A QUIET WEDDING.

Only a few of the immediate friends and relatives were present.

The bride is one of Hayti's most accomplished and refined young ladies and a member of one of our pioneer families, while the groom is a polished gentleman and a thorough business man.

They left soon after the ceremony for their home at Deering, carrying with them the best wishes of a host of friends and acquaintances.

Under the new school law the townships in which are located the towns of Hayti and Caruthersville will have truant officers, appointed by the Board of Education. These officers will have power to arrest all truants without a warrant. Let the right appointments be made, and the law enforced to the letter. It is the right and proper thing.

A professor has discovered among some ancient ruins what is supposed to be the eleventh commandment. The text is as follows: "Enas rof lypmorp tseyap uohf sselnu repapswen a daer ton thah uohf." The commandment is easily translated by beginning at the end and reading backward.—Ex.

The trees in the school grounds need attention and need it bad. The water-sprouts at the roots should be kept removed, and the limbs should be trimmed and the trees given form. But the water-sprouts should be removed at once, as they are very injurious to the life and growth of the trees.

The most durable machine made is the NEW HOME. We also handle the ball bearing Singer, the WILL C. FREE, the New Ideal, the Eldredge, the Wilcox and Gibbs. With over 45 years handling and repairing machines, we are competent to tell you which is the best. Chas. Goodrich, Caruthersville.

We, your committee on resolutions of respect, beg to report as follows: Whereas, the Allwise Ruler of the Universe and Commander of the great spiritual forest, has seen fit to pluck from our little cluster here on earth and plant into His great forest on high our dear beloved brother, John D. Brantley, who departed this life Aug. 14, 1909, aged 26 years, 11 months and 8 days.

Dudd Brantley, as he was familiarly known, was very much devoted to his wife and to the occupation he followed and fell at his post of duty in the very beginning of life's activity, and a young and vigorous tree has been cut from our forest, a strong and ambitious husband has been taken from a happy home; therefore, be it

SQUARE FENCED.

Thanks to the Civic League, the good woman of our town and Geo. Dorris and I. Kohn, the public square is graded and fenced. Of course the business men all donated liberally, but Dorris and Kohn were placed in charge of the work, and did their duty well. The fence and gates is of beautiful woven wire, and substantial. The next move is to put down hitching posts and racks, sodding the square with grass and setting trees.

The next regular teacher's examinations will be held at Caruthersville, Aug. 27 and 28. Teachers will pay the county treasurer the fee, and present the receipt. The same order of subjects will be observed as on previous examinations.

DO NOT GET

EXCITED

What's the use? The man who runs over himself, gets stampeded, tears his clothes and pulls his hair every time the world doesn't wag his way, is making his own life a failure and the lives of others miserable.

Better get down to system—find the rough places and keep away from them. This is my motto in business. I know that kind and courteous treatment, honest goods and honest prices, coupled with fair dealings, will win out in the end, and will make my customers permanent.

It's a good thing to get acquainted. Don't limit yourself. The world is large, and people are different. I would like for you to come to my store and learn my ways and my prices—examine my stock carefully, and I am sure you will be pleased—not only pleased, but that we will be friends and you will be my customer, and save yourself much worry. I take care of my customers, because their interest and welfare is my own. See the point!
