The regular meeting of the Bates County Medical Association was held in this city Thursday afternoon of last week.

DECORATION DAY.

Services in Memory of Their Dead Comrades Held by G. A. R. Post.

Fitting services were held Tuesday by the Grand Army post and the camp of Ex-Confederate veterans in honor of those who have passed away.

It was an ideal day—cool and pleasant and the roads leading to Butler were in good condition.

About 10 o'clock the parade formed on the east side of the square under the direction of Thos. Wainwright, Grand Marshal. First came the Butler band followed by a company of children who were to help decorate the graves. Then came the fire department, followed by a firing squad from Co. B, National Guard of Missouri and the members of the G. A. R. and Ex-Confederate posts and citizens in carriages and autos.

At the cemetery the band played "The Star Spangled Banner." Rev. Geo. R. Scroggs of the Presbyterian church delivered an invocation. H. O. Maxey delivered an impressive address on "The Spirit of Memorial Day." A salute was fired by the firing squad of Co. B.

Before marching to the cemetery the members of the G. A. R.

Post assembled on the east steps of the court house where their pictures were taken.

One could but notice how the ranks of the old veterans are being thinned by the grim reaper. Only a few years ago on Decoration Day there would be long lines of blue and gray clad veterans who marched briskly to the music of the drum and fife, but this year there was but a mere handful of the old boys left and many of them were unequal to the task of marching to the cemetery.

American Defeats German in Aerial Duel.

Paris, May 26.—Lieut. William Thaw, an American member of the French air corps scored another brilliant victory over Verdun on Thursday when he shot down a Fokker machine, it was announced today by the French war office.

Lieut. Thaw and a German airman fought a thrilling duel high above Verdun and the American's well directed fire brought the German down.

Hadley to Nominate Hughes

New York, May 30.—It had been expected that Gov. Whitman would make the Hughes nominating speech in the Chicago convention but it was learned today that that honor has been offered to former Gov. Herbert S. Hadley of Missouri.

The selection of Hadley to nominate Hughes was talked over when Gov. Whitman and Frank H. Hitchcock, former Postmaster General, conferred in this city some days ago. Gov. Whitman expects to be one of those who will second the nomination of Justice Hughes.

The Hughes boomers also have Hadley in mind for the vice presidential nomination. An alternative nomination they are discussing is that of Gov. Hiram W. Johnson. The ticket, "Hughes and Johnson," ought to hold the Progressives, some of the Hughes men contend. On the other hand, Hadley's calmness, sanity and persistent reasonableness—"his sweet reasonableness" somebody characterized his manner in the 1912 convention when the mildest term applied to an opposing factionalist was "porch-climber or burglar"—are set forth as having impressed his personality upon the delegates and upon the country. Thus, it is contended, his

nomination as a running mate for Hughes would be wise and good politics.

The Hughes boomers are by far the most confident of all the backers of presidential candidacies. They claim they have within 60 votes of a majority which is 493 votes. The Hughes men claim 435.

T. R. IN KANSAS CITY

Immense Crowds Greet Ex-President—Knife Thrown at Car in Which He is Riding.

Ex-President Roosevelt arrived in Kansas City Tuesday morning according to schedule. He was met at the Union Station by a committee headed by former U. S. Senator Wm. Warner and Mayor Edwards and conducted through a dense crowd to the entrance of the station where he entered a waiting automobile for the ride uptown. He made a short speech which, owing to the cheering, was unheard. Then the trip up town was commenced.

With Colonel Roosevelt was his secretary and Maj. William Warner of the G. A. R. committee. The naval reserve followed. Then the former navy men, most of them in civilian clothes, but marching with fine step. Behind this escort was a machine containing John B. Stone of the United Confederate Veterans, Mayor Edwards, Judge Albert D. Norton of St. Louis, Prof. E. D. Phillips and Walter S. Dickey.

The reception committee followed in motor cars. Two blocks back were the boy scouts, a thousand of them.

Then motor cars almost beyond counting.

As the automobile in which Col. Roosevelt was riding passed up Grand Avenue a knife with a four inch blade was thrown from the crowd between Twelfth and Thirteenth streets, striking the tonneau door behind which he was sitting. The police have a good description of the man who threw the knife who escaped in the crowd.

At the Hotel Muehlbach a brief speech was made advocating national preparedness.

At 3:55 he made the principal speech of the day at Convention Hall.

There were probably 16,500 persons in the hall, while a crowd of 15,000 blocked the streets outside.

The doors of the hall were opened at 1:15 o'clock and in less than an hour all of the seats that were not reserved were filled.

Members of the G. A. R. and the ladies auxiliary marched into the hall at 3 o'clock. At the head of the procession men bore a large American flag. The hall rang with a greeting for the flag and the men and women who followed it.

He left in the evening for St. Louis, where he made several speeches Wednesday.

Mexicans Send Flowers for U. S. Troopers' Graves.

Field Headquarters near Namiquipa, Mexico, May 30 (By Wire)—Flowers were strewn today on the graves in Mexico of American soldiers killed in action in the pursuit of Villa. Military authorities have ordered that each grave be decorated with ceremonies appropriate to Memorial Day. The Presidente of Namiquipa informed Gen. J. J. Pershing that he would like to send flowers for the graves. The American commander accepted the offer with thanks.

Additional reports received today of the attack made upon a party of American engineers near Las Cruces last Thursday indicated that Candelario Cervantes had only 12 men with him when he was killed. American cavalrymen have scattered these. Gen. Pershing today ordered that no attempt be made to sell liquors in camp at Namiquipa.

Woman Candidate for U. S. Senate.

Jefferson City, Mo., May 29.—Kate Richards O'Hare of 4201 Maryland avenue, St. Louis, heads the Socialist State ticket filed for the State primary with Secretary of State Roach Saturday, as a candidate for United States Senator. Frank P. O'Hare, her husband, is a candidate on the same ticket for Attorney General. There is nothing in the papers filed here to indicate whether they are relatives.
