The Caldwell-Sherman Co. will soon be operating their business in their big store building on Mainstreet, where they will present a more metropolitan appearance. Their new store is a credit to any city and shows these enterprising hustlers to be able to cope with modern merchandise conditions, as they have anticipated the needs and demands of the public.

A. B. Gockel has purchased the drug store formerly conducted by S. L. Rogers and will continue the business at the same stand. Mr. Gockel was for 8 years with the Jackson Drug Co., Jackson, Mo., and is a graduate of the St. Louis College of Pharmacy. He speaks and writes German and wants the Germans of this section to patronize him at his new headquarters.

The retail coal dealers were in the city in great numbers Tuesday and were entertained at the Commercial Club rooms. The convention is composed of prominent coal dealers from the various states and this meeting was one of the annual affairs in which this prominent body participate, the convention being presided over by T. Percy Brown of Kansas City, president of the association. The address of welcome was delivered by Vice-President Kelso of the Cape Commercial Club, which was responded to by President Brown. Many other prominent speakers made appropriate addresses. The party composing the outside delegation came in on the steamer Cape Girardeau.

The members of the German Methodist church are fortunate in securing a noted preacher to fill their pulpit, Rev. J. H. Knehan, a minister widely known and quoted in their denomination, having been assigned to the local church at a conference held at Warrenton. He succeeds Rev. G. E. Heidel.

Special services will be held at the Centenary church Sunday morning. A review of the work for the past year will be given and a special sermon will be preached, fitted to the needs of Cape Girardeau and Centenary church. Conference will be in session the Sunday following, and Presiding Elder R. L. Ruesel will preach. Special efforts are being made to have full congregations at both services.

Members of the Christian church entertained the students of the Normal School Monday night. An orchestra made music for the occasion and a general good time was had. Jean Ruff made the address of welcome to the new students, followed by a response by Mrs. Limbaugh and another address by Mr. Dearmont, then a solo by Virginia Lawson. Mr Roberts made the final address.

Miss Minnie Hoffman and Mr. J. N. Wolsey, a local druggist, were united in marriage Sunday evening and left Tuesday morning for St. Louis, to enjoy a matrimonial honeymoon. Both the contracting parties are popular here among a host of admiring acquaintances, who wish them a happy and prosperous matrimonial voyage. The finale to the happy climax came Sunday afternoon when the young people were taking an evening walk, and it was here that Dan Cupid won. Miss Hoffman made her home with Mrs. Kraft before her marriage to Mr. Wolsey.

Portageville is to have a ten ton ice plant.

The new Commercial Club Room is now completed and shows to what extent the business men of our bustling city look forward to the best methods to advertise it. The club is using every means available to increase the business interests of Cape Girardeau, and the results already obtained are very creditable. The idea originated to display home manufactured goods at their headquarters and when this fast growing commercial organization locates permanently in its modern home a new era in city progress here, will assert itself. Mercer D. Wilson is the president of the Club.

A marriage ceremony of unusual interest took place at the home of Mr. and Mrs. Henry C. Bartels, 227 North Lorimer street, Tuesday afternoon, when their daughter, Miss Clara Bartels, was united in marriage to Mr. Martin J. Brune of St. Louis. The ceremony was performed at 2:30 o'clock by the Rev. August Wilder of the Lutheran church, only members of the family being present to participate in the happy occasion. After a honeymoon trip Mr. and Mrs. Brune will be located permanently in St. Louis, where they will be at home to their many friends.

ORDINANCE NO. 989.

An ordinance repealing Ordinance No. 896 providing for the sprinkling of the streets and enacting a new ordinance providing for the sprinkling and cleaning of streets, and issuing tax bills to pay therefor.

Be it Ordained by the Council of the City of Cape Girardeau, Missouri, as follows:

Section 1. Council may determine by resolution what streets to be cleaned and sprinkled or either.

The council may by resolution determine what streets, avenues or parts thereof, shall be sprinkled and cleaned, or either, (except removing snow) and during what months, and provided by contract for the doing of such work which resolution shall be published for seven consecutive insertions in the city in a daily newspaper, or two consecutive insertions in a weekly newspaper, published in the city, and if a majority of the resident owners of the property abutting on such street or avenue, or part thereof, proposed to be sprinkled or cleaned, shall not within ten days thereafter, file with the city clerk their protest against such sprinkling and cleaning, or either of them, then the council may contract therefor and cause the same to be done. Provided, no contract for either shall be let for more than one year, and none let which will make the cost of such sprinkling or cleaning exceed one and one-half cents (1½c) each per front foot per month upon the property abutting upon such street or avenue, or part thereof.

Section 2. Notice published of letting contract. Before any contract shall be let the council shall cause a notice of the letting of such contract to be published for seven (7) consecutive insertions in a daily newspaper, or 2 consecutive insertions in a weekly newspaper published in the city asking for bids for sprinkling and cleaning, or either, (except removing snow) as provided by the resolution.

Section 3. Bids Received and Contract Let; How. All bids for the work herein provided for shall state specifically the price in writing of the total amount per month for which the bidder will sprinkle and clean, or either, the proposed street or avenue, or part thereof, as described in the resolution, and the contract shall be awarded to the lowest and best bidder.

Section 4. Assessments Made and Paid; How.

Upon any bid being accepted the council shall then determine the rate per front foot per month the property abutting on the street to be sprinkled and cleaned or either, shall be assessed to pay for same, which amounts shall then be assessed by ordinance against the several lots, tracts and pieces of real estate abutting on the street, and which amounts shall be due and payable on or before the end of each and every month during the term of the contract.

Section 5. If assessments not paid tax bill to issue.

It shall be the duty of the owner, or his agent, of the property so assessed to pay the assessment on or before the end of the month for which due to the contractor, who shall issue a receipt therefor; and if not paid within five (5) days thereafter, the contractor shall make report to the city clerk giving the names of all persons who have not paid such assessment, who shall then issue a tax bill for the amount due, together with a penalty of double the sum of the tax bill signed by the mayor and attested by the city clerk with the city seal, which tax bill shall be delivered to the contractor who may sue on the same in any court of competent jurisdiction, and in all cases where suit is brought to collect the assessments herein provided for, the penalty in the tax bill shall be collected, but any bill paid before filed for suit may be paid without liability for the penalty. All tax bills issued hereunder shall be payable to the contractor or to any assignee, administrator, or executor, completing the contract, and the same shall be a lien against the property described therein until paid, and shall be prima facie evidence of all recitals therein.

Section 6. The contract shall designate the street or avenue, or part thereof, to be sprinkled, and that the sprinkling shall be done often enough to keep the street moist enough to prevent the dust from rising, and that the streets to be cleaned shall

have all offal gathered up by broom or street sweeping machine and carted away so as to leave the street free and clear of dirt, and shall state the amount to be paid, when paid, when to expire, and the months which the streets are to be cleaned and sprinkled, or either, and shall be signed by the mayor and contractor. Before such contract shall be signed the contractor shall enter into a bond in the sum of two hundred dollars with good and sufficient sureties, to be approved by the mayor, conditioned for the faithful performance of his contract.

Section 7. All street sprinkling and cleaning shall be done under the supervision of the city engineer under the direction of the street and wharf committee, whose duty it shall be to see that the same is done in accordance with the contract.

Section 8. The city clerk shall keep a register of all assessments and tax bills issued, such register shall show the name of the property owner, if known, a description of the property against which assessed, name of the street upon which it abuts, number of feet of property assessed and the rate per foot, date and number of the tax bill, the amount of the tax and the penalty, number of and the date of the approval of the ordinance making the assessment, but no tax bill shall be void for failure to recite such matter, but may be amended by the clerk. Whenever payment of any tax bill shall be made, it shall be marked "Cancelled" and delivered to the person paying the same, who may then present it to the city clerk who shall then enter satisfaction on the register.

Section 9. The tax bill may be substantially the following form:

Special Tax Bill for Sprinkling and Cleaning Streets.	Amount	Tax	Penalty	Total
No.

This Special Tax Bill is issued for the purpose of showing the amount of and collecting the sum of dollars and cents, special assessment, and dollars penalty, being the amount assessed for sprinkling and cleaning on street, in Cape Girardeau, Missouri, for the month ending day of 19..... and was assessed by Ordinance No. approved day of 19..... against the following described property, to-wit:

and being feet on street, and assessed at the rate of cents per front foot.

That said sum is due to contractor, and unpaid, and is a lien against the said property until paid, in favor of said day of 19.....

Attest: Mayor.

City Clerk.

Section 10. That Ordinance No. 896, approved the day of 19....., be and it is hereby repealed.

Section 11. This Ordinance shall be in force and effect from and after its passage. Passed this day of 1911

Presiding Officer of the Council. Approved this day of 1911.

Attest: Mayor.

City Clerk.

Notice to Contract Sidewalks, Curbs and Gutters.

To T. L. Stockton: In accordance with the provisions of Ordinance No. 957, approved July 5, 1911, a resolution adopted by the City Council August 31, 1911, you are hereby notified to construct granitoid sidewalks, curbs and gutters, in front of part of lot No. 45, Range G, fronting 30 ft. on Good Hope street in the city of Cape Girardeau, Missouri, said work to be done in accordance with the provisions of said Ordinance No. 957, and within 20 days from and after September 15, 1911, that being the date of the last of two consecutive insertions of this notice in the Cape County Herald, the newspaper doing the city printing; and that, failing in this, the work will be done by the city at your expense. Chris. F. Betten, City Clerk.

Moore's Glass Oven Door

MAKES BAKING EASY

Moore's Range

is a cooking machine that you can control as easily as an engineer can control a locomotive.

The exact temperature oven thermometer—it really tells the exact heat and is as useful as a steam gauge to a boiler.

Then Mrs. Rorer's Thermometer Guide tells how hot to keep the oven for a certain time sufficient to cook roast beef—stuffed chicken, ham, lamb quarters, bread, sugar cookies, most everything in fact. Then more than that—the Controller Damper enables you to keep the heat at the desired point almost indefinitely.

And you can actually see your food cooking through Moore's fire-treated glass-oven door. Cost one-third to one-half less to run.

We believe every housewife ought to know that while certain ranges eat up coal like a house fire—other ranges save fuel—therefore—save money.

Moore's Range saves One-third to One-half on the Coal

We tell all about this construction that saves so much fuel in a little book we have—and we'll send you this book upon receipt of a postal. Write Moore Brothers, Joliet, Ill., for Book on Fuel Saving. See Moore's Range at
