Mamie Flinn, Plaintiff
vs.
Guy Flinn, Defendant

You are hereby notified that the above named plaintiff has filed in this case on the 28th day of February A. D. 1914 with the undersigned Clerk of said Common Pleas Court of Cape Girardeau County Missouri in open court, his petition duly verified by affidavit wherein said plaintiff alleges that defendant is the lawful owner of an undivided one-third of the following described real estate in the city and county of Cape Girardeau in the State of Missouri, to-wit: Lots twenty three (23) and twenty-four (24) in range "G" in the said city of Cape Girardeau, in said County of Cape Girardeau, State of Missouri, which said two lots front one hundred and fifty feet (150) on Lorimer street with a depth of One hundred and eighty (180) feet. That said defendant, her husband, has without reasonable cause abandoned her, and for more than two years last past has utterly failed to provide for plaintiff a home, food and clothing, or with money to provide herself with same; that the object and purpose of said suit is to compel said defendant to provide plaintiff with the necessities of life, and needful maintenance.

It being show by affidavit that said defendant is a non-resident of the State of Missouri and for two years last past so absents himself from his usual abode in the State of Missouri so that the ordinary process of law cannot be served upon him in the State of Missouri and that defendant so conceals himself so that the ordinary process of law cannot be served upon said defendant. It is thereupon ordered by the undersigned Clerk aforesaid, in vacation that said defendant be notified that an action has been commenced against him in the Common Pleas Court of Cape Girardeau County in the State of Missouri to compel said defendant, Guy Flinn, to furnish maintenance and support for his wife, Mamie Flinn, and that he be compelled to pay twenty dollars per month for the support and maintenance of his said wife, the plaintiff herein, and that the court declare a lien on defendant's undivided one-third interest in the above described real estate. And that the said Court appoint a commissioner to rent or sell defendant's undivided one-third interest in said lots twenty-three (23) and twenty-four (24) in Range "G" in the city and county of Cape Girardeau in the State of Missouri. This action is returnable to and triable on the first day of the next regular term of this court to be holden at the court house in the city and county of Cape Girardeau in the State of Missouri on Monday the 25th day of May A. D. 1914 at which time and place defendant is required and commanded to be and appear and to plead, answer or demur to plaintiff's said petition, otherwise the allegations contained in said petition will be taken and considered as confessed and judgment rendered according to the prayer thereof, forever barring and precluding said defendant from hereinafter setting up any claim or title to said real property.

County of Cape Girardeau. }

I, T. J. Juden, Clerk of the Cape Girardeau Court of Common Pleas of the County and State aforesaid, hereby certify that the foregoing is a true copy of the original Order of Publication as the same appears of record in my office this 27th day of March 1914.

Clerk.

vs.
MABEL MAY LONG, Defendant.

Action for divorce.

JAPAN AND RUSSIA TO HAVE WONDERFUL EXHIBITS AT SAN DIEGO EXPOSITION

San Diego, Cal., June 10.—Details of the large Russian and Japanese exhibits definitely arranged for San Diego's great fair of 1915 were announced today by the Panama-California Exposition. Reservations made by the merchants of these two countries are among the largest in the Foreign Arts Building.

Both countries have adapted the San Diego idea of showing processes rather than products exclusively. Consequently, the most notable feature in Japan's exhibit will be the weaving and embroidery of theatre silk costumes for which Japan is famous, the hammering of the bronzes and the labrious carving of wood and ivory. Some of the finer works of art require several years for completion. Different stages of this work and the painstaking methods of the artisans will be shown—in actual process.

In another quarter of the Japanese exhibit will be demonstrated the weaving of the broad brimmed Formosa hats of hemp and chip. The weaving of the silk will be performed by new types of machinery and also in the old style hand process which produces the most extraordinary results.

Similarly, one of the Russian exhibitors, Madame Vera de Blumenthal, will show what the peasant woman of her country can do. Madame Blumenthal has lived in this country for several years, devoting most of her time to aiding her countrywomen in marketing their wares in the United States, obtaining better prices than they had been getting and so enabling them to advance somewhat in the social scale. A percentage of the profit has been set aside as a fund for educating the peasant children, particularly in the Kaustarni arts, with a view to developing the weaving and embroidery work of the Russian peasant into a standard industry.

Until Mme Blumenthal took an active interest in the work the Russian rug was little known in this country, but last year she was invited to send exhibits to various conventions, and the choicest articles won high awards. She is counting on the 1915 demonstration to aid her educational work materially.

A little distance from the peasant rug weavers will be the typical Russian cottage. There peasant girls in their native costumes will serve tea from the samovar in Russian style—just as the Japanese across the building are serving tea in Japanese style.

The cigarette making, glass manufacture, iron working and the other principal Russian arts will be shown, and everywhere will be carried out the program of showing the process of manufacture, allowing the visitor opportunity to see exactly how the goods are made.
