DEMOCRACY SAFE.

Col. Bill Morrison Predicts success in the Next Campaign.

Washington, May 13.—We are going to be beaten in the next campaign, because there is no one to beat us," said Col. Wm. R. Morrison last evening. "The next house is going to be democratic, and so is the next president. You see, there are a good many republicans who have been tired of their own people, but they were a little afraid of us. Now they see we are nothing to be afraid of. To be sure they say we haven't got snap about us. We don't want to raise hell. But we don't want to raise hell. No, sir, we couldn't throw away the next House if we wanted to, although it looks as though we were trying pretty hard to do it. The president's message upon the vetoing of these pension bills is going to help us. It will teach those fellows up at the Capitol a lesson, too. I tell you the president is a good, square-toed, cold-blooded man, who may make some mistakes, but he does a mighty sight of things right."

"How will the appropriations affect the coming campaign?" "The appropriations are going to be less in aggregate, and if we appropriate a little more, for pensions than the other fellows, the country won't charge it up against us. The river and harbor bill was a bad thing, but most of the appropriation bills will be less than last year."

"What will the House do with the subsidy amendment to the postoffice bill?"

"They will reject it. Most of our people will vote against it, and a few of the other side will vote with us. The subsidy amendment has no business on the postoffice bill, it has nothing to do with improving the mail service. It is intended to assist commerce, to help some people to sell in foreign markets the articles they cannot make cheap enough to enter into competition with foreign manufacturers."

"What is going to be the result in Illinois in the next congressional campaign?"

"Well, there are a couple of close districts that I suppose will go republican. Ward's district belongs to the republicans, but they will have some close districts, too, and in my opinion the Illinois delegation in the next congress will be divided about as it is now."

Many suffering people drag themselves about with failing strength, feeling that they are steadily sinking into the grave, when by using Parker's Tonic they would find a cure commencing with the first dose, and vitality and strength surely coming back to them.

Fatal Fued Between Farmers.

Louisville, Ky., May 20.—Jackson Carter and one Roe, farmers, at the circus at Mt. Sterling, Ky., this evening, quarreled and started home on the train. As Roe with his brother was leaving the crowded car Carter suddenly pulled his pistol and shot Roe dead. Carter attempted to escape, but as he jumped from the car Rose's brother shot him and left him for dead. He was picked up, however, by the train gang seriously wounded and given over to the Mt. Pleasant authorities.

An Answer Wanted.

Can any one bring us a case of Kidney or Liver complaint that Electric Bitters will not speedily cure? We say they can not as thousands of cases already permanently cured and who are daily recommending Electric Bitters will prove. Bright's Disease, Diabetes, Weak Back, or any urinary complaint quickly cured. They purify the blood, regulate the bowels, and act directly on the diseased parts. Every bottle guaranteed. For sale at 50c a bottle by John G. Walker.

Springfield, Mo., May 20.—Burglars broke open the safe containing the county funds at Hartville, Wright county, fifty miles east of here, last night, and took away \$500 in money and \$1,100 in checks. They dropped the checks, however, in a field near the town and they were found this morning.

The harmful and fatal results attending the use of cough mixtures containing morphia, opium and other poisons, are daily becoming more frequent. It is for this reason that Red Star Cough Cure has received the unqualified endorsement of physicians and Boards of Health everywhere, as a purely vegetable compound, entirely free from all narcotics. Price, twenty-five cents.
