**MONTENEGRINS BIG FEEDERS.**  
Legislator Presents Ox to Fellows and Adjournment Follows.  
It is reported from Cetinje that the members of the skupshtina were still feasting on the third day of the orthodox Christmas on the remains of the well fed ox presented by Mirdelo Jilich, a patriotic peasant, to the Montenegrin house of representatives. The arrival of the animal in Cetinje caused a sensation in the capital.  
Mirdelo led it himself in front of the skupshtina, and the legislators hurried out to view it and discuss the place and manner of roasting, with all other details so that it could be partaken of in accordance with the donor's intent comfortably and fraternally by all the members. With the disappearance of the last shred of beef the house will resume its labors, and a vote of thanks will be passed to Mirdelo.

**Imports Show Big Increase.**  
A complete report from the New York custom house for 1910 will show an increase of \$230,000,000 in the value of imports above the figures of the previous year.
