From Allenville.

EDITOR OF THE HERALD: I notice in your paper that F. A. Kage is a candidate for sheriff. We are for Kage down here. Mr. Gockel has been sheriff six years and we are opposed to officers too long in office, we believe it is time for a change. We have nothing against Mr. Gockel, but

he has been sheriff long enough. He served four years and then Mr. Shade was elected during the war of 1902, and then Mr. Gockel was re-elected again in 1904, and to elect him again would give him eight years, therefore, we are for Kage. VOTER.

From Blomeyer.

EDITOR HERALD: We notice in your last week's paper that Mr. Kage has announced for the office of sheriff. Being a colored voter and having recently read of the negro trouble at Springfield, Mo., we have our mind refreshed about the treatment Long Tom got at the hands of Mr. Kage and we feel like asking all the colored voters to stand by Mr. Kage. He has proved our friend in the past and we believe he will be the same in the future. We have nothing against Mr. Gockel, but he has served four years and then served two years on another four. This is certainly long enough and we are for a change. All the voters we have talked to at this place seem to be with us, and believe Kage should have the nomination this time. JIM.
