A HOME INSTITUTION

We Solicit Your Patronage and Promise You Good Treatment.

On October 18, 1913, was dedicated the world's most tremendous memorial—the

Leipzig Monument
 Commemorating the "Battle of Nations"

where, 100 years ago, allied Europe shattered the armies of the Great Napoleon. Its colossal dome is supported by twelve gigantic warriors forty feet in height resting on their swords as guardians of the Personal Liberty of the German people. All human progress rests upon Personal Liberty—without its blessing neither nations nor individuals can develop. To Americans the Constitution of the United States forever guarantees Personal Liberty. Upon the tenets of the United States Constitution Anheuser-Busch brewers of Budweiser, 57 years ago founded their institution. To-day their great bottled beer is sold in every state of the nation, and wherever civilized man journeys Budweiser is demanded. Its Quality, Purity, Mildness and exclusive Saazer Hop Flavor have made it the natural choice of Americans. Budweiser sales exceed any other beer by millions of bottles.
