A farm of 100 acres to rent or sell, for particulars call on C. H. Morrison. The grand meeting closed last Friday night with several convulsions. Mrs. L. E. Hall of Tiffin, Ohio, died at the residence of W. T. Cowan, Sunday evening, of heart trouble. Alice Maloney departed for Eldorado Springs last week for the benefit of her health. Cy Summers is up from LeRoy, Kan., shaking hands with the boys. J. W. Cathy of Amoret, was over one day last week and left his name as a subscriber for the "good times." Mr. Sam Dishong wants hands to chop cord wood three miles south of Amoret. Mike Maloney wants a good hand and will give him a job all winter. Wm. Smith Sr. shipped 3 car loads of cattle to Chicago that averaged 1390 pounds per head. Joel Land, of Amoret, was over one day last week and enrolled his name as a subscriber of the booming times. Mrs. Smith will accompany her niece, Miss Myrtle Young, who has been visiting in this vicinity, to Kansas City and will remain until after the fair. Virgil Jenkins has got him a fine pony. Fun, fun among the bumble bees; Harry Simpson, Morton Jenkins, Jack Taylor, Ike Porter and Cliff Jackson killed a large and savage nest that was a nuisance to the town. Uncle E. Mills, living at the iron bridge, has some hogs to sell at a bargain. Mr. Tom Pettys of Butler, was out Sunday morning to see his sick mother. If Bro. G. W. Park decides to cast his fortunes with the people's party the prohibitionists of Charlotte township will certainly lose an able ally. The people's party brought a Texas cyclone to Butler on last Saturday, and a water spout at night, so say those that were trying to find their homes about 10 o'clock that night. Everybody invited to come to Grand View Sunday school next Sunday at three o'clock to see and hear the new organ tested. Prof. T. J. Wheeler will teach school the coming winter in the Grandview district. Hold on, boys! Never mind cyclones, water spouts! Just wait until Stone speaks at Butler, then you will think the foundations of the deep have broke loose and Gabriel blowing his horn. Every democrat of Charlotte township should join the democratic club. Now is the time that every one ought to show his colors. If we had more such workers as Ike Lockridge, Lee and Chis Browning, J. W. Porter and Jno. McElroy Charlotte would give Stone its old time majority. W. W. Park has 385 bu. of oats that he will take \$50 for. The clouds opened their veins and immersed the F & L U prohibition-Republican democratic crowd that mingled together Saturday last. Ed Dudley has traded his cart and harness for a big horse. Miss Gussie Craig is very sick. A Kansas City doctor was down to see her Sunday. An old man was accidentally killed at Amoret Saturday by the cars running over him. The school at No. 2 is progressing nicely, the teacher evidently understands her business. The Virginia school begins about the 20th. Miss Ida Whitsitt, teacher. Born, to the wife of Mr. Brough, a fine babe. Charley Simpson has gone to Kansas.

Johnstown and Spruce Twp Items.

Mr. Editor owing to the condition of some of my dear U. L. Bros. mind it is somewhat dangerous to the Gov. to write, but however, we are still on the track. Farmers in this section are very busy sowing wheat; there will be one of the largest crops of wheat sown in this vicinity this fall than ever before. Add Shelton is digging a well; no water yet but still he has hopes. Quite a number of the U. L. calamity howlers gone to Butler to-day to the convention; going to put out a "pure" ticket. I reckon that is if we can judge the future by the past. Johnstown is still on the improve; H. P. Calahan is putting in a new front to his business house. We had the pleasure of attending the speaking at Butler the 8th and listening to G. G. Vest, the little giant, speak, and can say he showed what standing up for Missouri means. We meet our friend Ben Ireland to-day; Ben is one of the true blue democrats; he is enthusiastic over the outlook of the party and thinks Stone will be the next governor. We can say that we believe Col. Stone will roll up one of the old time democratic majorities and forever bury Warner and his crew from the face of the earth. Miss Mamie Kenny returned home from Eldorado Spring. Quite a number of the boys went to Butler the 8th. J. H. Crabtree was in this and Deepwater townships rustling up the democrats. The union protracted meeting at Walnut Grove closed Tuesday night with 111 conversions. Those churches that worked so harmoniously are wonderfully revived and built up. We can't see for the life of us how a democrat that is a democrat by principle can vote with the U. L. party. We know of some democrats that was democrats, we thought true-blue, that voted with the U. L. party and are now ready to fuse with the republican party which is a high protection party while the U. L. claims to be a free trade party. Oh, consistency thou art a precious jewel. Gov. SSOBT.

Some of the base ball players who got out of a job when "our national game" collapsed have taken a step downward; they have gone into politics.

What is lacking is truth and confidence. If there were absolute truth on the one hand and absolute confidence on the other, it wouldn't be necessary for the makers of Dr. Sage's Catarrh remedy to back up a plain statement fact by a \$500 guarantee. They say "If we can't cure you (make it personal, please,) of catarrh in the head, in any form or stage, we'll pay you \$500 for your trouble in making the trial." "An advertising fake," you say. Funny, isn't it, how some people prefer sickness to health when the remedy is positive and the guarantee absolute. Wise men don't put their money back of "fakes." And "faking" doesn't pay.

QUININE AND PER-UNA.

Two Great Malarial Remedies Compared.

Nothing is more clearly demonstrated than that there are two distinct forms of malaria, which, for the want of better names, may be denominated acute and chronic. It has been recently shown that the parasite which causes malaria are different in the acute and chronic forms. The acute form is commonly known as fever and ague, or chills and fever. This form of the disease is too well known in malarious districts to need description, and is generally curable by large doses of quinine, though this is not so favorable a remedy as Per-una. The chronic form of malaria is, by no means, so well understood, as the symptoms are hardly ever exactly alike in any two cases, and it is rarely, if ever, curable by taking quinine. Each case presents slightly different symptoms, the most common ones being dull headache, sallow complexion, surred tongue, bad taste, poor digestion, shivering feelings, hot flashes, cold feet and hands, and constant, tired feelings.

Quinine will not cure cases of chronic malaria as above described. Per-una is the only specific for such cases. Per-una is sure to cure, leaves the system with no derangement, and produces no drug habit hard to leave off, which quinine will do.

Per-una is for sale at most drug-stores, accompanied with directions for use; but those who are using it should send for the family physician No. 1; a treatise on malaria. Sent free by the Per-una Drug Manufacturing Company, Columbus, Ohio.

The Great Kansas City Fair and Carnival Week.

OCTOBER 1ST TO 9TH, 1892.

On October 1st, the Exposition Driving Park gates will again be open to the world and the special attractions are too numerous to mention in full. Prominent among the attractions can be mentioned republican day, Tuesday, October 4th, Hon. Wm. McKinley, of Ohio, will deliver an address. Wednesday, October 5th, Priests of Pallas parade. Thursday, October 6th, Peoples Party day, and among the speakers will be found Hon. Wm. Peffer and John B. Weaver; this is also German day. Friday is democratic day. The Hon. David B. Hill of New York, will address the people.

Sig Liberatori, of New York, with his celebrated band of forty pieces will give concerts daily during the fair.

Never in the history of Kansas City has there been such wonderful attractions. Racing of all kinds and half rates on all railroads. All of our citizens should arrange to spend one or more days at the great Fair and Exposition.

At Castor Beans.

Nevala, Mo. Sept. 16.—A Baptist minister, Rev. William Gresham of this city ate 50 castor beans yesterday on the advice of a friend for stomach trouble and has since suffered intolerable agony. Two doctors were with him all night and to day. It is thought he cannot possibly recover. He is a single man 30 years of age.

BAD SKIN ERUPTION

Many Years. All Manner of Medicines and Doctors Fail. Cured in One Month by Cuticura.

In 1885 I had an eruption come out on my skin, and while at first it did not amount to much, it grew to be very aggravating and at times unbearable. The skin would get hard, inflamed, and peel off, leaving an entire new skin, acting same way for weeks at a time, always worse at nights. Have tried all manner of medicines and had doctors prescribe to no effect. I bought a box of CUTICURA REMEDIES and used CUTICURA RESOLVENT for my blood. I am fully cured, and in less than a month. It was a most aggravating skin disease, and now I am enjoying ease and comfort. I have had vast benefits. Anyone trying CUTICURA REMEDIES cannot help but derive benefit. Any one writing me will receive an answer and my advice to give your REMEDIES a trial. A. B. PATTON, Manager Postal Telegraph Cable Co., Garden City, Kansas.

Doctor Uses Cuticura

We have opened a drug store at this place and are having a splendid sale on CUTICURA REMEDIES, which we keep a full stock of. I would not be without your CUTICURA RESOLVENT, CUTICURA, and CUTICURA SOAP for \$500, just for the benefit of my little boy. When he was six months old, his face was covered with eczema, and CUTICURA REMEDIES cured it. He is now three years old. We still use the CUTICURA SOAP, and wash him occasionally with it, to prevent his skin from getting rough. We have handled your medicines for five years, and never heard a complaint against them, but abundant praise. We sold our drug store in Kansas, and will continue in the drug business here. C. TRIMBLE, M. D., Haller City, Swolesmith Co., Washington.
