

GAS REPORT IS APPROVED BY CITY COUNCIL

Estimate of Black & Veach for Appraising Establishment Is Also Accepted.

ROCK ASPHALT FAVORED

Steps Are Taken to Pave Many Columbia Streets With the New Kentucky Material.

The City Council last night approved the report of the gas committee regarding the appraisal of the gas works, and decided to accept the estimate of Black & Veach, engineers, for appraising the establishment. A per diem charge of \$50 will be made for the valuation plus the living expenses of the appraiser. The firm estimated that the cost of furnishing a valuation of the gas plant would amount to seven or eight hundred dollars. If a more careful valuation is desired at any future time, the present report can be used as a basis for the more elaborate one. The city will pay half the cost of the estimate, and the gas company half.

The report of John R. Silver, city engineer, was read, and a resolution drawn up that the report be placed on the books. Mr. Silver's report of the inspection trip to Louisville, Ky., to investigate the possibilities of Kentucky Rock Asphalt was highly favorable to that material. One case cited was that of a highway which had been paved with rock asphalt for thirty years and which was still in excellent condition.

Ten miles of the road connecting Louisville and Camp Knox, paved with rock asphalt was examined and, according to Mr. Silver, has been severely tested. The road was originally macadamized and the present material was added for resurfacing in 1916. The road, 20 feet wide, was a main highway during the war for heavy trucks and artillery, and its durability is shown by the fact that it is still in first-class condition and practically no money has been expended on upkeep.

Mr. Silver's report further stated that the ease of handling of the Kentucky Rock Asphalt, its suitability for construction, reconstruction, or for patching, its moderate first cost, and very low upkeep make it a highly desirable material for use on streets.

WILL SUPPORT LIBRARY
The council approved a petition of the Library Board that expenses of the public library from May 1 to January 1 be met by the city, which is to be reimbursed when the recently voted half-mill tax is collected. The library fund will not be available until that time, and it is expected that the amount collected will be sufficient to reimburse the city for the expenses of the library for the next eight months, with a sufficient balance to run the institution on a moderate scale next year. Arrangements are also to be made whereby the title of the property of the library is to pass to the city.

Resolutions that the following streets be paved were passed: Melbourne, from Windsor to Hinkson; Paris road, from Price avenue to Orr street; Park avenue, from Christian College avenue to the Washburn Railroad right of way; Short street, from Broadway to Walnut street; Fifth street, from Broadway to a point eighty-six feet north of Maple street. All the streets are to be of a macadam base of 8 1/2 inches, with a surface of Kentucky Rock Asphalt of 1 1/2 inches. The council resolutions will be published for seven days, and if a protest is not filed within ten days after the last publication, the council shall have power to order the work done. All the streets are to be 24 feet wide.

The council decided to put in a sidewalk on the north side of Cherry street east of Ninth street. The action was taken upon the request of the I. O. O. F.

J. A. Stewart appeared before the council, asking that a water main be installed from Stewart road, north on Carth avenue. The matter was referred to the water and light committee.

MAY 16 CLEAN-UP DAY
May 16 was the date set for Clean-Up Day, at the suggestion of the city engineer. Clean-up day has usually been held during the latter part of April, but due to the unusually heavy rains, the date was deferred this year. The time will be extended until the work is finished. The council allowed Mr. Silver \$200 to carry on the work. The offer of the Metropolitan Life Insurance Co. to furnish posters and literature for Clean-Up Week was accepted.

The license of the Dorn-Cloney Laundry was lowered from \$100 to \$50 upon the recommendation of F. B. Rollins.

A. J. Goodrich, representing the Collins Construction Co., Kansas City, was granted permission to close South Fifth street in order to store building materials there. Seventy-five feet north of Stewart road will be temporarily closed, to expedite the building of the new University power plant.

A petition was read before the council protesting against the paving of St. Joseph street. Sixteen persons had signed the protest. Wilford Arnette appeared, and asked that the street be paved. The matter was referred to the next meeting of the council.

A protest against the closing of the alley running north and south between Eighth and Ninth streets, signed by

THE WEATHER

For Columbia and vicinity: Mostly unsettled weather tonight and Wednesday, probably showers; not much change in temperature.
For Missouri: Probably showers tonight and Wednesday; not much change in temperature.

Alexander Klass and W. R. Shaeffer, was referred to the street committee and the city attorney, to be reported on at the next meeting of the council.

A resolution establishing a grade on Park avenue, from Christian College avenue to the Washburn right of way, was approved.

Samuel Butler was granted an extension of 30 days on his contract for constructing a sewer in district 43.

The question of standardizing the fire connections and couplings was referred to the fire committee and the fire chief for investigation.

NEW ADDITION APPROVED
An ordinance approving the plat of Welch's addition, and authorizing the construction of streets and alleys, was passed.

Bills for the current month were allowed, and warrants ordered drawn to meet them.

Samuel Butler was awarded a contract for the construction of sidewalks. The bid turned in by Butler amounted to \$818.24.

A petition that the region known as Hickman's addition be approved was presented by the Columbia Funeral Home. The addition was laid out on November 1, 1867, but the plat had never been approved, and there was some fear that the titles might not be legal. The matter was referred to the city attorney for investigation.

O. W. Boutwell was granted permission to install an underground tank in front of his place of business.

Several licenses were renewed and a license for the Siegrist & Silbom Shows approved. The license extends from May 8 to May 13. The old license of \$10 a day, instead of \$20, as recently established by an ordinance, was charged, owing to the fact that application for permission to operate in Columbia had been made last February.

A petition of the negroes of Columbia that they be allowed to hold celebrations on Emancipation Day, August 4, was granted.

FAIRCHILD TO BUILD HOME

House To Be of Hollow Tile With Brick Veneer.

Dr. A. H. R. Fairchild, recently let a contract to Stewart Brothers, local contractors, for the erection of a home on Glenwood avenue, in Westwood addition, opposite the homes of Dean J. P. McBaine and J. A. Hudson. The house will be of hollow tile construction with a brick veneer and will cost approximately \$10,000.

Work has already been started in the erection of the house and it is expected that it will be completed by September 1.

THETAS TO LET CONTRACT

Construction of New House to Begin Soon.

The contract for the construction of the new house for the Kappa Alpha Theta sorority is to be let either tomorrow or Thursday. Aline Smith, who has charge of the letting of the contract, is not in the city today, but will arrive at 1:35 o'clock tomorrow.

The Simon Construction Co., of Columbia will build the house, which is to be located just west of the Delta Tau Delta house, facing south. Construction will begin soon.

Income Tax Blanks Going Out.
Between five and six hundred income tax blanks will be mailed out by M. C. Proctor within the next two or three days. From receipt of these statements payment may be made until June 1 without penalty. Taxes may be paid before receipt of the blanks.

Centralia Couple to Marry.
William Ernest Chedester, 32, was granted a license today to marry Mrs. Florence Dickey, 23. Both live in Centralia.

CONTRACT IS AWARDED FOR WARD SCHOOL

Lowest Bid of \$39,144.76 by Davis and Phillips Construction Co. Is Accepted.

\$1,488 DEDUCTION MADE
Cut Stone From Cornice and Coping, Ash Hoist, Slate for Blackboards Are Omitted.

The contract for the new ward school on Sexton road was awarded to the Davis & Phillips Construction Company of Columbia at a special session of the school board held in the County Courthouse at 7:30 yesterday evening. The bid of \$39,144.76 by Davis & Phillips was the lowest offered. The contract was let for the amount of the bid, with certain deductions allowable and agreed to by both parties. By omitting the cut stone from part of the cornice and coping in the rear and in the two sides of the building and by omitting the ash hoist in the basement and the slate from the blackboards, a saving of \$1,488 was made, leaving the net contract as awarded \$37,656.

Hunt and Stockton of Columbia were awarded the plumbing contract on a bid of \$3,609, subject to an agreement whereby the school board is granted a reduction of \$300 for the change from steel to wood partitions in the lavatories.

The A. Holtman Heating and Ventilation Company of Kansas City received the contract for the heating and ventilation of the building on a bid of \$4,703. Contract for the electric wiring was let to Gus Girard of Columbia for \$325.

President F. W. Niedermeyer and Secretary Forest Boggs of the board were authorized to execute contracts with the above companies for amounts and purposes designated in the contracts.

Robert E. Pedan of Kansas City, architect of the new building, met and consulted with the board. The contracts were opened and read at 8 o'clock by S. F. Conley. The recorder's office was crowded with persons interested in the bidding. All the contracts were higher than estimates made by members of the board and discussion of the contracts and their awarding was not settled until after midnight.

The contracts as finally awarded will make the total cost of construction in the neighborhood of \$46,000, minus architect's fee and incidentals. The school board has on hand about \$46,000 to be devoted to erecting the new building.

The board also let a contract to C. W. Vanatta for a new iron gutter on the Lee School for \$290. R. W. Wright was given the contract for copper gutters on the Grant School for \$448.60. The contract for the present fencing on the new school lot was given to W. K. Stone with the understanding that he will remove the fence without expense to the board.

The board authorized a warrant of \$50 to be drawn to the Columbia Public Library for service during April.

There were five bids on the general construction of the building, minus plumbing, heating, ventilation and wiring. The lowest bid was \$39,144.76, offered by Davis & Phillips Construction Co. of Columbia. The Simon Construction Co. bid \$40,254, Stewart Brothers, \$42,438, Estill E. Edwards \$43,607.40, and J. E. Hathman \$52,296. The bids on general construction were all offered by Columbia contractors.

The bids on the heating and ventilation of the building were offered by A. Holtman Heating Co. of Kansas City at \$4,778, or \$8,551 for heating, ventilation and plumbing; W. C. Wiseman & Son of Kansas City, \$4,910; Thomas L. Dawson, of Kansas City, \$3,800; John L. Beuth of Moberly, for heating, ventilation and plumbing, \$10,400. Hunt & Stockton of Columbia offered a bid of \$3,684.15 on plumbing alone.

Gus Girard of Columbia bid \$325 on the wiring and electric fixtures. Other bids on wiring and fixtures were offered by John L. Platt, of Columbia at \$425; J. K. Fyfer of Columbia, \$654; J. B. Gordon Electric Co. of Kirksville, \$500; and the A. B. C. Electric Co. of Kansas City, \$1,150.

DANCE HALL IS WRECKED

Windows Are Broken Within One Block Radius—Damage \$13,000.

YALE DEAN TO SPEAK HERE
Y. M. C. A. to Bring Charles R. Brown to Columbia May 12.
Charles Reynolds Brown, dean of the Yale school of theology, will come to Columbia May 12 under the auspices of the Y. M. C. A. to speak to students of the University.

Dean Brown will be given a luncheon at the Daniel Boone Tavern. It is planned to have assembly in the University Auditorium for the speaker.

\$100,000 SUIT IS DISMISSED
Charge Against Gov. Russel of Mississippi Dropped.

JACKSON, Miss., May 2.—The \$100,000 damage suit against Governor Lee Russel of Mississippi, filed by Miss Frances Birkhead, was dismissed today by Federal Judge E. M. Holmes. He ruled that this court had no jurisdiction over the case.

Japanese Cabinet Resigns Today.
Tokyo, May 2.—The Japanese cabinet headed by Premier Takahashi resigned today.

TOTAL ENROLLMENT FOR SPRING TERM IS 1450

1192 Are Regular Students, 749 Men and 443 Women—91 Enrolled Late.

The total enrollment of students in the University for the Spring term is 1450. Of these, 1192 are regular students, 112 are collegiate students and 146 are non-collegiate students. Of the regularly enrolled students, 749 are men and 443 are women. There are 87 new students, 49 men and 38 women. There were 91 late registrants.

Among the collegiate students there are four Chinese government students enrolled here for both Spring and Summer terms. Practically all the collegiate and non-collegiate students have registered for both terms. Of the non-collegiate students, 14 are enrolled in trade courses, 54 in agriculture, 61 in poultry production and 16 in horticulture.

MISS RANKIN TO BE HONORED

Women Plan Banquet for Visitor—Committees Appointed.

A banquet will be given Saturday night at the Daniel Boone Tavern by the members of the Women's Democratic Club of Columbia in honor of Miss Jeanette Rankin, first woman member of Congress, who will arrive in Columbia Saturday afternoon. Due to the change in the time of her arrival there will be no mass meeting in the afternoon as was planned.

The following committees were appointed at the regular monthly meeting of the club yesterday afternoon in the Commercial Club rooms: Publicity Committee, Mrs. W. P. Dycart, and Mrs. W. H. Pringle; Food Committee, Mrs. W. K. Bayless, and Mrs. C. M. Sneed; Ticket Committee, Mrs. H. M. Hungeate, Mrs. J. N. Taylor, Mrs. L. E. Hill, Mrs. J. D. VanHorn, Mrs. G. H. Sabine, and Miss Ella Dobbis.

The tickets are priced at one dollar each and are on sale at all banks. All names must be turned in to the publicity committee by Friday night.

IRISH REBELS RAID KILKENNY

Many Important Positions Seized by Republican Mutineers.

DUBLIN, May 2.—Irish Republican army mutineers invaded Kilkenny City this afternoon. The rebels seized strategic positions including Kilkenny Castle, the City Hall, the Bank of Ireland and the cathedral.

INDIANA PRIMARY ENDED BY STRUGGLE FOR VOTES

Main Issues Involve Support of Harding's Policies and Renomination of New.

INDIANAPOLIS, May 2.—A final mad scramble for votes rang down the curtain today on one of the most spectacular primary battles in Indiana's history.

The main issue involved is whether a vote of confidence shall be given the policies of President Harding.

Republicans regulars in every precinct in the state were busy lining up votes for Senator Harry S. New, close friend of the President. He stands for renomination on the basis of the administration's record.

Leaders of the progressive wing were active in support of Albert J. Beveridge, former senator, who is seeking New's seat in the Senate.

MAN HELD IN MURDER CASE

Clyde Amarine Accused of Striking Pearl Davis With Fist.

KANSAS CITY, May 2.—Clyde Amarine, 24, was charged with manslaughter today following police assertions that two other members of the fatal midnight party accused him of striking Miss Pearl Davis, 20, who was found dying, near a veranda of the Castle, a picturesque chicken farm, with her skull fractured.

A. C. Moyer, 45, of Conesville, Ia., declared Amarine hit the girl with his fist. Deputy Marshal Mites announced. Miss Davis formerly lived in St. Louis.

WOUNDS ARE BROKEN WITHIN ONE BLOCK RADIUS—DAMAGE \$13,000.

ST. LOUIS, May 2.—An explosion which practically wrecked a saloon and dance hall here early today, broke windows within a radius of one block and hurled people living in the immediate vicinity from their beds. Damage was estimated at \$13,000. No one was injured.

An investigation is now under way to determine whether the blast was the result of a bomb or leaking gas.

Public Library Board to Meet.
The first business meeting of the Public Library board will be held at 4 o'clock tomorrow afternoon in the library room. Last Wednesday night, the board met for the purpose of organizing. The library will be formally turned over to the City Council by the Community Council.

Flynn and Flynn in New Office.
The office of Flynn and Flynn, real estate dealers, has been moved from 813 Walnut street to room 210 in the Guitar Building.

HERBERT QUICK, WRITER, TO BE SPEAKER HERE

Men and Women of Prominence Are on Program for 1922 Journalism Week.

DATE IS MAY 22 TO 27
Writers' Guild and Press Association to Meet—Tuesday Will Be Advertising Day.

Many speakers of national repute are on the program for the thirteenth annual Journalism Week of the School of Journalism of the University of Missouri, which will be held here from May 22 to 27, inclusive.

Members of the Missouri Writers' Guild, which holds its annual meeting in conjunction with Journalism Week each year, will have charge of the first day's program. Tuesday, the second day, will be known as Advertising Day when talks by advertising workers will be given and advertising problems considered.

Wednesday, Thursday and Friday will be under the auspices of the Missouri Press Association, which has made extensive plans for making the meetings of highly instructive character.

Herbert Quick, author of "Vandemark's Folly" and a number of other books; writer for the Saturday Evening Post; Country Gentleman and other magazines and newspapers, and a former member of the Federal Farm Loan Bureau, will speak at one of the meetings.

"The Law of the Press" is the subject of an address that will be given by Rome C. Brown, general counsel of the Minneapolis Tribune. Mr. Brown is also a writer and lecturer on legal topics.

Other speakers on the program include: Charles G. Ross, chief Washington correspondent of the St. Louis Post-Dispatch and previously a professor in the School of Journalism; W. W. Ball, editor of the Columbia (S. C.) State, a widely known political editorial writer; George B. Dealey, president and general manager of the corporation which publishes the Galveston News, the Dallas News and other newspapers; Harry Hansen, literary editor of the Chicago Daily News, who spoke at last year's Journalism Week; James Wright Brown, Editor and Publisher of New York City; Mrs. Lois K. Mayes, publisher of the Pensacola (Fla.) Journal and president of the Florida Press Association; and Marlen E. Pew, general manager of the International News Service and press representative of the Secretary of War at Washington during the World War.

In addition, a large number of Missouri editors, feature writers and advertising men are on the program prepared by President J. F. Hull, editor of the Marysville Tribune.

"The Missouri Publisher," the official organ of the association, was issued for the first time in the history of the organization recently at Maryville. The organ was taken up largely with a discussion of the association.

WHITTLE MARTIN BURIED IN CENTRALIA CEMETERY

Condition of Wounded Engineer of Washburn Train Wreck Slightly Better.

The condition of C. E. Fox, engineer of the Washburn train wrecked near Browns Saturday is a little better today, it was stated at Boone County Hospital late today.

The funeral of Whittle Martin, the second victim of the wreck, was held at 2 o'clock today at the Baptist Church of Centralia. The Reverend Mr. Bryerton, pastor of the Baptist Church of Centralia, conducted the services.

Members of the Columbia Lodge of I. O. O. F. met at 1:35 o'clock today to attend the funeral, and to take part in the ceremonies. Martin was a member of the Columbia lodge. The following Odd Fellows accompanied the body to Centralia today after a short funeral service at the home of C. W. Martin, 311 Christian College avenue: J. E. Bedford, R. J. Coats, Ralph McCabe, Boone McCabe, Murry Sapp, I. C. Sappington, and M. D. Burnett.

MRS. A. L. FARIS DIED TODAY

Funeral Services Will Be Held At Booneville.

Word was received in Columbia today of the death of Mrs. A. L. Faris of Booneville. Mrs. Faris had been ill about a year. She was operated on last June for cancer and her condition grew serious last January.

Mrs. Faris was the niece of F. H. Hoherecht of Columbia, and was married to Mrs. Hoherecht's cousin. Mr. and Mrs. Hoherecht will go to Booneville Thursday to attend the funeral.

Mrs. Faris is survived by a number of relatives in Columbia and Boone County.

Frank Barton Fined in Police Court

The case of Frank Barton was the only one on the police court docket this morning.

He was arrested last night on North Tenth street and charged with using obscene language. He was released this morning after paying a fine of \$5 and costs amounting to \$13.25.

Nation's First Congresswoman Will Be in Columbia Saturday

Miss Jeanette Rankin, the "lady from Montana," who is to be in Columbia on Saturday, Sunday and Monday, was elected to the House of Representatives in November, 1916, as the first woman member of Congress. She is now a representative of the National Consumers' League. She is touring the Middle West in the interest of the minimum wage measure.

Miss Rankin is a member of an educated family, having one brother and five sisters, all of whom are university graduates. She is a graduate of the University of Montana. After she was graduated there she went to New York City to pursue a course in the School of Philanthropy. Then she went to the University of Washington for special study of political and industrial reforms. At the same time she campaigned for suffrage for women in Washington and California, speaking especially before audiences of miners and their wives. Thus she became a public figure.

In 1916 she was elected as a representative from Montana to Congress. When she took her seat in the House on April

2, 1917, she said: "I want you to know how much I feel my responsibility. There will be many times when I shall make mistakes and it means a great deal to me to know I have encouragement and support."

She was against war, and when the War Resolution came up before the House for a vote in April of 1917, she refused to cast her vote until the last. She even failed to answer to roll call on the day the resolution was passed. After a while she arose, trembling, obviously frightened, and with sobbing she declared: "I want to stand by my country, but I cannot vote for war."

In August, 1918, she was defeated by Doctor Lundstrum, in the Republican primaries for nomination for United States senator from Montana by a plurality of 3,121 votes.

Miss Rankin will be entertained with a luncheon given in her honor Saturday noon by the Women's Democratic Club. While in Columbia she will be the private guest of Mrs. St. Clair-Moss at Missouri Hall, Christian College.

CITY MEDICS IN PLEA TO STATE

Kansas City Doctors Plan Appeal to Officials to Provide Course.

Members of the medical fraternity of Kansas City are preparing to submit a proposal to state authorities whereby the present 4-year medical course at the University of Missouri would be divided—students to spend two years at Columbia, then get the final two years at the General Hospital here.

A similar plan of dividing the course is followed in Kansas—two years at the university at Lawrence and two years at the medical school in Rosedale.

Superior facilities for clinical work is the prime factor to bring medical men to the conclusion that complete medical courses cannot be given properly outside of larger cities where varied diseases and accidents afford study material. Accessibility of clinics to out-state patients and more complete equipment are other points in favor of completing years of University medical courses being spent in the large city.

The proposition will be put up to Governor Hyde and the board of curators of the University this week if plans are completed. It is probable that the meeting at Jefferson City of the State Medical Association will present the proposal. However, there are many details of the offer to be formulated into concrete plans.

Four Kansas City physicians appeared before the Board of Curators here last week to discuss the question of moving the School of Medicine to Kansas City. The Board adopted a resolution reaffirming its policy of building a state hospital here and maintain the School of Medicine, including the full course, here.

DELEGATES LEAVE FOR METHODIST CONFERENCE

Mrs. F. F. Stephens and Rev. J. D. Randolph Will Represent Central Missouri.

Mrs. F. F. Stephens and the Rev. J. D. Randolph left yesterday to attend the General Conference of southern Methodists at Hot Springs, Ark. Missouri has three annual conferences and Mrs. Stephens is representing the Central Missouri Conference.

Women have never been allowed to act as lay delegates in a southern Methodist conference before and Mrs. Stephens has the distinction of being the first woman elected this year to the General Conference.

This is a national conference and will be in session three weeks.

TAFIT TO NAME CHAIRMAN

Harding Says Chief Justice Should Select Commission Head.

WASHINGTON, May 2.—President Harding today asked Congress to give the Department of Justice \$500,000 in additional funds "for the investigation and prosecution of war frauds."

The request for the appropriation was taken as evidence that the department is going to proceed vigorously with the prosecution of officers and individuals who defrauded the government of money on war contracts.

V. F. W. Initiation Tonight.
Three state officers of the Veterans of Foreign Wars will assist in the initiation of six recruits of the Robert M. Graham Post at 7 o'clock tonight at the V. F. W. House, 1217 East Broadway. These officers are: J. W. Teed, deputy chief-of-staff, Department of Iowa; Dr. C. M. Sneed, department surgeon; and A. B. Geeson, department officer-of-day, department of Missouri. The initiation ceremonies will be followed by a luncheon and entertainment.

President Jones to Jefferson City.
Dr. J. C. Jones, president of the University, left this afternoon for Jefferson City where he will attend a meeting of the State Medical Association. Dr. Guy L. Noyes, Dr. A. W. McAlester and Dr. F. G. Nifong went to Jefferson City this morning and Dr. W. E. Belden will leave tomorrow to attend the meeting.

A. J. Morris Asks Divorce.
Arthur J. Morris filed suit for divorce today against Mrs. Cary Morris. He alleges desertion since January 1919. They were married May 25, 1895, according to the petition.

ALLIES AGREE ON TERMS OF RUSSIAN NOTE

Taft May Name President of Mixed Tribunal Which Is to Fix Sum Russia Must Pay.

DOCUMENT IS FRIENDLY
Two or Three Days Allowed Soviets to Reply—Refusal May Mean Split in Conference.

GENOA, May 2.—The Allies met today for final ratification of their note to Russia. With a single reservation on behalf of Belgium, the members of the political subcommittee of the conference were agreed upon the terms of their memorandum to the soviet delegation.

Chief Justice Taft of the United States supreme court is suggested as the man to name the president of a mixed tribunal to fix the amount Russia must pay to her creditors. The other members of the commission would be a delegate of the soviet government and a representative of holders of Russian bonds.

The subcommittee expects to complete ratification of the note this afternoon. The memorandum, which is considered far more conciliatory in tone and more acceptable to Russia than was expected, probably will be handed to the soviets tomorrow.

Two or three days are followed for the Russians to reply. If they turn down flatly the Allied proposals, the immediate break-up of the conference will probably follow.

On Thursday evening the visitors will be entertained at the Country Club by Virginia Rodgers and Kenneth Hagerman. The Quadrangle Orchestra will furnish the music.

An inspection of the University at 11 o'clock Saturday morning will conclude the entertainment provided by the Commercial Club. Fred Eldean, secretary of the club, asks all persons interested in the entertainment of the visitors to be at the Tavern with an automobile Thursday morning.

SOCIAL WORKER MAY AID MISS TITTMAN

Charity Society Feels That Work Could Be Enlarged by Trained Worker.

The Columbia Charity Organization Society discussed the possibility of obtaining a trained social worker to work in connection with the organization's nurse, Miss Winifred Tittman, at a meeting held yesterday afternoon in the Commercial Club rooms. Those present felt that a trained social worker would assist greatly in enlarging the activities of the organization. F. B. Rollins, president, was directed to appoint a committee of seven to investigate this matter and make a full report at the next meeting, May 14.

The regular monthly reports of the health, child-welfare, and friendly visiting committees were read and approved. D. E. Major, field agent, Miss Tittman, nurse, and W. K. Bayless, treasurer, also made reports. Prof. E. L. Morgan and Owen Howells spoke on the work which the students in sociology were doing in connection with the Charity Organization Society.

THIEVES ROB CAFETERIA ON NORTH TENTH STREET

Sum of \$150 Stolen From Cash Register—Police as Yet Unable to Find Clew.

Gaining entrance through a rear window which had been insecurely fastened, thieves broke into the McAllister cafeteria on North Tenth street between 11:30 o'clock Saturday night and 1 o'clock Sunday morning and escaped with \$150 from the cash register.

The establishment had been closed Saturday night at the usual hour, 11:30 o'clock, but Mr. McAllister did not return to check up the day's business until 1 o'clock at which time he became aware of the shortage. He notified the police immediately but they have been unable to find a clew.
