

A Portable Granary

That can be moved any place on the farm, or taken down in **THIRTY MINUTES** and put on a wagon and moved any distance desired, erected again in **SIXTY MINUTES** and is ready to put your grain in.

Substantial and will last for years.

This Granary is made of two inch Fir tongue and grooved lumber; is covered with shingles or galvanized iron roofing which ever the purchaser desires; has 2x8 for sills, which is covered with good tight flooring.

Convenience for renter

This Granary will be a great convenience for the man that rents land. When he is ready to move he can take his granary with him.

No Sacks This Year

The Elevator People say it will be impossible to get sacks this year. So the Granary will make you independent of the sack proposition and will put you in a position to hold your grain until the price is satisfactory and you can sell to whoever you want to.

We are selling this **800 Bushel Granary** as described all complete, ready to put your grain in, including shingle roof, and good tight floor for **\$60.00**.

If you should want to use a temporary roof of your own we could sell you the granary complete without the roof for **\$50.00**. And if you should want to use a temporary floor and roof of your own we could make you the granary for **\$40.00**.

Smaller Granaries at smaller prices.

Call at our yard and examine this portable granary. We have Only a Few of them and if you want one you must get your order in early.

MISSOURI NOTES

150 dental students took examinations for licenses to practice dentistry, at Jefferson City Monday.

Dick Persinger, of Rector, Ark., was struck by a train at Malden, Mo., Monday morning. He was sitting on the edge of the ties apparently asleep.

The interest collected by the State on its surplus funds for the month of May amounted to \$19,576.62. Of this sum the Mercantile Trust Co. of St. Louis paid \$10,878.14.

A woman filed as a candidate for treasurer of Johnson county Thursday of last week and Friday she exercised her woman's privilege of changing her mind and withdrawing without giving any reason.

Here in Missouri we have several coalless towns. Rockville claims to be dogless. But Springfield aspires to be the pigless city. A census reveals 29 pigs kept inside the city limits and the Sanitary Inspector has notified the owners to move 'em out.—Ex.

In a special election Friday Red Oak, in Dade county, voted \$25,000 in bonds for good roads. The vote was 170 for and 50 against. A similar proposal was defeated at Lockwood by a small majority, and another election will be held there soon.

One hundred and seven hogsheads of Missouri tobacco were shipped recently from Weston by Louisville buyers who are executing a commission for one of the warring nations. The tobacco will be sent to the soldiers in the trenches.—St. Joseph Observer.

A Mexican with a crippled foot was arrested and placed in jail at Warrensburg the other day on suspicion that he was Villa, the Mexican bandit. So far he seems well satisfied with jail life as the authorities are feeding him well and trying to cure his injured foot.

Roy Johnson, a young man of Independence, who was graduated from William Jewell College two years ago, and who since has been preaching at the Bezonica Church and at Hume, Mo., was ordained into the ministry at the Baptist church in Independence yesterday.

The annual commencement exercises of Lincoln Institute at Jefferson City, "the Tuskegee of the North," closed Friday with the graduation of 160 young negro men and women, ninety-four of whom were graduated in the trades, and sixty six in the pedagogical course.

There has been an increase of 20,437 motor cars in Missouri in the last twelve months. The total now is 83,757. Of this number, Kansas City has 10,179; St. Louis 17,189; Buchanan county, 2,220 and Jasper, 3,518. The greatest increase of late has been in rural counties. It is believed that the total number this year will go above one hundred thousand.

Gov. Major has been invited to deliver an address July 4th before the Tammany organization in New York and it is probable he will accept. The Governor is the second Missourian to be invited by Tammany to deliver a Fourth of July address, a similar honor having been accorded Speaker Champ Clark eight years ago.

Estimates on the Ozark peach crop for this season, issued last week by railroad crop experts, place the probable production at 518 cars, as compared to 2,395 cars produced last year. The bulk of the peaches this year will come from the Brandville, Koshkong and North Arkansas orchards, as the crop in other sections is practically a failure.

A petition signed by more than 60 per cent of the landholders of a road district in Dunklin county presented to the Township Board Tuesday, asking that the township be bonded for a sufficient sum to build a concrete road north and south and east and west across the township. The project will cost approximately \$900.00 and will be paid for by the property owners benefited.

Mary Y. Neet, dean of the women of the Warrensburg Normal School for 27 years, has resigned.

Mrs. Neet is 74 years old. Mrs. Neet had control over the moral and physical surroundings of more than a thousand girls and women students. Her motherly advice to girls made her loved by thousands of Missouri women. Prior to becoming dean Mrs. Neet was a teacher in the schools of Warrensburg and Sedalia.

No Ball Game Last Sunday.

Owing to the rain that fell Saturday night and Sunday there was no ball game Sunday, as the Appleton City team could not get here. Manager Ellis tried to get games with Rich Hill or Adrian, but neither town could get here in time for the game.

On Thursday Adrian got revenge for the defeat that Butler administered the week before. The boys were over confident and before they realized that they were playing against a real ball team they were beaten. The game was full of errors and bone head plays and it is to be hoped that the boys have it all out of their system and will now settle down and play the game that they are capable of.

In sliding home Newsome in some way caught his foot in such a way that a ligament was torn making a very painful injury and one that will keep him out of the game for some time.

Jealous Woman Disfigures Husband.

Sherman, Tex., June 10.—Because she regarded her husband as too attractive to other women, Mrs. L. P. Gathright poured a quart or more of concentrated lye on his face and body while he slept yesterday, burning out both of his eyes and badly disfiguring his body.

"I did not want to kill, but I did want to put his eyes out and spoil his handsome face so he would not be attractive to other women, so I poured the lye on him," is the statement the sheriff said she made to him today.

Gathright, who is 45, and who owned a restaurant here, it is said will recover, but will be totally blind. He requested that his wife not be arrested.

More German Boats Lost.

London, June 10.—According to a Reuter dispatch today from Ymuiden, Holland, the crew of a trawler which was taken by the Germans to Cuxhaven, but later released, declared they learned at Cuxhaven that of the German vessels participating in the Skagerak battle six great warships and seventeen destroyers did not return.

Among the names of the vessels reported lost, adds the dispatch, the sailors say they heard the Outfriesian, a battle ship of 22,440 tons, mentioned.

\$1,365,000 was Spent at Chicago Convention.

Chicago, Ill., June 11.—It is estimated that the visitors to the Republican, Progressive and Woman's National party conventions expended \$1,365,000 in Chicago last week, divided as follows:

Hotels, \$1,100,000; theaters and other places of amusement, \$155,000; stores, \$110,000.

This was said to exceed by several hundred thousand dollars the amount expended by visitors in any previous convention week in the city's history.

BATES COUNTY FAIR

The New Officers are Striving to Make the 1916 Fair the Biggest in the History of the Association.

President C. H. Argenbright and Secretary Grover Gilbert of the Bates County Fair Association are busy at work getting ready for the twelfth meeting of the association which will be held this year September 5th to 8th.

The live stock display this year promises to be by far the best in the history of the fair. Liberal premiums will be offered by the association and commission firms in Kansas City have added substantial amounts to the premiums offered for all kinds of cattle and hogs.

The races will be better than those of some previous years. The officers are contemplating adding some first class automobile and motorcycle races this year.

The association is entirely out of debt for the first time in many years, and the new officers are starting out with a clean slate and a determination to do all work to the best of their ability.
