Henry Kreutz, Who Made Apparatus for Little, to Be Tried in March.

A warrant was served this noon on Henry Kreutz, a Columbia timer, by C. A. Smith, deputy United States marshal, charging Kreutz with the manufacture of a still.

According to information gathered by A. M. Burke, federal prohibition officer from St. Louis, who was here the first of the week, Kreutz made the still, a small affair with a capacity of about one quart an hour, for R. E. Little. Little paid \$18 for it and hid it in his shop at 15 North Tenth street when it was found by the police.

Kreutz has admitted that he made the still but says that at the time he had no knowledge of what it was to be used for. He is accustomed to making special apparatus in his business as a tinner without knowing what it is to be done with his products.

Kreutz expressed a willingness to accompany Smith back to Jefferson City this afternoon but explained that it would inconvenience him in furnishing bond. He will leave tomorrow morning and give bond appearance in the Federal Court.

## F. H. KING SEES ROYAL FAMILY

### Compares Arrival of Crown Prince With Student Mass Meeting.

Claims for a ruler are comparable to the calls for favorite men at the University mass meetings, according to Frank H. King, graduate of the School of Journalism, who is reporting now for the London bureau of the Associated Press. In a column of Mr. King's letters to a friend in Columbia, he writes:

"Yesterday I went out to report the arrival of the crown prince. It was quite a show. I saw the king, Queen Mary, Queen Alexandra, Princess Mary and many other lesser royal lights besides the main attraction, Young Wales, who, by the way, seems to be quite a popular youngster in the city. After the prince went into the palace, the crowds called, 'We want the Prince' until he came out, it was announced at the club luncheon today. Z. G. Cleveland was a guest of the Commercial Club at 4 o'clock."

"Pete Brandt arrived last week and I spent several enjoyable days with him. Last Sunday afternoon he went out to Hampton court, about twenty miles up the Thames River. I shall send you a week-end with him at Oxford soon."

## A BITE COSTS A DOG'S HEAD

### Brain Is Examined at Hospital in Hydrophobia Test.

Joseph McKnight of Jefferson City brought his son, who was bitten by a dog thought to be suffering from the rabies, to Parker Memorial Hospital yesterday for examination.

The head of the dog was also examined by authorities here. No evidence of hydrophobia was found in the examination of the dog's brain.

## McSWINEY'S DEATH NOT SUICIDE, BIBLE PROFESSOR DECLARES

### Lord Mayor McSwiney Was Not a Suicide, Said Dr. A. W. Taylor of the Bible College.

"Lord Mayor McSwiney was not a suicide," said Dr. A. W. Taylor of the Bible College. "He stated his principle when he began his hunger strike, saying: 'Ireland will not win her freedom by violence but by men dying for her sake.' McSwiney no doubt considered his voluntary act in the light of a vicarious sacrifice, a deeply religious principle."

"The British government was within its legal bounds when it allowed McSwiney to starve," said Prof. W. J. Shepard of the political science department of the University. "The attitude of the government was that McSwiney was the same as any other prisoner and if he did not want to eat he did not have to. The government could have forced him to eat as it did in the case of the suffragist hunger strikers."

"The English government was unwise in its treatment of McSwiney," Doctor Taylor said. "England has successfully dealt with all hunger strikes previous to this one by releasing the prisoners. The suffering caused by hunger was considered equal to the punishment ordered for the prisoner."

"Not a criminal has ever been known to go on a hunger strike," continued Doctor Taylor. "Hunger striking and criminality represent two opposing forces: one, non-resistance to law; and the other, opposition to law. The principle of non-resistance is the one that Christianity is built upon. Anyone who goes on a hunger strike takes a greater punishment than he would if he took civil punishment. It requires extraordinary will power for an individual to torture himself to death by starvation."

McSwiney's death will only make the Irish people more determined, according to Doctor Taylor. The Irish are a deeply religious people and McSwiney's voluntary martyrdom will add flames of religious zeal to their cause.

## TO HELP MANAGE CROWD

### President of Commercial Club to Name Co-operating Committee.

F. R. Rollins, president of the Commercial Club, will appoint a committee to co-operate with the department of athletics in the University in handling the crowd for the Missouri-Kansas football game, it was announced at the club luncheon today. Z. G. Cleveland was a guest of the Commercial Club at 4 o'clock.

Charity Organization to Elect Nov. 8. The newly elected board of directors of the Charity Organization Society will organize and elect officers Monday, November 8, instead of November 1 as was stated in the Missouriian yesterday. The meeting will be held in the Commercial Club rooms at 4 o'clock.

## STUDENT BAND TO ENTERTAIN

### Volunteer Organization Will Present Three-Act Halloween Pageant.

The Student Volunteer Band of the University will give a three-act Halloween pageant at the Broadway Methodist Church at 7 p. m. Sunday, under the auspices of the Epworth League.

Foreign students from Porto Rico, Philippines, Japan, China, India and Korea will appear in their native costumes and tell about the customs of their own lands.

A short musical program, under the direction of Prof. H. H. Loudenback, consisting of a duet, a number by a male quartette, some organ numbers and a chorus will be given.

## MOURNERS LOSE MAYOR'S BODY

### Police Take McSwiney's Remains After Battle at Docks in Ireland.

DUBLIN, Oct. 29.—The mourners for Terence McSwiney arrived here this morning without the body of the former lord mayor.

When the boat docked in Ireland they expected to place the body immediately in a waiting railway car.

However, their plans were disrupted when a body of policemen appeared at the docks and took charge of the body. The mourners resisted the attempts of the policemen and in the battle which ensued several were injured. Father Welch was the most seriously wounded. They had expected the body to arrive in Cork today.

## HOT LUNCHEONS AT ROCHEPORT

### School There Is First in County to Serve Pupils.

The students in the Rocheport School will receive their first hot noon lunch Monday. Although the high school here is small, a few girls are taking home economics and they are to cook at least one hot dish each noon. The school possesses a three-burner oil stove on which the food is to be cooked. The girls are working this week to fix up a kitchenette in the school building where these lunches may be prepared.

The Rocheport School, which contains about one hundred pupils in the grade and high schools combined, is the first school in Boone County to institute the practice of serving hot lunches to the school children at noon.

## ENTERS SUIT OVER PROPERTY

### Mansel Sims of Sturgeon Asks for Settlement in Circuit Court.

Mansel Sims brought suit against Dennis Spelman in the Circuit Court this morning concerning the contract for real estate near Sturgeon. They both live in the county near Sturgeon.

The jury reached no decision on the suit of S. A. Meyers of Kansas City against Walker D. Hines, director-general of railroads, and the case will be tried over.

## STUDENT BAND TO ENTERTAIN

### Volunteer Organization Will Present Three-Act Halloween Pageant.

The Student Volunteer Band of the University will give a three-act Halloween pageant at the Broadway Methodist Church at 7 p. m. Sunday, under the auspices of the Epworth League.

Foreign students from Porto Rico, Philippines, Japan, China, India and Korea will appear in their native costumes and tell about the customs of their own lands.

A short musical program, under the direction of Prof. H. H. Loudenback, consisting of a duet, a number by a male quartette, some organ numbers and a chorus will be given.

## BOTH PARTIES PREDICTING A SURE VICTORY

### Republican and Democratic National Committees Confident of Election Results.

### WILSON PRAISES COX

### Democratic Candidate Accuses Harding of Opposing League for Campaign Purposes.

According to the formal reports and election predictions issued today by the Democratic and Republican national committees, both parties are confident of victory on the eve of the coming election. Democratic reports say the Republicans are fast losing ground while the Republican prediction is for a greater majority than any since Roosevelt's election in 1904.

New York, Oct. 29.—"The close of the 1920 presidential campaign joins to a Democratic victory," George Widge of the Democratic national committee declared here today in his formal report and election prediction.

He declared that the Republican forecast were in retreat all over the United States and that Cox and Roosevelt would be elected. He said that the Democrats would carry all of the border states as well as the South, Indiana and Ohio will be Democratic, according to his report. He said that the conditions on the Atlantic coast were improving every day, and that the Democratic party would carry New Jersey and New Hampshire.

Speaking of the situation in the West he said reports from Montana, Colorado, Idaho, Nevada, South Dakota, Utah, New Mexico and Arizona indicated that these states were swinging into line and that they would go Democratic. He said that Nebraska and North Dakota were also showing a marked betterment of prospects. In Minnesota and Wisconsin he said the prospects were improving beyond expectations. In Kansas and even Iowa he declared that the tide was turning to the Democrats and that the situation in these states was improving wonderfully.

## WILL HAVE SEEN VICTORY

New York, Oct. 29.—"Victory for Harding and Coolidge will be by the biggest electoral majority since that of Roosevelt in 1904," Will H. Hays of the Republican national committee declared here today in his formal election prediction.

He declared that the minimum number of electoral votes known to be for Harding is 368. He also declared that there was better than an even chance for gaining 24 more and possibly 25.

YOUNG MEN'S ASSOCIATION. YOUNGSTOWN, OHIO, Oct. 29.—Enroute with Governor Cox, Governor James M. Cox in his speech at Akron last night made a sharp attack on Senator Harding. He declared that Harding was conducting a partisan campaign entirely, and that all of his opposition to the League of Nations was for political purposes solely.

## WILSON ENDORSES COX'S CAMPAIGN

WASHINGTON, Oct. 29.—President Wilson today sent a letter to Governor James M. Cox expressing his pleasure and endorsement of the Democratic campaign. His letter was headed, "My dear Governor Cox," and in it he said, "As the campaign closes I want to express to you my pleasure and endorsement of your course; you have spoken clearly and fearlessly and you will receive the endorsement of the American people. I wish to express my confidence in you and trust that you may carry the policies of the American people forward with you."

## ABSENTEES MUST SIGN BALLOT

### Judges Names Must Also Be on It to Make Vote Legal.

Voters who cast their vote in Columbia Tuesday but have the votes sent to their home counties should use care in filling out the blank affidavit furnished them.

The ballot on which the candidate name appears must have the names of all the judges of the precinct where the vote is cast. The full name must be written. Initials will not suffice. The affidavit which accompanies the ballot to the voters' home county must be properly filled out and signed by the voter and a notary public. Otherwise the vote will not be counted.

After the ballot and affidavit have been properly filled and signed they may be left with the judge. It is his duty to mail them to the county clerk of the home county of the voter.

## Marriage Licenses Issued

Marriage licenses were issued today to Charles Davidson, 46, of Switzer and Mrs. Annie Reese, 46, of Columbia; and to Ovie G. Jacobs, 19, and Miss Albin Quisenberry, 19, both of Midway. Frank E. Jacobs gave his consent to the marriage of his son.
