"**EQUAL rights to all, special privileges to none.**" That is right. Practice it.

HON. A. F. SOHRNER, secretary of the republican state committee, is a candidate for the position as collector of internal revenue for the eastern district of Missouri.

WE notice by our exchanges that many of our more prosperous towns are having rural free delivery. From what we know and have seen of this system we think it a good thing, and Jackson ought to have it. Let us see our postmaster and have him take the necessary steps to get this needed improvement in our town and county. We shall have more to say on this line later on.

HEALTH AND BEAUTY.
A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood, pimples, boils and other eruptions follow. This nature's method of throwing off the poisons which the bowels failed to remove. Dr. Witt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. H. L. Jones.

Attention, Tax-payers.
The undersigned collector of the revenue of Cape Girardeau county, Missouri, will meet the tax payers of said county for the purpose of receiving the taxes for the year 1901, at the following times and places:
From December 3, 1901, to January 1, 1902, at my office in Jackson.

Notice is hereby given that all those who fail to pay at the times and places as above may expect to have their property seized, levied upon and sold for the payment of the same with costs. Back Tax Books will not be taken with me; those desiring to pay the same will find the books at my office in Jackson.
E. W. FLENTGE,
Collector of Cape Girardeau County.

Repairing Neatly Done

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health. No one has to wait his turn. You can do it yourself—you and the bottle.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

Both of our banks are heated by furnaces, the one by hot air and the other by hot water. Our public school and two of our churches are heated the same way. Now, give us a new courthouse and a new opera house heated in like manner, and Jackson will be getting some done.

Miss Mahan gave a very pleasant and entertaining recital in the court-house Tuesday night. The audience was somewhat disturbed by the alarm of fire. Music was furnished by our best town talent. Miss Mahan also gave an interesting and instructive lecture in the interest of the W. C. T. U. in the Methodist church last night.

Coughs

"My wife had a deep-seated cough for three years. I purchased two bottles of Ayer's Cherry Pectoral, large size, and it cured her completely."
J. H. Burge, Macon, Col.

Probably you know of cough medicines that relieve little coughs, all coughs, except deep ones! The medicine that has been curing the worst of deep coughs for sixty years is Ayer's Cherry Pectoral.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

The furnace in the Jackson Exchange bank now works fine, and good heat is produced with very little fuel. The telephone central office will soon be in working order in the two back rooms upstairs then the entire building will be occupied, and the various businesses represented under one roof makes it very much of a business center.

Chas. Replogle, Atwater, O. was in very bad shape. He says: "I suffered a great deal with my kidneys and was requested to try Foley's Kidney Cure. I did so and in four days I was able to work again, now I am feeling well." All dealers.

Mrs. Almarrette Morgan, grand chief of the Degree of Honor, of Kansas City, made a very favorable and effective talk in the Workman hall here Saturday night. Mrs. Morgan is thoroughly enthused in the work, and her remarks impress her hearers as meaning what she said. She had a fair audience. After Mrs. Morgan's speech lunch was served and then those who so desired remained and spent a short time in a social hop.

W. H. Miller has one of the best lighted and best arranged law offices in southeast Missouri. It is located over the Cape County Savings bank. The other three rooms are occupied by our resident dentist, Dr. G. S. Henderson. These rooms are well lighted and nicely arranged for his work. On entering either of these offices a person is impressed with the idea of comfort, and this together with the genial and affable disposition of their occupants makes one feel perfectly at home.

Meier Bros. will give a chance with every purchase of \$1 worth of holiday goods and hardware on a \$65 sewing machine. This is a strictly first class machine.

Tuesday night the house of Mike Daley caught fire and burned to the ground. Nearly all the contents of the house were saved. It was supposed to have caught from the kitchen flue. There was some insurance, but we know not the amount. When ever a house gets fire in Jackson we can throw on a few buckets of water and if that don't put it out we have to stand still and see it burn. No fire department or any machine by which we can put out a fire. How we do need water works!

Don't forget to look at the show window of Jeweler Hasslinger. You will see nice presents.
