South Bend Watches, carried upon long sea voyages and protected only by an ordinary watch case, exposed to every variation of position, temperature and the incessant vibration and roll of the ship, keep perfect time, second for second, with the carefully guarded and accurate chronometer which every sea going vessel is compelled to carry.

They are proof also against railway travel, horseback riding, automobile, or any of the busy life and jabs and bumps of everyday use. We will be glad to show you our line of these watches at any time.

16 DAYS 16

**PUBLIC SALE**

16 DAYS 16

**SCHOEN & BRO., POCAHONTAS, RETIRING FROM BUSINESS.**

\$20,000 WORTH of Merchandise for Men, Women and Children thrown on the market regardless of former cost or value. NECESSITY KNOWS NO LAW. Having decided to go out of business, we will liquidate our stock of Dry Goods, Clothing, Furnishings, etc., and offer this entire staple and up-to-date stock at retail at Public Sale. Every article included and must be liquidated and disposed of within 16 DAYS, sale taking place at our building in Pocahontas.

Wednesday, March 16, to Saturday, April 2.

**Explaining Things in Brief:** A few lines of explanation are here necessary so the people will know and appreciate the importance of this sale. Our interests compel us to close our business in Pocahontas, and unavoidable conditions force us to do so in the quickest possible time. To accomplish this, we fully realize, only the most drastic reductions, such as never have been presented to the public, can bring this absolutely-necessary result about. Having been established in Pocahontas for twelve years, the people well know of the high-class merchandise handled by us—well know of our conservative methods. We have never inaugurated a sale, never made any assertion, without strictly stating the truth, the truth in the deepest sense of the word; and during this sale we will, as heretofore, zealously live up to our reputation, for our reputation is at stake. Our stock consists of highest grade merchandise, standard goods, only, comprising complete lines of Dry Goods, Clothing, Furnishings, Hats, Trunks, etc.—in fact, all articles usually found in a first-class Department Store. Time is limited, and it cannot be our concern how much the merchandise will realize. The task before us means the utter disposal of this mammoth \$20,000.00 stock, as we are going out of business. There is but one avenue to success—"LET THE GOODS GO FOR WHAT THEY WILL BRING"—at this Public Close-Out Sale.

Do your Easter shopping at **SCHOEN'S**. All Spring goods included in the Public Sale. Look for the Red Canvas Front.

**N. B.**—Store closed from Friday, March 11, to Wednesday, March 16, to remark and rearrange stock for the mighty Sale.
