The directors and officers of the Boone County chapter and members of the special committee were also present. They discussed ways and means for carrying on the drive which begins November 11.

The membership goal for Boone County this year is 4500. Every child in Boone County will be reached through the public schools. The following letter has been sent to every teacher in Boone County:

"It is needless to explain to you, who know so well, the beneficial service of the Red Cross. Its activities are all directed toward helpfulness in relieving distress, promoting health and improving conditions of whatever kind, that affect the welfare of the people. For the past year Boone County has had the full time service of a Red Cross nurse. In many cases as a result of her recommendation towels and bandages have been removed and poor eyesight corrected. She has also given helpful advice in reference to other diseases, both chronic and contagious. By continuance and development of her work, every nook and corner of the county can be reached and much that will contribute to better living conditions accomplished.

"We know that you are ready and willing to help in the drive for membership. The annual roll call begins Nov. 11. Membership is \$1; contributing membership, \$5.00; sustaining membership \$10. Allow this committee to suggest that you and the children in your school join in enrolling the school as a sustaining member, or a contributing member.

"Honor rolls containing the names of the schools and their teachers will be published from time to time.

"We shall be glad to have you suggest how we may assist you to place your school on one of these rolls, and to have other helpful suggestions you can make. ### J. K. O'HEERON RESIGNS FROM Y. M. C. A. POST

#### General Secretary to Be Re-elected by Board Dec. 31 After 18 Months' Service Here.

#### RETURNS TO PASTORATE Was Army Chaplain in World War—Is Pleased With the Good Work of the Association.

The resignation of J. K. O'Heeron as general secretary of the Y. M. C. A. was accepted by the Board of Directors late yesterday afternoon. The resignation will take effect the last of December.

His successor has not been considered by the board.

Mr. O'Heeron has been secretary of the Y. M. C. A. since June, 1917. He took the place shortly after he returned from Europe where he served a year as an army chaplain with the 332d Infantry, which was the only combat infantry in Italy. He was in the trenches with that unit from September 1, 1917, until the close of the war. He went from there to the Balkan states to help put down a revolution there.

The following is a copy of his resignation:

"It is with much regret that I tender my resignation to the Board of Directors of the Y. M. C. A. at this time, but I feel, after a prayerful consideration for the welfare of my family and the future of my work that I must take this step. For ten years before the World War I was a pastor; therefore, you will not misunderstand me when I say that I have definitely decided to return to the pastorate. You will be conferring a great favor upon me if this resignation is accepted to take effect not later than the last day of December, 1920.

"I am very grateful to you for your kindness and co-operation in all that I have tried to do. Whenever it is possible to do so, I shall always feel it my duty to co-operate with you in an effort to carry on the work in this institution. I shall not forget to pray for the success of all your efforts among the students.

"The religious program has been so good. More men and women have volunteered for the Christian work the last year than in any other year in the history of the association. Four men have volunteered for the ministry. Five girls and seven boys have volunteered for foreign mission work. However, this was the result of combined effort of all religious groups in the University.

"Our social program for this year looks bright—thanks to the efforts of a wide-awake cabinet. I wish to commend them for the last two socials.

"Our Democracy Club has always done an excellent piece of work. The work among the foreign students is very good indeed."

### THE ADVENTURES OF THE ROAD.

### WALTHY MAN HELD CAPTIVE FOR FIVE DAYS

#### Arkansan Makes Spectacular Escape From Farm House Where He Signed a \$25,000 Check.

#### LEFT AS GUARD SLEPT Five Men Met Financier at St. Louis Depot Monday—Woman Also Bound and Gagged.

By United Press.

ST. LOUIS, Oct. 30.—Asserting that he had been held prisoner in a farm house near here since last Monday and forced to sign a check for \$25,000 Joseph Alexander, a wealthy financier from Arkansas, made his escape to the police headquarters and told the police his story this morning.

Mrs. Margaret Taber of St. Louis was also held prisoner at the farm house and it is asserted that she brought the check to a local bank to be cashed.

Alexander's escape from the farm house was spectacular. He said that a man always slept with him and that he was never allowed a minute to himself. He said that last night he awoke about 3 o'clock and that his guard was sleeping. After a time he managed to get his feet untied from the bed and crept to a window. He climbed out and dropped to the ground. His hands were still tied. Prints of bare feet were later found in the wet grass outside the window.

After leaving the house Alexander finally met a butcher and asked the man to untie his hands. The butcher thought he was crazy and fled. He had the same experience later at another farm house but the farmer there took him into custody and delivered him to the police of St. Louis County. He told his story to Sheriff Bope of the St. Louis police.

Mrs. Taber was found at home this morning. She said she had been brought there in her night clothes by the men at the farm house. She is being held for investigation.

Alexander said that he had known Mrs. Taber for several years and that he had telegraphed her he was coming to St. Louis on business. When he arrived last Monday morning he was met at the train by five men who told him that they had been sent by Mrs. Taber to meet him. They told him that she was sick.

He went with the five men in an automobile and at the edge of the city one of them drew a revolver and told him if he made any resistance they would kill him. He was then bound and gagged. The men took him to the farm house and put him in one of the rooms of the second floor. The gag was removed only when he was fed. The men told him that they knew he was worth \$100,000 and on Tuesday he was forced to sign a check on a bank of Ft. Smith, Ark. He said that he scribbled the name in such a manner that it would look like a forgery.

Mrs. Taber was brought to the home before the check was signed. The men had also bound and gagged her. She told Alexander she had to do what the men dictated as they threatened her if she made any resistance to their efforts, she says the men told her Alexander was sick and needed her.

Alexander and Mrs. Taber are both being held for investigation of the affair.

He said that he scribbled the name in such a manner that it would look like a forgery.

Mrs. Taber was brought to the home before the check was signed. The men had also bound and gagged her. She told Alexander she had to do what the men dictated as they threatened her if she made any resistance to their efforts, she says the men told her Alexander was sick and needed her.
