To the Public:

It has come to our notice recently that a number of our customers have from time to time sent to Chicago mail order houses for goods in our line. We wish to say to such people that we will be glad to sell them the same goods on exactly the same terms and at the same prices, plus mail, express or freight charges, the same as you pay from the mail order houses. We think if you take into consideration quality as well as price, that we sell as cheaply as the mail order houses, and you have the satisfaction of buying your goods at home and keeping the money you spend in the county. For the more goods I handle and stock I carry the more taxes I have to pay, which money is used to improve our roads, school houses, public buildings, etc. All goods we sell are guaranteed, and we are right here where you can put your hand on us at any time to make good any defectiveness or unsatisfactory goods that we may sell, and we do it cheerfully. We sell 8-Day Clocks at \$2.25. Can you beat this from a catalog house? Hoping to hear from you soon with orders, I am yours respectfully.

The State Medical Co., is an institution organized under the laws of the State of Missouri, with a fully paid up capital stock of \$50,000 and a staff of eminent physicians and surgeons for the treatment and cure of chronic and special diseases of men and women. Our success in the treatment of chronic diseases is by the use of electro-therapeutics. Our offices are equipped with all the galvanic, faradic batteries, X-ray, violet ray and Finest ray; in fact, every electrical contrivance known to the medical profession. Our sanitarium is modern in every respect, and we employ none but the best trained and efficient attendants, regularly qualified graduates and licensed physicians always in charge.

We employ no misleading means to secure patients and patronage—no C. O. D.'s or unasked-for literature sent out by this institution. Our terms for treatment average from \$5.00 to \$10.00 per month (including medicines).

CHRONIC DISEASES. We successfully treat and permanently cure all chronic diseases such as Kidney and Bladder troubles, Rheumatism, Rupture, Hydrocele, Inguinal, Lenses, etc., and all Private Diseases, Tumors and malignant troubles, Catarrh of the Nose, Throat, Head and Lungs, Diseases of Eye and Ear, Chronic Diseases of Women, such as Displacements, Genital Ulcers, etc., and such weakness of women.
