### New Home Items.

John Forsythe and family have moved to the mines south of Rich Hill. Glen Mill is slowly improving. He is at Geo. Daniels, but will be taken home this week on a stretcher. Some man from Kansas City will move in the house vacated by Forsythes. Virgil Trobridge has lots of turnips to sell at 20 cts per bushel, in the patch. Al Byler was in town Sunday. He is afflicted with dropsy. Girard Wilson is feeding 6 or 7 car loads of cattle. John Cope's house took fire some time ago, having no ladder to reach the roof, he climbed to the attic and waited until it burned through, then he and his wife extinguished the fire with wash water. M. Bopp, a wealthy German farmer of this township, died Oct. 24th, of brain fever. He was buried at Rich Hill. Blood Woods was in town Saturday night looking after his best girl. His horse took fright and ran home leaving him and his buggy to the tender mercy of the cruel world. DeArmond will speak at Foster Nov. 3rd. Speaking in the New Home opera house Nov. 2nd, by Boxley and Morrison. A wedding in high life in our midst soon. Robb & Co.'s orders for lumber overrun their supply. They need more choppers. Seth Cope has celled his Talmage hotel, and will let the contract for painting to the lowest bidder. Aunt Mag Welch is having her house painted. Come prohibitionists, don't slight us this campaign, the opera house is open for all. I have made arrangements to handle corn at 35c per bushels, goods and balance cash. Mrs. Welch's nephew visited her

last week. In merchandise I will pay 12 1/2 cts a doz for eggs, 4c per pound for chickens and 18c for good butter. For confectionery don't go by New Home. Sam Harvey has finished hauling hay, has four stacks. Nels' clerk at Virginia writes some good items, but don't see any new names added to the subscription list. N. M. NESTLERODE. Vote the democratic ticket. Clinton Democrat. Voters of the Sixth district have reason to be proud of the fact that the hoodlers and pap sucking property owners of Washington City are hoping for the defeat of Congressman DeArmond. It is a rare distinction to be singled out by these fellows and their ill tempered criticism is a badge of merit for any man. Congressman DeArmond has declared by his vote and influence that Washington City must look to her own resources for her municipal necessities and luxuries. For years Washington people have looked up on the general government merely as a sort of private pocket book to be tapped upon every pretext. The greed has been as insatiable as the daughters of the horse leech and their continual cry has been, "Give! Give!" In Mr. DeArmond they have found a man who has been as firm as adamant in resisting their greed. He was threatened but met their threats with the bold declaration that there was a country west of the Alleghenies which could offer quite as good a and better a location for the seat of government as the swamps of the Patomac. That is the kind of grit there is in David A. DeArmond. Washington pap suckers and contractors don't like his style. Washington organs reflect the resentment of the gang; and his defeat would be the occasion of no tears among them. But the Sixth district loves him; Missouri loves him; the West loves him. He is one of us and the more like him we can place in Congress, the better for the country at large. Vote the Democratic ticket. Turn out and hear Governor Stone at Rich Hill on Nov. 5th. Vote the democratic ticket. Judge DeArmond was spending the fore part of this week in Date county, making speeches. W. W. Graves will speak at Windsor Mo., Friday night and at Clinton Saturday at 1:30 p. m. If a republican promises you two votes for one what security have you that he will comply with the bargain when he goes into the silent booth. The republican that will trade with you will fool you. There is only one safe plan and that is to vote your ticket straight. Vote the democratic ticket. The St. Louis Republic, speaking of Hon. D. A. DeArmond, says: "Mr. DeArmond is one of the ablest and purest men in public life to day. He has served with distinction in the state senate as a member of the Supreme court Commission, a Judge of the twenty-second circuit and two terms as a member of congress. He has been tried in the full, fierce light of public scrutiny and has been found more than equal to every emergency." Vote the democratic ticket. His Neck Broken. Carthage, Mo., Oct. 27.—Joseph Church, a saloon keeper of this city was found dead at his home at 3:30 this morning at the bottom of a stairway, with his neck broken. He left his saloon for home at 11:30 o'clock, in an intoxicated condition. His partner, a man named Crawford, and their bartender named Clark, started him home at the hour named. It is supposed that he fell down stairs, breaking his neck. Several ugly bruises were found on his body. Money to Loan. The Missouri State Bank has on hand a large amount of surplus money that we are anxious to loan on good security. Parties wishing to borrow either on Personal or Real Estate Security in small or large amounts or on short time or for long time can be accommodated at once by calling. Will loan on Real Estate on time from one to five years and allow borrowers to pay part or all at any time and stop interest. Money in Bank; no delay. 50 tf

### CATARRHAL DYSPEPSIA.

A Discouraged Invalid Restored to Health and Happiness.

Catarrh of the stomach causes a condition known as dyspepsia or indigestion. It usually results from catarrh in the throat, but sometimes occurs in people who have never had catarrh elsewhere. The symptoms of dyspepsia are: liver complaint, biliousness, sour stomach, water brash, bloating after eating, constipation, piles, and, in many cases, low spirits, dizzy head, sympathetic heart palpitation, pain, indigestion, and looseness of the bowels. Peru-na and Man-a-lin, taken according to directions on the bottle, will cure every one. The following is a specimen of the letters received from patients:

O. S. McQuillan, Spring Hill, Iowa, writes: "Four years ago last fall my stomach, without any previous warning, refused to perform its functions, and I soon lost strength. During this time food was forced through my stomach by using cathartics. With flesh wasted away, strength exhausted so that it took all my energy to even get into a bath tub, hopes all gone, I began to take Peru-na and Man-a-lin, following free advice which Dr. Hartman gave me. In a short time I could eat nourishing food, and the piles, kidney trouble and constipation disappeared. Flesh, strength and a splendid appetite returned, and I went to work."

For treatise on catarrh, coughs, colds, consumption, and all climatic diseases of winter, send for Family Physician No. 2. Address The Peru-na Drug Manufacturing Company Columbus, Ohio.

Congressman DeArmond.

Warrensburg J. D. The series of joint discussions by the candidates for congress in this district was concluded last Monday.

## FARMERS BANK OF BATES COUNTY,

Cash Capital. \$50,000.00  
COUNTY DEPOSTORY  
OF BATES CO.

OSCAR REEDER President  
R. J. HURLEY 1st Vice-President  
E. A. BENNETT 2d Vice-President  
E. D. KIPP Cashier

Receives Deposits subject to check, Lones Money, issues Drafts and transacts a general Banking business. Your patronage respectfully Solicited.

D. N. Thompson, M. S. Kiersey, John Steele, M. G. Wilcox, Oscar Reeder, J. J. McKee, E. D. Kipp, John E. Shutt, Clark Wix, J. K. Rosier, R. J. Hurley, E. A. Bennett, H. M. Gailley, J. EVERINGHAM, Secretary

The result is entirely satisfactory to the democrats of the district while the republicans and populist leaders are kicking themselves over the mistake they made in provoking the discussion. No man since the days of Stephen A. Douglass, has acquitted himself with more and complete satisfaction than has Judge DeArmond. His frankness and candor in treatment of all questions carried with it a conviction of the honesty of the man which has made for him thousands of votes in this district. It called attention to the official record and this was found to be without spot or blemish, and that his every official act and vote has been to the furtherance of the interests of his constituents. He is a plain, unassuming citizen, who believes the people are the source of power and that as their servant it is his duty to guard their interests.

Of course a man with such a record for honesty and integrity of purpose, could not escape the slander of the agents of the combines and trusts who have so long manipulated congress, and he comes in for their abuse. This is the best argument in favor of his election, and the people are determined to re-elect him by an increased majority in order to emphasize the appreciation of his honorable record and for

the enemies he has made among the combines and jobbers of this country.

Vote the democratic ticket.

Mad Jealousy.

Webb City, Mo., Oct. 29.—D. D. Roe of Dayton, Newton county, fired four shots at Ed McAlester here last night, slightly wounding him. Roe then shot and killed himself. He was to have been married to a Miss Martha Ford to-day, but became jealous of McAlester. The shooting took place in the presence of Miss Ford, who is prostrated.

Friend Carpenter. W. G. Shafer.

THE official reports show that no baking powder received an award over the Royal at the Chicago World's Fair.

The judge of awards on baking powder writes that the claim by another company to have received the highest award is false; that no such award was given to it.

The Royal Baking Powder is the purest and strongest baking powder made, and has received the highest award at every fair, wherever exhibited in competition with others.
