The local baseball team defeated both Girardeau teams here last Sunday. The first game, our boys defeated the salaried team to the tune of 6-5. Hunt started the game for Jackson but was unreasonably too generous to the visitors and in the fourth inning he retired in favor of Davis, who thereafter finished the game in magnificent style. The second game was against the R. J. & R. team, who also suffered a defeat at the hands of the local aggregation. Davis and Steck, Jackson's battery, traveled the entire distance after the third inning of the first game. Phillips and Collins worked in the first game for the visitors and Powell and Collins in the second. The Cape teams must tip their hats to the local club hereafter.

The Annual High school meet that will be held in Jackson today and tomorrow will be the largest gathering of its kind ever held in this county. The hundred or more graduates of the various rural schools and their friends will meet here and Prof. Laidlaw of the Cape together with several hundred pupils of the public schools of that city have promised to help entertain the crowds. As the two school houses will not have ample room to accommodate the visitors, a large tent has been procured and is being erected on the high school campus, which will furnish comfortable seats for a great assembly. An elaborate program has been arranged by Supt. McDonald. These meetings do a great deal towards creating a collegial spirit among the rural high schools of the county and make the graduates of the rural schools feel that their chances for advancement are equal to those of the city schools, with the proper application to the studies and attendance to duty. Prof. McDonald is to be complimented on the splendid record he has been making as County superintendent, as the rural schools have improved largely under his supervision.

Breeders, attention

STALLIONS & JACKS FOR YEAR OF 1911

I will have at my barn in West Jackson, for the season of 1911 for breeding purposes 3 stallions and 8 jacks

The Percheron Stallion Mike is 7 years old, 16 1-2 hands high, sired by Cheri No. 37762. Mike has the best style and action; he is wide out, with good ends, springy ribs and heavy, clean, flat bone and big foot—just the kind to breed to so as to raise large roomy mares to breed mules from.

The fine Reg. Stallion Star Denmark, Jr., No. 1834, in Vol. 5, of the American Saddle Horse Register. He was sired by the noted Saddle Stallion Star Denmark, Sr., No. 54, etc., dam of Star Denmark, Jr., was Maud.

Also, Billy Walnut, a standard bred, Reg. No. 48051, sired by Old Walnut Boy, Reg. No. 8018, record 2.11 1-2, dam Bonnie F'ewell, a noted brood mare. Billy Walnut is a coming 4 year old, solid black, full 16 hands high. He will be permitted to serve a limited number of mares up to June the 15th, at \$15 to insure a live colt, after which time he will go in training.

These eight Jacks are simply as good as the best. The 4 Jacks, King Bolt, King Adams, King Mc., and King Boy are my four Kings that I use for my Herd Jacks.

The rest of them, 4 in number, is a bunch of coming 3-year-olds, simply as good as can be found anywhere. I now have in my barn the best bunch of Jacks that I ever owned, and parties living at a distance who have mares to breed will do well to come to my barn, for I have 3 Stallions and 8 Jacks, ready for service.

TERMS—To insure live colts that will stand and suck—Service fee, \$10 on all Jacks and Stallions except Billy Walnut. King Bolt and King Adams will serve Jennets as follows: \$10 if the colt should be a Jennet colt, and \$25 if the colt should be a Jack colt. Money due when the fact is ascertained or when the mare is traded or sold, and those having mares served will be considered as making such agreement. The colt will be held as security until fee is paid. Care taken to prevent accidents, but I will not be responsible should any occur.

I also have a fine bunch of full blooded Poland China and Berkshire Hogs for sale; among them are some bred Poland China Gilts and some young Boars nearly ready for service.

Come and see my Stock before breeding elsewhere. Soliciting your patronage, I am, very respectfully,

W. F. SCHADE, Jackson, Mo.
