

THE HAYTI HERALD.

VOL. I.

HAYTI, MISSOURI, THURSDAY, APRIL 29, 1909.

NO. 27.

"GUN TOTING."

"Gun toting" will be a dangerous pastime, either for the law-abiding citizen or the criminal in the future. The house has passed Senator Wilson's bill making the carrying of a concealed deadly weapon a felony, punishable by imprisonment in the Penitentiary. The measure now needs only the signature of the Governor to become a law. The House also passed Senator Wilson's companion bill to the gun-toting measure. It prohibits the display of weapons in show windows, but was amended so as not to include in this restriction the display of revolvers or guns in show cases inside of stores. The amendment was adopted at the suggestion of the wholesale hardware dealers of St. Louis, Kansas City and St. Joseph. As passed by the House and Senate the two bills are expected to reduce homicides to the minimum. Both measures were generally supported and are admitted to be two of the best acts approved by the Legislature this session. Senator Wilson has been laboring for more than ten years to place such laws on the statute books. Mr. Hawkins, of Dunklin County, and Mr. Hull, of Platte County, both spoke in favor of the Wilson bills in the House today. Mr. Hawkins said that his experience as a Prosecuting Attorney caused him to appreciate the evil of carrying concealed weapons. The smallest penalty under the Wilson bill is a fine of \$100. The maximum is two years in the Penitentiary. Only sworn officers of the law are exempted by the provisions of the act.

Boyers' Famous Show.

The J. H. Boyers' Famous Show, playing 10 Nights in a Bar Room and High class Vaudeville Co., consisting of 30 people, band and orchestra and steam calliope, traveling in the largest passenger car ever built, will exhibit at Hayti on Saturday, May 1st. Free high dive on the show ground at 7 P. M. Plenty singing, dancing, musical act, gun spinning, troupe of trained dogs, juggling and hooprolling. Don't miss it. Hayti, Saturday, May 1st.

SQUARE GRADED.

Last week the grading on the public square was started, and the high ground on the east side was used to build up about the city hall.

The first steps of the east and south enterances was covered up, and the walk raised to the second step. Besides the dirt used from the east side, considerable is being hauled and placed on the west side, and also on the south and north sides.

In a few days this work will be finished, and the balance of the trees will be set. The southeast corner is already set.

In the meantime, the fencing has been ordered, and as soon as it arrives will be placed. Those who have this work in hand deserve much praise for the promptness with which they have acted, which goes to show what can be done when the people get together and go to work in earnest.

Mrs. Sallie McFarland accompanied Miss Cora De Lisle to her home in Portageville Saturday, and returned Sunday afternoon. While at Portageville Mrs. McFarland had the pleasure of meeting a lady relative whom she had not met since they were children. They are now aged 64 and 63 years, and both have resided in this country all their lives.

Mrs. Mollie White, C. C. Rodgers, J. L. Woolverton, C. W. Sullivan, T. J. Hornback, W. B. Reasoner, C. J. Mayes and H. Hoffman are among our new subscribers this week. Will somebody else please cuss the Herald a little. It stirs our friends up and causes them to come in and subscribe.

Collin Morgan and family of Kennett have located in Hayti. Mr. Morgan is the father of Fred and Charlie, and we welcome him as a good citizen. Mr. Morgan was twice sheriff of Dunklin county and four times marshal of Kennett.
