NOTICE OF ANNUAL SCHOOL ELECTION.

In compliance with Sec. No. 11251, Revised Statutes of Missouri, 1919, notice is hereby given to the qualified voters of the school district of Columbia, in the county of Boone, state of Missouri, that the annual school election will be held in said district on Tuesday, April 5, 1921, and that the following proposition will be submitted: To elect two directors to serve for a period of three years.

Said election will be held in conjunction with the city election of the city of Columbia, Missouri, at the same polling places and under direction of the same judges and clerks. Voters living outside said city will vote in that ward of said city to which they would be attached if the ward lines of said city were produced in straight lines throughout said territory to the limits of said district.

Done by order of the Board of Directors of the Columbia School District, the 28th day of February, 1921.

F. L. BOGGS, Secretary.

Note: Owing to the uncertainty as to what action will be taken by the State Board of Equalization respecting the matter of a full assessment of taxable property, the School Board does not deem it wise to ask that the levy for school purposes be fixed at this election, but feels that the matter of levy should be deferred and a special election for that purpose held after the State Board has rendered its decision.

F. L. BOGGS, Secretary. Adv-182

TRACK MEET HERE MAY 7

Kansas Aggies to Send Stars—Will Be Feature of High School Day Program.

Arrangements with the Kansas Aggies for a dual track meet here May 7, as part of the high school day program, were completed by wire this morning, according to an announcement made by Z. G. Clevenger, director of athletics.

Clevenger says the Aggies have some of the best men on valley track teams and four especially who have distinguished themselves. All of the Aggie stars will be seen in action on Rollins Field.

Ray Watson, captain of this year's team, a 1 and 2-mile man, won both of those events in the valley last year. Cliff Gallagher and Hollis Hope are also strong men.

The Aggies 4-mile relay team will also be one of the entrants in the dual meet.

Workout of the Tiger track squad, preparatory for the meet which will be certain today, has been slowed up somewhat during the last few days by bad weather, but is now under way again.

PIKERS GET NEW PITCHER

Frank de Bolt, sophomore basketball man, will help Lyon.

Until last Saturday the Pikers had not found anyone who looked anything like a promising assistant to Captain Lyon, the pitcher. Saturday it rained!

Washington had a game scheduled with the Triple A team, but none of Coach Bascom's hurling candidates appeared. Bascom viewed the squad that was thrown in his disgust asked, "Who thinks that he knows how to pitch?"

Frank de Bolt, a sophomore basketball man, walked into the pitching box. Even though he has not had any practice this year, he held last year's St. Louis municipal champions to two runs and four hits in five innings. In the fourth inning he struck out three men.

The following men have been named as the possible traveling troupe for the coming season: Pitchers, Lyon, De Bolt, Scurluck and Trantwein; catchers, Finn, Burke and G. Thompson; first base, Shanley; second base, Schew; short stop, Wyman and King; third base, Lacey and Linnemeyer; outfielders, T. Thompson, Berger, Magualo, Denney Hurd and Halfer.

GETTING READY FOR BULLDOGS

Opening Battery Will Probably Be Pruitt and Murphy.

When the baseball squad was working out daily during the warm days of late February and early March, Coach John Miller was much pleased over his 1921 schedules, which calls for the opening game ten days earlier than last year. Everything went according to schedule until Easter Sunday. Saturday afternoon of last week the Varsity took a well-earned contest from the Yannigans. The team was frozen out on Monday and last evening was such a chilly session on Rollins Field that the hurlers didn't have much of a chance to get the kinks out of their arms.

Consequently the Tigers may not be in perfect shape for the opening of games next week with Drake. The Bulldogs will visit Missouri Friday and Saturday of next week.

Tiger rooters are beginning to wonder about the opening lineup which Coach Miller will send against the opposition. With the possible exception of two positions, the opening lineup can be picked today. Of course there are many things that may turn up at the last minute which would cause a shift in the formations, such as sore arms and illness.

The probable opening battery will be Pruitt and Murphy. Pruitt has shown the best form of all the Tiger hurlers in the preliminary workouts. He has a good assortment of wintlers and, best of all, has good control, which is a wonderful asset for a sidewheeler. For the second game Ficklin, a lanky right hander, is the best bet. Ficklin appears steadier on

THE GREEN BUG INVADES STATE

Wheat Fields of Western Counties Are Damaged by the Pest.

The green bug, a species of the louse family, is making its first appearance in the western counties of Missouri. It has been reported in Carthage and Joplin. This is the first appearance since 1907.

This small bug, which greatly resembles the louse seen on plants in the summer, can, in a short time, make great depredation on the wheat, oats, barley and other cereals. It only comes north in those seasons which are exceptionally early, or are late and hot. The green bug is destroyed in ordinary years by other bugs such as beetles. However, the beetle will not live and breed in a temperature lower than 70 degrees and the green bug will live and breed in a temperature of about 30 degrees.

The early spring has caused the green bug to come north where it is still too cold for its natural enemy, the beetle, to survive.

When small patches of the grain begin to turn yellow, it is an indicator that the green bug is in the wheat fields. The only logical way of combating with it is to immediately plow under those patches in some places farmers have found it effective to go over the fields with a heavy roller. Spraying would kill the louse, but this is considered too expensive and there is little machinery in the country for the purpose.

The green louse winters in Texas. The government has experts there working on a way of exterminating it while it is in winter quarters. However, these men have not yet been successful in stopping it.

The bugs are brought north by the winds and light in the green fields. They are small being about the size of the small grass lice, and have wings and numerous feelers.

Prof. L. Haseman of the University has made quite an extensive study of the bugs and says little precaution is taken, as they have done little damage in the last fourteen years.

A. C. Burrill, assistant professor of entomology in the College of Agriculture, left for Neosho yesterday afternoon to make an investigation concerning the green bug and the chinch bug which has been reported in some parts of the state. He will work with the extension worker from Kansas, as that state is being infested also. The extension division is sending letters to the county farm bureaus to find out what has been done during the winter to destroy the chinch bug.

The damages that can be done by the green bug will depend upon the weather. If it turns warm enough for its natural

DELTA TAU DELTA WINNERS

Phi Delta Theta loses 18 to 16 in Hard-Fought Contest.

Delta Tau Delta defeated Phi Delta Theta, 18 to 16, at the Rothwell Gymnasium last night, winning the cup for the fraternity basketball tournament.

The teams were evenly matched. In the first half neither team obtained a material lead. At the end of the first period the Delta Taus held the long end of an 8-to-6 count.

The second half was as hard fought as the first and just as close. First one team would take the lead and then the other. With about three minutes to play, the score was tied, 16 to 16. It remained this way to the last minute of play when Van Horn, the rangy Delta Tau center, dropped in a difficult shot from the side of the court. The Phi Deltas in the last minute bombarded their basket but none of their shots hit the mark. Both teams showed a weakness in making their free throws count.

Those who played on the teams were: Delta Tau Delta, center, Van Horn; guards, Seaman and Thompson; forwards, Bruce and Williams. Phi Delta Theta, center, Crawford; guards, Deuny and Hagemann; forwards, Wetzel and Ruth. Ruth starred for the Phi Deltas and Williams for the Delta Taus. The Phi Deltas will receive a cup for second place.

EARN MONEY FOR NEEDY

Man Arrested for Vagrancy He Only Works to Help Others.

By Gaines Press. DENVER, Colo., March 30.—There's one big-hearted man in Colorado. He is Harry Popst.

Popst, ragged and unkempt, was picked up half-starved by a policeman here. When brought into court as a vagrant he answered, in reply to a question of what he did with his money:

"I came to Denver to have a good time. I had it by giving my money to those more needy than I. In the eyes of the law I'm a vagrant. In my own heart I'm a gentleman, glad to enjoy God's blessings without craving for man's supreme creation—money."

"Discharged," said the judge. 32x3 1/2 Guaranteed Cord Tires, \$22.65 at Taylor's Garage.—Adv.

CHAMPS HOLD GLOVE TITLES

Johnny Kilbane Only Fighter to Remain Inactive During Busy Winter.

By HENRY L. FARRELL (United Press Staff Correspondent.) NEW YORK, March 30.—With the possible exception of Johnny Kilbane, all the pugilistic champions seem firmly seated on their thrones after one of the biggest winters in the history of boxing.

Johnny Wilson, the middleweight champion and one of those of whom the bugs said, "He's done the first time he defends the title," was the last to prove himself the best in his class.

Wilson is far from what the American experts in a ring champion, but nevertheless he proved himself the best in the division by defeating Mike O'Dowd, ranked the next best, for the second time.

The Boston Italian, when O'Dowd was charging the referee who took the title away from him with larceny, came out with a line that may follow him to the end of his career—"There are a lot of boys who can beat me, but Mike O'Dowd is one that I can whip every night in the week."

O'Dowd not only lost his bid for the crown he used to wear, but he demonstrated that he is not to be considered anywhere in middleweight matters. He seems to have reached the peak of his power and is now going down the other side.

Johnny Kilbane, the featherweight champion, was the only titleholder to remain inactive during the winter. Several times it seemed he would defend his title, but the negotiations were never completed. It would not surprise close followers of the sport if the Cleveland Irishman never pulled in the gloves again.

He is a veteran in years and experience and unless he can be tempted by a huge purse to go through tedious training for a fight, it is not at all unlikely that he will announce his retirement this summer.

As was said of Johnny Wilson before he gave O'Dowd a return fight, the fans were predicting all winter that the first good featherweight to get in the ring with Kilbane would take the title away from him. However, this is not a unanimous opinion by a long way.

Matt Hinkle, Cleveland millionaire and one of the best authorities in the United States, maintains that Kilbane is not at the end of his string and that, if he wants to come out he can still beat any boy in his class.

Benny Leonard is supreme in the lightweight class. Lew Tendler and Willie Jackson are the next best in the class and they are both "scared to death" of the champion. When Benny disposed of Joe Welling and Richie Mitchell during the winter, he removed the really dangerous contenders from the field.

"Old Man" Britton gave evidence in trouncing Ted Lewis that he is still the best of the welterweights. Lon Bogash has been considered worthy of a chance for the title, but he is far from ready, as the "grand old man" knows too much for him.

Joe Lynch has had a lot of contenders

PHI DELTA THETA LIVES 18 TO 16 IN HARD-FIGHTED CONTEST.

Delta Tau Delta defeated Phi Delta Theta, 18 to 16, at the Rothwell Gymnasium last night, winning the cup for the fraternity basketball tournament.

The teams were evenly matched. In the first half neither team obtained a material lead. At the end of the first period the Delta Taus held the long end of an 8-to-6 count.

The second half was as hard fought as the first and just as close. First one team would take the lead and then the other. With about three minutes to play, the score was tied, 16 to 16. It remained this way to the last minute of play when Van Horn, the rangy Delta Tau center, dropped in a difficult shot from the side of the court.

The Phi Deltas in the last minute bombarded their basket but none of their shots hit the mark. Both teams showed a weakness in making their free throws count.

Those who played on the teams were: Delta Tau Delta, center, Van Horn; guards, Seaman and Thompson; forwards, Bruce and Williams. Phi Delta Theta, center, Crawford; guards, Deuny and Hagemann; forwards, Wetzel and Ruth. Ruth starred for the Phi Deltas and Williams for the Delta Taus. The Phi Deltas will receive a cup for second place.

HORSES FRENCH 75'S MACHINE GUNS BROWNING AUTOMATIC RIFLES

Are a part of the regular equipment of Batteries B and C, First Field Artillery, Missouri National Guard.

Recruiting for Battery C will open Saturday on Broadway. If you are a red-blooded young man and live in Boone County it is to your advantage to join up with this organization.

It will give you an opportunity to learn the French 75. You will learn how to handle the Browning Automatic Rifle. You will learn the handling of the Browning Machine Gun, which is classed the best of all machine guns.

At the same time you will be rendering both your state and your nation a patriotic service.

All members of the batteries get pay for all drills attended. Then this summer there will be two weeks --On Full Pay-- in which you get actual range training at Camp Knox, Ky.

SIGNS APPROPRIATION BILLS

Measures Approved by Governor Arthur M. Hyde.

Governor Arthur M. Hyde has signed bills appropriating money for the state educational institutions, totaling \$6,262,892, the greatest amount ever appropriated for those institutions. Other appropriation bills he approved bring the total sum carried in the various measures up to \$6,959,492. The educational appropriation includes \$2,651,000 for the University.

POLITICAL ANNOUNCEMENTS

Councilman—Fourth Ward. We are authorized to announce T. J. Rothhouse as a candidate for office of councilman from the fourth ward as an independent candidate.

7000 WESTERN REFERENCE TEACHERS WANTED!

Last season we received official requests from employers in forty-three states and four foreign countries for over SEVEN THOUSAND teachers for schools and colleges from Kindergarten to University.

Our ninth year of recommending only when asked to do so by employers direct. This is why our members are usually chosen. They are wanted. If you want a position with the Progressive employers who depend upon our Professional Service for teachers you must use the same service they use. Free enrollment. Commission payable out of first and second months' salary. The Western Reference & Bond Association, 358 Journal Building, Kansas City, Missouri. —Adv.
